[PLEDGE, CLEAN CAMPAIGNS REV 1.PDF](#)

14. Discussion - Modifying The CRA

Documents:

[163.357 FS.PDF](#)

15. City Manager Comments
16. CITY COMMISSION AND MAYOR COMMENTS
17. ADJOURN

(The full staff memo will be incorporated into the official record)

Minutes of the City Commissioner Workshop meetings can be obtained from the office of the City Clerk. The minutes are recorded, but are not transcribed verbatim. Persons requiring a verbatim transcript may make arrangements with the City Clerk to duplicate the recordings, or arrange to have a court reporter present at the meeting. The cost of duplication and/or court reporter will be at the expense of the requesting party.

Persons who wish to appeal any decision made by the City Commission with respect to any matter considered during this meeting will need a record of the proceedings, and for such purpose may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is based.

In accordance with Section 286.26, Florida Statutes, persons with disabilities needing special accommodations to participate in this meeting should contact the office of the City Clerk no later than 5:00 p.m. on the day prior to the meeting.

MEMORANDUM

DATE: February 10, 2026

TO: City Commission

VIA: James Slaton, City Manager

FROM: Sara Irvine, Special Project Administrator

SUBJECT: Developer Credit Agreement -Hunt Club Grove South

SYNOPSIS: *The city requested developer provide some off-site improvement in relationship to the Hunt Club Grove South development.*

RECOMMENDATION

Approve the Developer Credit Agreement for Hunt Club Grove South and authorize The Mayor to execute the agreement.

BACKGROUND

City code Section 23-770 allows the city to provide developer credit for approved off-site public facilities. The city has requested that the developer construct an extension of Post Salter Road and provide an extension of the city's reclaim water distribution line in the area.

Developer has provided a cost estimate to complete the requested upgrades.

FISCAL IMPACT

Developer Credit reduces multi-modal Impact fees at time home building permits are issued, not to exceed a total of \$1,230,701 or the amount collectable in the HCG South development.

Developer Credit reduces Sewer Impact fees at time home building permits are issued, not to exceed a total of \$415,375.03 or the amount collectable in the HCG South development.

Legal Description

**DEVELOPER'S AGREEMENT FOR OFF-SITE ROAD CONSTRUCTION AND
UTILITY RELOCATION AND UPDATE
HUNT CLUB GROVE SOUTH**

This DEVELOPER's Road Construction Agreement ("Agreement") is made and entered by and between LENNAR HOMES, LLC, a Florida limited liability company (collectively the "DEVELOPER"), and AG EHC II (LEN) MULTISTATE 4, LLC (OWNER) and the CITY OF LAKE WALES, FLORIDA ("CITY"). DEVELOPER and CITY are sometimes referred to collectively as the "Parties", and individually as a "Party".

WITNESSETH:

WHEREAS, OWNER, AG EHC II (LEN) MULTISTATE 4, LLC, a Delaware limited liability company ("**AG**") is the owner of certain parcels of real property located in the CITY, as described on Exhibit "A" attached hereto (the "Property"); and

WHEREAS, DEVELOPER is under contract to purchase homesites from AG under the terms of their Option Agreement and develop the Property under the terms of their Construction Agreement; and

WHEREAS, DEVELOPER has processed and the CITY has approved certain applications to allow DEVELOPER to develop the property as a residential subdivision, to be known as Hunt Club Grove South ("HCG South"); and

WHEREAS, since approval of the PDP, CITY has accepted the transfer of Post Salter Road from Polk County, which requires off-site improvement and utility relocation; and

WHEREAS, CITY is authorized by City Ordinance § 23-770.a.1. to grant credit against impact fees imposed for the developer construction of off-site public facilities; and

WHEREAS, CITY has requested and DEVELOPER has agreed to construct certain roadway and access improvements to the CITY roadway system; and

WHEREAS, CITY has requested and DEVELOPER has agreed relocate the cities Reclaim lines and install new Air Release Valve(s) ; and

WHEREAS, the Parties desire to enter into this Agreement to establish the respective rights and obligations of DEVELOPER and CITY, in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises hereof, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto covenant an agree as follows:

RECITALS AND AGREEMENT CONDITIONS

1. Recitals

The Recitals stated above are an integral part of this AGREEMENT and are incorporated herein by reference as if fully set forth herein.

2. Design of Road and Reuse Utility Improvements

The design and construction required for Post Salter Road will encompass the roadway from 11th Street to Hunt Brothers Road. The construction of Off-Site Post Salter Road shall be completed prior to the issuance of a Certificate of Occupancy for the 101st home for a residential unit in HCG South . CITY will review and approve construction plans that are identified as Off-site Road and Reuse Utility Improvements, which are incorporated into this Agreement. The Off-site Road and Reuse Utility Improvements are shown and summarized on the Engineer's Estimates attached hereto as Exhibit "B"; however, should a conflict occur between the following descriptions and the Off-site Improvements, the Road Plans shall be the controlling document.

In connection with the Off-site Road and Reuse Utility Improvements, DEVELOPER shall be responsible for the following:

- A. Constructing all associated infrastructure, including, without limitation, roadways, drainage, sidewalks, utility relocations and landscaping.
- B. DEVELOPER at DEVELOPER's expense, shall apply for and obtain all regulatory permits for the Off-site Road Improvements as required by CITY and the Southwest Florida Water Management District. These permits shall be provided to CITY.
- C. All construction activities will need to be inspected by CITY prior to acceptance and ownership.
- D. The parties agree that construction of the Post Salter Road Off-site Road and Utility Improvements shall commence during construction of Phase I of the HCG South development.
- E. DEVELOPER shall dedicate and convey to CITY, free and clear of all liens, parcels of land, more particularly described on Composite Exhibit "C" attached hereto (the "Dedication Parcel") for roadway improvements to Post Salter Road to an urban design standard (60 feet total width) to allow for sidewalks, curb and gutter, streetlights, and landscaping.

3. **Developer Impact Fee Credits**

- A. Off-site Improvements Construction Costs. DEVELOPER shall pay for engineering and construction costs associated with the aforesaid Off-site Road Improvements as set forth herein (hereinafter referred to as the "Off-site Road Improvements Construction Costs").
- B. Bid Process. DEVELOPER shall provide CITY with three (3) bids for the cost of construction of the Off-site Improvements and the amount of such Off-site Improvements impact fee credit shall be based on the lowest bid or the Engineer Cost Estimate, whichever is lowest.
- C. DEVELOPER has submitted a total cost estimate of the engineering and Off-site Road and Utility Improvements Construction Costs for Post Salter Road (Combined Exhibit "C") and are broken down as follows:

a. Post Salter Road Site Preparation	\$463,752.20
b. Post Salter Road Construction	\$766,949.10
Total Road Improvement	1,230,701.30

e. Reclaim Water Distribution	\$415,375.03
Total Utility Improvement	\$415,375.03

The CITY may provide Impact Fee credits to DEVELOPER for the Off-site Road Improvements and Utility Construction Costs in an amount not to exceed the total Impact Fee collectable from the multi-modal and wastewater impact fees from the HCG South Development. The Impact Fee Credit Amount shall be comprised of the following components:

- i. Off-site Road Improvement – Multimodal Impact Fee Developer Credit
(schedule effective date 10/01/2025)

Development HCG South	# of units	Impact Fee	Total Collectible
#SF	351	2159.38	757,942.38
#TH	191	1648.73	314,907.43
Total Impact Fee Credit available			1,072,849.81

ii. Off-site Reuse Utility Relocation – Sewer Impact Fee Developer Credit

Granted to the Single-Family Home development (schedule effective date 10/01/2025)

Development HCG South	# of units	Impact Fee	Total Collectible and available for credit
#SF	351	3411.89	1,1975,573.99
Total Impact Fee Credit Provided			\$415,375.03
Remaining to collect			\$780,198.96

a. The Off-site Road Improvement estimated cost is higher than the amount of impact fee developer credit available. Therefore, the city is authorizing the allowance for the builder to get certificate of occupancies for up to 100 Single Family homes prior to developer completing and the city acceptance of the Post Salter Road improvement.

b. If the CITY increases the Multimodal Impact Fee during the permitting of the HGC South project, The CITY will issue impact fee credits up to the amount that can be utilized in the HGC South project up to the engineer's cost estimate for the Total Road Improvement cost.

c. The CITY further agrees that any Multimodal Impact Fee and/or Utility Impact Fee paid by DEVELOPER for the permitting of any home in HCG South shall be reimbursed to DEVELOPER and deducted from the Impact Fee Credit balance upon issuance of the credits.

d. The CITY further agrees to reimburse DEVELOPER for any Multimodal Impact Fees paid by DEVELOPER for homes permitted in Hunt Club North prior to Impact Fee Credits being issued under the Hamlin Road Agreement.

- D. Changes to Scope of Off-site Road and Utility Improvements. The parties expressly acknowledge and agree that any proposed modification, revision or addition to the scope of the Off-site Road Improvements (as set forth herein) shall constitute a material change to this Agreement. If DEVELOPER wishes to make a material change to the scope of the Off-site Road Improvements after the effective date of this Agreement, then DEVELOPER shall promptly submit to CITY a written cost estimate therefor. No such request shall be binding on CITY unless and until it has been agreed to in a Change Order signed by both the Director of Development Services of CITY and DEVELOPER. Any such change to the scope of the Off-site Road and Utility Improvements (as set forth in the Change Order) shall be governed by the terms and conditions of this Agreement and by such Change Order as may be executed by the parties from time to time. The parties expressly acknowledge and agree that CITY shall not have any obligation whatsoever in relation to any Change Order which has not been signed by the Director of Development Services of CITY.

4. **Ownership**

Upon completion of the Off-site Road and Utility Improvements, DEVELOPER shall submit all construction and financial information necessary to ensure that Off-site Road Improvements have been properly constructed in accordance with CITY standards and all the contractors and subcontractors have been paid in full (collectively referred to herein as the "Documentation"). The Documentation shall include, without limitation, acceptable "as-built" drawings, detailed construction costs and invoices, copies of payments to the contractor, release of liens, etc. Additionally, the Documentation shall be in accordance with the requirements of the approval given by CITY for the Hunt Club Grove development. Upon receipt of all such Documentation, CITY shall have 30 days (the "Review Period") to review the Documentation to ensure that it is complete; and may request any additional Documentation that is needed. During the Review Period, CITY shall conduct or cause to be conducted such inspections of the Off-site Road Improvements as it may desire in order to determine that the physical condition of the Off-site Road Improvements is satisfactory and reasonably acceptable ("Inspection"). Once the Documentation shall have been determined to be complete and the Inspection shall have been concluded, the Documentation together with any and all reported results of the Inspection will be presented to the CITY Commission for acceptance and ownership.

5. **Warranty Period**

DEVELOPER shall warrant the Off-site Road and Utility Improvements from any and all defects for a period of one (1) year from the date in which CITY accepts these improvements for ownership and maintenance. If the warranty period has not been completed prior to the expiration of this Agreement, the warranty period shall survive the expiration and shall continue until the one-year period is completed.

6. **Notices**

a. Notice to CITY shall be:

City of Lake Wales
Attn: City Manager
201 Central Avenue West
Lake Wales, FL 33853

With copy to CITY Attorney

Attn: Albert C. "Chuck" Galloway, Jr.

Lake Wales, FL 33853

b. Notice to OWNER:

Attn: TPG AG EHC II (LEN) MULTISTATE 6, LLC
c/o Essential Housing Asset Management LLC,
8585 E. Hartford Dr. Suite 118

Scottsdale, AZ 85255

c. Notice to DEVELOPER:

Attn: Mark McDonald
Lennar Homes, LLC
6675 Westwood Blvd, 5th Floor
Orlando, FL 32821

7. **Effective Date**

The Effective Date of this Agreement shall be the date on which CITY executes this AGREEMENT.

8. **Default and Remedy**

If either Party materially defaults in its obligations under this AGREEMENT and fails to cure the same within thirty (30) days after the date the Party receives written notice of the default from the other non-defaulting Party, then the non-defaulting Party shall have the right to (i) immediately terminate this AGREEMENT by delivering written notice to the materially defaulting Party, and (ii) pursue any and all remedies available in law, equity, and under this AGREEMENT.

9. **Limitation of Liability**

IN NO EVENT, SHALL CITY BE LIABLE TO DEVELOPER FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NON-PERFORMANCE OR BREACH OF THIS CONTRACT BY CITY WHETHER BASED IN CONTRACT, COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE. NOTHING CONTAINED IN THIS PARAGRAPH OR ELSEWHERE IN THIS AGREEMENT IS IN ANY WAY INTENDED EITHER TO BE A WAIVER OF THE LIMITATION PLACED UPON THE CITY'S LIABILITY AS SET FORTH IN SECTION 768.28, FLORIDA STATUTES, OR TO EXTEND THE CITY'S LIABILITY BEYOND THE LIMITS ESTABLISHED IN SAID SECTION 768.28; AND NO CLAIM OR AWARD AGAINST THE CITY SHALL INCLUDE ATTORNEY'S FEES, INVESTIGATIVE COSTS, EXPERT FEES, SUIT COST OR PRE-JUDGEMENT INTEREST.

10. **Indemnification**

DEVELOPER shall indemnify, defend (by counsel reasonably acceptable to CITY), protect and hold harmless CITY and its elected and appointed officials, employees and agents from and against any and all claims, demands, actions, causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including,

without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from the design, permitting and installation of the Roadway Improvements that are caused in whole or in part by any act or omission of DEVELOPER, its engineers, designers, contractors, subcontractors, material suppliers, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable. The provisions of this Section 10 shall survive the expiration or earlier termination of this AGREEMENT.

CITY shall indemnify, defend (by counsel reasonably acceptable to DEVELOPER, protect and hold harmless DEVELOPER and its officers, employees and agents from and against any and all claims, demands, actions causes of action, suits, liabilities, penalties, forfeitures, damages, losses, and expenses whatsoever (including, without limitation, attorneys' fees, costs, and expenses incurred during negotiation, through litigation and all appeals therefrom) arising out of or resulting from the design, permitting of the Roadway Improvements that are caused in whole or in part by an act or omission of CITY, its employees or anyone directly or indirectly employed by an of them, or anyone for whose acts any of them may be liable. The provisions of this Section 10 shall survive the expiration or earlier termination of this AGREEMENT.

11. **Insurance**

a. DEVELOPER shall require its engineer (and other design professionals) who participate in the design, permitting and installation of the Off-site Road Improvements to acquire and maintain Professional Liability Insurance in the amount of \$1,000,000.00 per occurrence/\$2,000,000 in the aggregate, exclusive of defense costs, and the Commercial General Liability, Comprehensive Auto Liability, and Workers Compensation coverages stated in Section 11.2, below.

b. DEVELOPER shall require its engineer (and other design professionals), general contractor, other contractors and subcontractors who participate in the design, permitting and installation of the Off-site Road Improvements to acquire and maintain the following types of insurance with at least the following minimum limits of liability; Commercial General Liability: \$1,000,000.00 per occurrence; Comprehensive Automobile Liability \$1,000,000.00 per occurrence: and Workers Compensation Statutory Limits: and Employers Liability \$1,000,000.00.

c. All insurance must be provided by a carrier licensed to do business in the State of Florida having an A.M. Best rating of at least the "A" category and size category of VIII. CITY shall be names as an additional insured on General Liability and Automobile Liability Policies. The General Liability and Workers' Compensation policies shall contain a waiver of subrogation in favor of CITY.

d. DEVELOPER shall provide CITY original Certificates of Insurance satisfactory to CITY to evidence such coverage before any work commences. CITY must be identified on the Certificates as follows: "CITY of Lake Wales, a municipal corporation enacted under the laws of the State of Florida."

12. **Waiver**

A waiver by either Party of any breach of this AGREEMENT shall not be binding upon the waiving Party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving Party's rights with respect to any other or further breach of this Agreement. The making or acceptance of a payment by either Party with the knowledge of the other party's existing default or breach of this AGREEMENT shall not waive such default or breach, or any subsequent default or breach of this Agreement, and shall not construed as doing so.

13. **Release**

For and in consideration of the mutual agreements set forth herein, DEVELOPER agrees the terms and conditions of this AGREEMENT are reasonable under the totality of the circumstances, and DEVELOPER for itself, and on behalf of its successors, assigns or trustees, and anyone claiming by, through, or under any of them, do hereby fully waive, release and forever discharge CITY from and against any claims for inverse condemnation, regulatory takings, U.S.C. Section 1983, or claims under Chapter 70, Florida Statutes, arising out of or resulting from the terms and conditions hereof. DEVELOPER acknowledges and agrees that its agreement to this release is material inducement to CITY to enter into this AGREEMENT. The Parties agree that this release is to the specific causes of action listed and not to be deemed a release of any non-listed causes of action to which DEVELOPER may be entitled.

14. **Attorney's Fees and Cost**

Except as noted in Section 9 above, each Party shall be responsible for its own legal and attorneys' fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to the AGREEMENT, including attorney's fees, costs, and expenses incurred for any appellate or bankruptcy proceedings.

15. **Recordation**

Within fourteen (14) days after the Parties execute this Agreement, CITY shall record this AGREEMENT in the Public Records of Polk County, Florida. If this AGREEMENT is amended, canceled, modified, or extended, CITY shall also record such action in the public records of Polk County, Florida.

16. **Modification**

This AGREEMENT may only be modified by a written amendment properly executed by the Parties. No oral modifications will be effective or binding.

17. **Integration**

This AGREEMENT sets forth the entire agreement between the Parties with respect to its subject matter and that there are no promises or understandings other than those stated herein.

18. **Counterparts**

This AGREEMENT may be executed in multiple counterparts each of which shall be an original, but which collectively shall form a single agreement.

19. **Attachments**

All attachments or exhibits attached hereto contain additional terms of this Agreement and are incorporated herein by reference.

20. **Pre-Suit Mediation**

Disputes arising under this Agreement must first be mediated by Florida Supreme Court certified Civil Mediator in accordance with Chapter 44, Florida Statutes. The parties agree that the mediation shall occur within thirty (30) days of the date mediation is requested by either party. The Mediator shall be agreed upon, but if the parties are unwilling or unable to agree, the parties agree that a Civil Mediator from Central Florida Mediation Group, LLC shall be selected by striking names from the mediators in that Group. The parties agree to mediate in good faith, be bound by the Mediation Settlement Agreement (if a settlement is reached), pay Mediator fees promptly and share them on an equal basis unless otherwise agreed upon by the parties. Litigation may not be commenced until after mediation has been (i) declared an impasse by the Mediator, or (ii) terminated in writing by one or both parties. The confidentiality provisions of the Mediation Confidentiality and Privilege Act (Section 44.403, Florida Statutes) shall apply to any such pre-suit mediation. Litigation and Attorney's Fees. The Parties hereby consent to the sole and exclusive jurisdiction and venue for any action relating to the construction, interpretation, of enforcement of this Agreement to be in or for the Tenth Judicial Circuit, in Polk County, Florida.

21. **Governing Law**

This Agreement and the rights and obligations of the Parties hereunder shall be interpreted, governed by, construed under, and enforced in accordance with the applicable laws of the State of Florida, and the ordinances, rules and regulations of CITY including, but not limited to the CITY Comprehensive Plan, Land Development Regulations and Utility Code, and any amendments thereto in effect as of the Effective Date of this Agreement.

22. **Binding Effect**

This Agreement shall be binding upon and inure to the benefit of all successors and/or assigns of the Parties hereto.

23. **Days**

The term "days" in this Agreement shall mean calendar days, unless otherwise so noted. If a date for performance falls on a Saturday, Sunday or legal State of Florida or federal holiday, the date for performance shall be extended until the next calendar day that is not a Saturday, Sunday or legal holiday.

24. **Severability**

If any section, phrase, sentence or portion of this Agreement is, for any reason, held to be invalid by any court of competent jurisdiction, such portion shall be deemed as separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions hereof.

25. **Public Records**

In accordance with Section 119.0701, Florida Statutes DEVELOPER (referred to as the "Contractor" for purposes of this section) agrees to comply with the following public record laws:

- a) The Contractor acknowledges CITY obligations under Article I, Section 24, of the Florida Constitution and under Chapter 119, Florida Statutes, to release public records to members of the public upon request and comply in the handling of the materials created under this AGREEMENT. The Contractor further acknowledges that the constitutional and statutory provisions control over the terms of this AGREEMENT. In association with its performance pursuant to this AGREEMENT, the Contractor shall not release or otherwise disclose the content of any documents or information that is specifically exempt from disclosure pursuant to all applicable laws.
- b) Without in any manner limiting the generality of the foregoing, to the extent applicable, the Contractor acknowledges its obligations to comply with Section 119.0701, Florida Statutes, with regard to public records, and shall:
 - 1) Keep and maintain public records required by CITY to perform the services required under this AGREEMENT;
 - 2) Upon request from CITY's Custodian of Public Records or his/her designee, provide CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;
 - 3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this AGREEMENT and following completion of this AGREEMENT if the Contractor does not transfer the records to CITY; and
 - 4) Upon completion of this AGREEMENT, transfer, at no cost, to CITY all public records in possession of the Contractor or keep and maintain public records required by CITY to perform the service. If the Contractor transfers all public records to CITY upon completion of this AGREEMENT, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of this AGREEMENT, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to CITY, upon request from CITY's Custodian of Public Records, in a format that is compatible with the information technology systems of CITY.
- c) IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY

TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT,

HUNT CLUB SOUTH PHASE 1

LEGAL DESCRIPTION:

A portion of the South 1/2 of the Southwest 1/4 of Section 7, Township 30 South, Range 28 East, Polk County, Florida, being described as follows:

Commence at the Southwest corner of the Southwest 1/4 of Section 7, Township 30 South, Range 28 East, Polk County, Florida; thence run N88°37'50"E, along the South line of said Southwest 1/4, a distance of 657.84 feet to a point on the Easterly Right of Way of the Florida Midland Railroad; thence run N46°04'18"W, along said Easterly Right of Way, a distance of 66.32 feet to the POINT OF BEGINNING; thence continue N46°04'18"W, along said Right of Way, a distance of 821.98 feet to the intersection with the East Right of Way of County Road 17B (11th Street); thence along said East Right of Way the following five (5) courses: run N01°45'46"E, a distance of 24.67 feet; thence run N00°31'43"W, a distance of 100.01 feet; thence run N00°12'59"E, a distance of 42.12 feet; thence run S89°51'43"E, a distance of 16.40 feet; thence run N00°08'17"E, a distance of 508.21 feet to the intersection with the South Right of Way of Post Salter Road; thence along said South Right of Way the following two (2) courses: run N88°38'46"E, a distance of 1,455.42 feet; thence run N88°33'59"E, a distance of 540.43 feet; thence leaving said South Right of Way, run S00°00'11"E, a distance of 209.41 feet to a point on a Non-Tangent curve, concave to the Southeast, having a Radius of 25.00 feet and a Central Angle of 60°03'59"; thence run Southwesterly along the arc of said curve, a distance of 26.21 feet (Chord Bearing = S30°01'49"W, Chord = 25.03 feet) to a Point of Tangency; thence run S00°00'11"E, a distance of 1,045.89 feet; thence run S89°59'49"W, a distance of 1019.26 feet; thence run S88°51'02"W, a distance of 50.07 feet; thence run S87°27'08"W, a distance of 339.45 feet to the POINT OF BEGINNING.

Containing 53.79 acres, more or less.

HUNT CLUB SOUTH PHASE 2

LEGAL DESCRIPTION:

A portion of the South 1/2 of the Southwest 1/4 of Section 7, Township 30 South, Range 28 East, Polk County, Florida, being described as follows:

Commence at the Southwest corner of the Southwest 1/4 of Section 7, Township 30 South, Range 28 East, Polk County, Florida; thence run N88°37'50"E, along the South line of said Southwest 1/4, a distance of 2130.77 feet to the POINT OF BEGINNING; thence run N00°38'24"W, a distance of 10.00 feet; thence run N05°09'25"W, a distance of 17.03 feet; thence run S89°59'49"W, a distance of 110.19 feet; thence run N00°00'11"W, a distance of 1,045.89 feet to the Point of Curvature of a curve concave to the Southeast, having a Radius of 25.00 feet and a Central Angle of 60°03'59"; thence run Northeasterly along the arc of said curve, a distance of 26.21 feet (Chord Bearing = N30°01'49"E, Chord = 25.03 feet) to a point; thence run N00°00'11"W, a distance of 209.41 feet to the intersection with the South Right of Way of Post Salter Road; thence run N88°33'59"E, along said South Right of Way, a distance of 780.08 feet to the intersection of the West Maintained Right of Way of Hunt Brothers Road

as defined in Map Book 5, Page 313 of the Public Records of Polk County, Florida; thence along said West Maintained Right of Way the following ten (10) courses: run S00°49'39"E, a distance of 47.71 feet; thence run S00°17'59"W, a distance of 100.00 feet; thence run S00°16'24"E, a distance of 100.00 feet; thence run S00°17'59"W, a distance of 100.00 feet; thence run S00°16'24"E, a distance of 100.00 feet; thence run S00°50'46"E, a distance of 100.00 feet; thence run S00°17'59"W, a distance of 100.00 feet; thence run S00°16'24"E, a distance of 500.00 feet; thence run S01°25'09"E, a distance of 100.02 feet; thence run S00°45'51"E, a distance of 59.33 feet; thence leaving said West Maintained Right of Way, run S88°37'53"W, a distance of 662.86 feet; thence run S88°37'50"W, a distance of 25.00 feet to the POINT OF BEGINNING.

Containing 23.70 acres, more or less.

HUNT CLUB SOUTH PHASE 3

LEGAL DESCRIPTION:

A portion of the South 1/2 of the Southwest 1/4 of Section 7, and a portion of the Northwest 1/4 of Section 18, Township 30 South, Range 28 East, Polk County, Florida, being described as follows:

Commence at the Southwest corner of the Southwest 1/4 of Section 7, Township 30 South, Range 28 East, Polk County, Florida; thence run N88°37'50"E, along the South line of said Southwest 1/4, a distance of 657.84 feet to a point on the Easterly Right of Way of the Florida Midland Railroad and the POINT OF BEGINNING; thence run N46°04'18"W, along said Right of Way, a distance of 66.32 feet; thence leaving said Right of Way, run N87°27'08"E, a distance of 339.45 feet; thence run N88°51'02"E, a distance of 50.07 feet; thence run N89°59'49"E, a distance of 1,129.45 feet; thence run S05°09'25"E, a distance of 17.03 feet; thence run S00°38'24"E, a distance of 10.00 feet; thence run N88°37'50"E, a distance of 25.00 feet; thence run S00°38'24"E, along the East line of the West 1/2 of the Northeast 1/4 of the Northwest 1/4 of Section 18, Township 30 South, Range 28 East, a distance of 1,324.58 feet; thence run S88°42'38"W, a distance of 170.51 feet to a point on the aforesaid Easterly Right of Way of the Florida Midland Railroad; thence run N46°04'18"W, along said Easterly Right of Way, a distance of 1,863.10 feet to the POINT OF BEGINNING.

Containing 26.84 acres, more or less.

MEMORANDUM

DATE: February 9, 2026

TO: Honorable Mayor and City Commission

VIA: Christopher Velasquez, Chief of Police *CV*
James Slaton, City Manager

FROM: Lieutenant Emmanuel Figueroa, Special Operations Commander *EF*

SUBJECT: Law Enforcement Vehicle Purchase

SYNOPSIS: *Staff is requesting Commission approval to lease purchase seven (7) police vehicles using the Bancorp Master Lease Agreement and dispose of ten (10) surplus vehicles.*

RECOMMENDATION

It is recommended that the City Commission take the following action(s):

1. Approve the sixty (60) month lease-purchase of five (5) fully equipped 2026 Chevrolet police patrol vehicles from Stingray Chevrolet using the Florida Sheriff's Association Bid FSA25-Vel33.0 pricing and the sixty (60) month lease-purchase of two (2) 2026 Ford Mustang marked police vehicles fully equipped and with speed measuring equipment from Weikert Ford using Polk County Contract pricing.
2. Authorize the City Manager to execute the necessary documents on behalf of the city.
3. Classify the ten (10) below listed vehicles as surplus.
4. Authorize staff to dispose of the surplus vehicles.

BACKGROUND

MEMORANDUM

Within the FY 2025/26 annual budget, the City Commission approved \$490,000.00 for purchase of police vehicles. The FY 2025/26 annual budget indicated the vehicles would be leased versus purchased with commission approval.

Staff recommends the lease-purchase of the following vehicles:

- Five (5) fully equipped 2026 Chevrolet Tahoe police vehicles. The capital cost of these vehicles, if purchased outright, would be \$378,150.10. Under the lease-purchase agreement, the monthly lease payment would be \$7,274.25 for sixty (60) months, with a total cost of \$436,455.00. These vehicles will replace police vehicles being removed from service through reassignment, sale or other means of disposal.
- Two (2) fully equipped 2026 Ford Mustang police vehicles. The capital cost of these vehicles, if purchased outright, would be \$123,664.08. Under the lease-purchase agreement, the monthly lease payment would be \$2,378.86 for sixty (60) months, with a total cost of \$142,731.60. These vehicles will be fully equipped as police vehicles and used by the Traffic Enforcement Unit with speed measuring equipment.
- The vehicles outlined below no longer serve any useful purpose to the city and staff recommends approval to dispose of them.

YEAR	MAKE	MODEL	VIN NUMBER
2008	Ford	F150	1FTPX14V18FB74562
2015	Chevrolet	Impala	2G1WD5E33F1160703
2015	Ford	Interceptor (Marked K9)	1FM5K8ARXFGB41021
2016	Chevrolet	Impala	2G1WD5E34G1139151

2016	Chevrolet	Impala	2G1WD5E3XG1139249
2016	Ford	Interceptor (Marked K9)	1FM5K8AR0GGB35794
2018	Ford	Interceptor (Unmarked Silver)	1FM5K8AR6JGA83286
2018	Ford	Interceptor (Unmarked Gray)	1FM5K8AR1JGA71417
2018	Ford	Interceptor (Unmarked Gray)	1FM5K8AR3JGA71418

MEMORANDUM

OTHER OPTIONS

- 1) Purchase the police vehicles outright at a cost of \$501,814.18.

FISCAL IMPACT

The FY25/26 lease obligation of \$137,462.06 (60 months) provided by Bancorp is based upon a lease-purchase option for public safety vehicles.

If the City Commission approves the vehicle lease agreement, the city is committed to a yearly lease payment of \$115,837.32 for the sixty (60) month lease. If revenues are insufficient in future years, the city has the option to return the vehicles under the non-appropriation of funds clause. If it becomes necessary to exercise this option the police department would suffer the loss of the vehicles

MEMORANDUM

January 21, 2026

TO: Honorable Mayor and City Commission

VIA: James Slaton, City Manager
Sarah B. Kirkland, Public Works Director

FROM: Holly Britt, Utilities Operations Manager

SUBJECT: Approval of Excavator purchase from Bobcat

SYNOPSIS: Staff requests commission approval to purchase an excavator from Bobcat to be able to complete everyday utility work within the Water Department.

STAFF RECOMMENDATION

It is recommended that the City Commission consider taking the following action:

1. Approve the excavator purchase of \$54,334.06 from Bobcat to assist in functions of the Water department.

BACKGROUND

Utility companies need mini excavators to have the ability to work in tight residential spaces to efficiently dig trenches for new lines (water, sewer), perform precision digging to locate existing utilities, and handle repairs with minimal disruption. This piece of equipment is essential for installing and maintaining underground infrastructure where large machines are unable to fit. Their compact size reduces ground damage, speeds up work, and allows for easier transport between diverse job sites.

The current budget has \$80,000.00 allocated for the purchase of an excavator. Staff recommends the commission take the following action, approve the purchase of an excavator from Bobcat Equipment in the amount of \$54,334.06.

OTHER OPTIONS

The Commission could choose to instruct staff not to purchase the equipment, thus hindering the productivity of staff.

FISCAL IMPACT

\$80,000 was placed in the current Capital Improvement Plan for the mini excavator.

MEMORANDUM

February 17, 2026

TO: Honorable Mayor and City Commission

VIA: James Slaton, City Manager
Sarah B. Kirkland, Public Works Director

FROM: Nancy C Hernandez, Public Works Operation Manager

SUBJECT: Authorization to Proceed with Solid Waste Collection In-House Feasibility Study

SYNOPSIS: Staff is requesting authorization to proceed with a Solid Waste Collection In-House Feasibility Study to evaluate the operational, financial, and service impacts of providing solid waste collection services directly by the City as an alternative to the current contracted franchise model.

STAFF RECOMMENDATION

Staff recommends the City Commission consider taking the following action:

1. Authorize the City to proceed with a Solid Waste Collection In-House Feasibility Study as outlined in the attached task authorization with Raftelis Financial Consultants, Inc., in an amount not to exceed \$65,470.
2. Authorize the City Manager to execute the necessary contract documents on behalf of the City.

BACKGROUND

The City of Lake Wales is currently served through an exclusive solid waste collection franchise agreement with Republic Services. As the City continues to evaluate long-term service delivery options, staff identified the need to assess whether providing solid waste collection services in-house could be a viable and cost-effective alternative.

As the City continues to evaluate long-term service delivery options, staff identified the need to better understand whether providing solid waste collection services in-house could be a viable alternative to the current contracted franchise model. While some municipalities operate in-house solid waste programs and others utilize contracted services, staff does not currently have sufficient comparative data to evaluate the operational, financial, and service-level impacts of each approach as applied to Lake Wales.

To ensure informed decision-making, staff is proposing a feasibility study to objectively evaluate in-house solid waste collection as a potential option, including associated costs, staffing

requirements, infrastructure needs, transition considerations, and long-term operational impacts, and to compare those findings to the City's existing service model.

OTHER OPTION

The City Commission may choose not to proceed with the feasibility study and continue operating under the existing franchise model without further evaluation of alternative service delivery options. In doing so, the City would forego an opportunity to assess potential operational efficiencies, service accountability considerations, workforce implications, and long-term financial impacts that could be associated with other service delivery models.

FISCAL IMPACT

The proposed feasibility study has a not-to-exceed cost of \$65,470. Funding for the study has been assigned within the capital improvement schedule.

ATTACHMENT

Raftelis Scope Agreement

November 1, 2024

Dorothy Abbott
Finance Director
201 W Central Avenue
Lake Wales, FL 33853

Subject: Task Authorization to Provide Solid Waste Collection In-house Study

Dear Ms. Abbott:

Raftelis Financial Consultants, Inc. ("Raftelis") is pleased to provide this task authorization to the City of Lake Wales (the "City" or "Client") to provide solid waste collection in-house study and to assist in the preparation of a solid waste collection services analysis to evaluate service options on behalf of the City's Utility Department (the "Utility Department"). Based on our discussions, the services as requested by the City will focus on: i) planning level evaluation to assess the estimated resource requirements and corresponding cost to in-house solid waste collection and disposal services; ii) comparing costs to the City's current or proposed contracted franchise service provider charges; and iii) preparation of collection and disposal service fee benchmarking for comparison purposes (the "Project"). This Task Authorization is pursuant to the terms and conditions of the City of Bartow Master Professional Consulting Services Agreement (RFQ No. CM2023-24-01), dated April 29, 2024 between the City of Bartow and Raftelis (the "Piggyback Agreement") that provides for ongoing utility rate and management consulting services. A copy of the Piggyback Agreement is attached as Attachment D. Based on our understanding of the needs of the City, we propose the following:

SCOPE OF SERVICES

The scope of services to be performed by Raftelis is included in Attachment A. Projects of this type are generally anticipated to be completed within one hundred and eighty (180) days from receipt of the authorization to proceed.

PROJECT TEAM AND BILLING RATES

With respect to the performance of this engagement, Mr. Thierry Boveri will be the Project Director and Shawn A. Ocasio will be the Project Manager and primary contact with the City. Other staff consultants, analysts and administrative personnel will be utilized during the engagement as needed. The services covered by this Task Authorization shall be billed based on the direct labor rates set out in Attachment B.

COMPENSATION AND BILLING

Based on the Scope of Services as summarized herein in Attachment A and the direct hourly labor billing rates as identified on Attachment B, we propose to establish a not-to-exceed contract budget of \$65,470 to provide consulting services associated with the performance of the Solid Waste Collection In-house Study. Attachment C provides a detailed breakdown of the proposed budget by task.

This project budget amount includes the direct cost of personnel anticipated to be assigned to the project as well as any other direct costs such as travel, telephone, and copying, printing and shipping charges. The costs incurred by Raftelis for such other direct costs, if any, will be billed to the City based on the standard unit costs or reimbursement schedule as reflected on Attachment B. It is proposed that Raftelis will bill monthly for services relative to this engagement based on the hourly amount of time spent by the project team members, the other direct costs incurred and the pass-through of any sub-consulting costs that may be required for the engagement. No additional services above the cost estimate will be performed without the prior written authorization of the City.

341 N. Maitland Avenue, Suite 300
Maitland, FL 32751

www.raftelis.com

TERM OF AGREEMENT

The terms of this proposed agreement and the associated direct hourly labor billing rates for Raftelis personnel shall be in effect and continue for twelve (12) months after the date of execution of this agreement.

DISCLOSURE

As a registered Municipal Advisor under the Dodd-Frank Act, Raftelis is required to inform our clients of any existing or potential conflicts of interest that may be relevant to any proposed scope of services that may include providing "advice" as that term is defined in the Dodd-Frank Act. As of the date of this engagement letter, no conflicts of interest are known to exist.

Under the Dodd-Frank Act the definition of "advice" includes providing any opinion, information or assumptions related to the size, timing and terms of possible future debt issues or borrowing. This type of information may be integrated into the capital and financial planning components of a rate model update. This definition is applicable regardless of whether this information is developed and used solely for planning and decision-making purposes. For the services addressed in the scope of work identified for this engagement, any information that is developed by Raftelis that falls under this definition of municipal advice is not intended to represent a recommendation that the City should issue debt based on the terms and assumptions used to develop the financial plan or forecast, or that the City will, in fact, be able to issue debt under the exact terms and conditions assumed and used to develop the financial plan or forecast. The information developed as part of this rate model update, including any related municipal advice, is intended only to provide information useful in evaluating the potential impact on the utility and future rate adjustments of one potential course of action for the City. The scope of services assumes that if the City plans to issue debt in the near future then the City will engage an independent, registered Financial Advisor to assist in evaluating the availability of different types of debt, and the specific terms and conditions for issuing debt, which will be affected by market conditions and the City's credit rating at the time of issuance.

By accepting this proposal (through the issuance of a Purchase Order), the City is indicating its approval and acceptance of the of the proposed scope of work and fees and is also explicitly acknowledging that Raftelis has provided the necessary disclosures addressing conflicts of interest and any limitations on the scope of Municipal Advisory services to be provided by Raftelis as part of this engagement.

The Municipal Securities Rulemaking Board ("MSRB") provides significant protections for municipal entities and obligated persons that are clients of a municipal advisor. To understand the protections provided and how to file a complaint with an appropriate regulatory authority, visit the MSRB web site at www.msrb.org.

TERMS AND CONDITIONS

Standard terms and conditions, that are made part of this Task Authorization, are set forth in Attachment D.

We appreciate the opportunity to submit this Task Authorization to the City to provide utility consulting services on behalf of the City's Utility Department. Upon execution of this Authorization, please return a signed copy to Raftelis along with an executed purchase order which we will then take as our notice to proceed.

ADDITIONAL SERVICES

During the course of the study, the City may request additional services relative to this scope of services from Raftelis. Such services will not be conducted until authorized by both the City and Raftelis. All invoices for additional services will be billed to the City based on the hourly rate schedule of the Raftelis

members as identified in this proposal or some other basis as mutually agreed between the City and Raftelis. Although no additional services are anticipated for this engagement, examples of additional services may include the following:

1. Attendance of on-site and virtual meetings in addition to what is anticipated in this scope of services and the corresponding cost estimate for the project.
2. Attendance of any one-on-one meetings with the City Commission related to the project.
3. Development of any cost of service based monthly user rates or miscellaneous rates or charges not specifically identified in the scope of services, including the development of impact fees or connection charges.
4. Providing development of software or provision of data services.
5. Preparation of any Bond Feasibility Studies or Capital Finance Plans to assist the City in issuing long-term debt.
6. Assistance with the development or providing a public information communication plan.
7. Assisting in the development of any interlocal agreements for utility service with other governmental agencies or any negotiation services related thereto.
8. Delays in the Project schedule, which: i) are not the fault of Raftelis (such as being provided with incorrect data by the City); ii) may have an impact on analyses performed; and iii) would affect the budget for the scope of services reflected herein.
9. Development of several financial, capital funding, or rate sufficiency scenarios in addition to what is generally described and contemplated in this scope of services.
10. The performance of additional financial analyses after substantial completion of the work effort that has been presented before staff and has been generally accepted by staff.

To the extent additional services are performed by Raftelis for this project but the total cost of the study, including the additional services, does not exceed the City's budgeted cost of the project, no additional services will be billed by Raftelis in excess of the project budget.

We appreciate the opportunity to submit this Proposal to the City to provide utility consulting services to the City's Utility Department. Upon execution of this agreement, please return a signed copy to Raftelis along with an executed purchase order which we will then take as our notice to proceed.

(Remainder of Page Intentionally Left Blank)

We appreciate the opportunity to be of service to the City.

Sincerely,

Thierry Boveri
Vice President
407-628-2600

CITY OF LAKE WALES, FLORIDA
SOLID WASTE COLLECTION IN-HOUSE STUDY**

SCOPE OF SERVICES

The scope of service to be performed by Raftelis is related to the preparation of a solid waste collection in-house study. Based on discussions with representatives of the City, the City is responsible for, among other things, trash, recycling, yard waste, and bulky waste collection services to residents and businesses within the City limits. We understand that the City has entered into an exclusive franchise agreement with a contractor to collect solid waste. The City is currently considering other solid waste collection options and strategies, namely in-house service, and would like assistance in the evaluation of such strategies. Within this approach, we maintain the assumption that the current routing structure utilized by the current contractor will serve as the baseline for this in-house study. Based on our discussions with the City, we have identified an approach to assist the City with its strategic initiatives including the following:

- Prepare a financial forecast model and financial forecast analysis to evaluate in-house solid waste collection service alternatives for both residential and commercial customers and compare the cost of service to existing service conditions.
- Identify the cost of providing collection service and developing rates for the full recovery of costs. Raftelis' review will focus on labor, fuel, truck/vehicle purchase and maintenance, container purchases, facility needs, maintenance and replacement, customer service, and other attendant costs such as insurance, software purchases and integration into the City's fleet management activities.
- Identify issues, advantages, and disadvantages for consideration by the City. The objective is to determine the reasonableness of an in-house alternative solid waste collection option by the City.

Based on our understanding of the City's needs, the scope of work is detailed below.

EVALUATION OF IN-HOUSE COLLECTION SERVICES

Task 1 – Project Initiation, Data Request, & Project Management – We believe that the execution of a productive kick-off meeting is the most effective way to initiate a project of this nature. We have assumed the kick-off meeting will be performed virtually but can be held on-site at the City staff's preference. The goals for this meeting include:

- Confirm the study goals and objectives with City staff;
- Discuss and review the data needs for the project;
- Discuss and confirm the current collection routing structure utilized by the current vendor. The scope assumes we will utilize the same level of service requirements as the vendor for comparison purposes. (e.g., type of collection, frequency of collection, staffing, operational days / hours, etc.); and
- Discuss any specific areas of concern or issues that may impact the project.

Prior to the kick-off meeting, a detailed data request will be submitted to the City to obtain statistical data such as the number of residential and commercial accounts served and tons of waste collected, financial data such as trial balances and invoices to the City by FCC Environmental for collection service, as well as other relevant data such as contractual agreements or other relevant information.

Throughout the project, we believe the execution of bi-weekly status meetings and project coordination will be performed to ensure the timely completion of the study.

Task 2 – Forecast of the Customer Collection Requirements – This task will include identifying current collection customer billing statistics, service levels, and waste generation requirements for both residential and commercial customers. The current collection of customer requirements will then be forecasted based on population and residential and commercial growth assumptions developed with input by City staff.

Task 3 – Financial Forecast Model and Cost Estimating – This task develops a financial forecast model for residential and commercial customers encompassing a seven (7) to ten (10) year period to capture life-cycle costs of vehicles and maintenance expenses and mirror the duration of a typical franchise collection agreement for comparison. This task will include several key steps to determine the projected cost of in-housing operations as follows:

1. Identify the realistic timeline for service transition and transition costs;
2. Based on the required number of vehicles develop cost assumptions for the acquisition of collection vehicles, containers, and other necessary capital or equipment to provide service (e.g., staffing uniforms, communication equipment, etc.);
3. Based on personnel identified, develop salary and benefits costs;
4. Forecast estimated life-cycle maintenance and replacement costs for vehicles and equipment (e.g., Confirm In-house or Contracted);
5. Identify any incremental customer service and public information related costs;
6. Gather insights/feedback pertaining to new facility requirements (if needed);
 - a. For new facility requirements, determine source of funding scenarios, payback terms, and projected completion date(s);
7. Develop operating and capital cash flow projections;
8. Develop comparison of cashflow requirements among current and alternative solid waste collection operations.

Task 4 – Interactive Work Session and Presentation of Preliminary Findings – This task contemplates an on-site meeting to present findings to City staff through an interactive working session to analyze potential changes to key assumptions as requested by City staff. This working session will serve to help finalize key assumptions for the engagement and to assist in the strategic planning efforts of the City.

Task 5 – Executive Summary Report Documenting Key Findings and Presentations – This task will prepare a technical report documenting the methodology, data relied upon, assumptions, and findings of the study. This task includes a presentation of and attendance of a public council meeting or workshop to present findings of the study, including preparation of a brief power point document. This task also includes an allowance for an optional meeting(s) with City Council, and a presentation to the City Advisory Committee.

Task 6 – Rate Comparison – This task contemplates developing a fee comparison with other comparable municipalities providing in-house collection service relative to current and calculated collection rates for the City. The survey will include up to, but not limited to, six (6) entities.

LIST OF DELIVERABLES

The deliverables to be provided in this engagement include the following items:

- Data Request
- Seven to Ten Year Financial Forecast
- Rate Comparison with Other Jurisdictions
- Briefing Document (PowerPoint) to Summarize the Study
- Executive Summary Report Summarizing Study

ADDITIONAL SERVICES

Raftelis is a full-service professional consultancy focusing on serving local governments. Raftelis has expertise and capabilities in the following areas:

Finance

Executive services

**Strategic planning/
facilitation**

Communication

Organization

Technology

Optional services relevant to this engagement that may be of interest to the City may involve performance of a collection routing study. A collection routing study represents a geospatial analysis of the optimal collection routes to service all residential households served by the City and will consider specific service area requirements of the City to accurately estimate the necessary time and vehicles to perform the collection routes and dispose of waste at the designated facilities. A service level assessment would ensure that the proposed routes meet service level goals, such as frequency of collection and response times. This study would also identify optimal locations for necessary facilities such as a transfer station.

CITY OF LAKE WALES, FL

WATER AND WASTEWATER UTILITY REVENUE SUFFICIENCY STUDY

SCHEDULE OF DIRECT LABOR HOURLY RATES AND STANDARD COST RATES

DIRECT LABOR HOURLY RATES

Project Team Title	Direct Labor Hourly Rates [*]
Executive Vice President	\$400.00
Vice President	\$360.00
Senior Manager	\$320.00
Manager	\$285.00
Senior Consultant	\$250.00
Consultant	\$220.00
Associate	\$185.00
Administrative	\$100.00

[*] These rates will be in effect for calendar year 2024 and will then increase annually by 3 % unless specified otherwise by contract.

[**] For services related to the preparation for and participation in deposition and trial/hearing, the standard billing rates listed above will be increased by an amount up to 50%.

STANDARD COST RATES

Expense Description	Standard Rates [*]
Mileage Allowance – Personal Car Use Only	IRS Standard Mileage Rate
Reproduction (Black and White) (In-House)	\$0.05 per Page
Reproduction (Color) (In-House)	\$0.25 per Page
Reproduction (Contracted)	Actual Cost
Computer Time	\$0.00 per Hour
Telephone Charges	Actual Cost
Delivery Charges	Actual Cost
Lodging / Other Travel Costs	Actual Cost
Meals	Not-to-Exceed per Employee: \$8.00 – Breakfast \$12.00 – Lunch \$25.00 – Dinner
Subconsultant Services	Actual Cost plus 5.0%
Other Costs for Services Rendered	Actual Cost

[*] Standard cost rates effective twelve months after the date of execution of the Agreement; where applicable, rates will be adjusted by not more than the net percentage change (but not less than 0%) in the Consumer Price Index – Urban Consumers per annum (rounded to the nearest dollar) or as mutually agreed between parties for invoices rendered after each anniversary date of each year thereafter until project completion or termination of the Agreement between the parties. Any Standard Rate adopted by policy by Client will be substituted for the rates shown above.

MEMORANDUM

February 17, 2026

TO: Honorable Mayor and City Commission

VIA: James Slaton, City Manager
Sarah B. Kirkland, Public Works Director

FROM: Nancy C Hernandez, Public Works Operation Manager

SUBJECT: Stormwater Equipment Acquisition – Combination Sweeper with Vacuum-Assisted Capability

SYNOPSIS: Staff is requesting authorization to procure a combination street sweeper equipped with vacuum-assisted (vactor-style) storm drain cleaning capabilities to enhance the City's stormwater response capacity.

STAFF RECOMMENDATION

Staff recommends the City Commission consider taking the following action:

1. Authorize the City to piggyback the Florida Sheriffs Association cooperative purchasing contract (FSA Bid No. FSA23-EQU21.0) for the acquisition of equipment.
2. Authorize the City to proceed with the purchase of a combination sweeper through Container Systems & Equipment Co., Inc., utilizing the cooperative contract.
3. Authorize the City Manager to execute all necessary agreements and related documents on behalf of the City.

BACKGROUND

The City of Lake Wales currently relies on a contracted vendor for routine street sweeping services. While effective for scheduled maintenance, contracted services are limited in their ability to respond immediately during storm events, emergency flooding conditions, or situations requiring subsurface storm drain cleaning.

Traditional street sweepers operate primarily at the surface level. In contrast, a combination sweeper with vacuum-assisted capability allows for the removal of debris and obstructions below storm drain grates and inlets—an essential function during heavy rainfall events when rapid debris removal can significantly reduce localized flooding risks.

As the City continues to strengthen its internal stormwater operations, staff has identified this equipment as a strategic asset that would allow Public Works to respond more quickly during storm events, support emergency operations, and reduce reliance on delayed or unavailable contracted services during critical periods.

This equipment is not intended to replace the City's existing sweeping contract. Rather, it would be deployed selectively for emergency response, post-storm cleanup, and targeted drainage maintenance where immediate action is required.

FISCAL IMPACT

Staff evaluated multiple acquisition options, including outright purchase and vendor-provided financing, and determined that a municipal lease through Bancorp best balances fiscal impact, cash preservation, and long-term asset ownership.

Contract Extension Amendment

Contract FSA23-EQU21.0: Equipment

Extension Term: October 1, 2025, through September 30, 2026

The Terms and Conditions of this Contract allow for modification via contract addenda as provided for in Section 1.23. The effective dates of the original contract term for FSA23-EQU21.0 are October 1, 2023, through September 30, 2025. The Florida Sheriffs Association (FSA) shall extend this contract for an additional one (1) year term from October 1, 2025, through September 30, 2026. The Terms and Conditions remain in effect for the contract extension term. Items and pricing may be updated in accordance with Sections 3.05 and 3.06 of the Terms and Conditions.

FSA is amending the original contract to reflect the following modifications:

- Modify the contract number to FSA23-EQU21.1, which reflects the extension; and
- Amend Section 1.03 to recognize the term of the contract extension.

Section 1.03 is amended to include the following language:

1.03 TERM OF CONTRACT

The FSA elected to renew the contract and extend the term of the contract for another twelve (12) months. The contract extension term will begin October 1, 2025, and end September 30, 2026.

For questions regarding this contract extension, please email Sarrah Carroll at scarroll@flsheriffs.org.

Notice of Final Award FSA23-EQU21.0: Equipment

Date: October 1, 2023

To: Bidders and Purchasers

From: Hugh Oliver, Cooperative Purchasing Program Manager

Re: Notice of Final Award for FSA23-EQU21.0: Equipment

Florida Sheriffs Association (FSA) has completed its 21st year of the cooperative purchasing equipment contract. FSA is issuing the Notice of Final Award for contract FSA23-EQU21.0: Equipment that will be effective from October 1, 2023, through September 30, 2025. This year's bid included 453 items. The contract will offer construction, material handling, transportation, all-terrain and utility vehicles, and grounds care equipment.

The competitive process for this award began in May 2023, when stakeholders were surveyed regarding procurement needs. Items were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement for the Invitation to Bid was published in the Florida Administrative Weekly, as well as the State of Florida's Office of Supplier Diversity and the FSA websites. On May 5, 2023, a direct notification was sent to 716 prospective bidders to participate in a voluntary bidder workshop. The ITB advertisement resulted in 149 pre-bid attendees or waivers. Of these respondents, 85 submitted bids and 78 qualified. FSA has identified intended awardees in the attached Final Award Report. The Final Award Report shows up to three lowest bidders per item, per zone.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions for this procurement. Bidders that become awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract pricing will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida, or to other entities approved by manufacturers to buy from this contract, which can include out-of-state sales. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturer's agreement. All purchasers are bound by state law, local ordinances, rules, and regulations for purchases made under this contract.

FSA23-EQU21.0: Equipment

Contract Renewal

October 1, 2025, through September 30, 2026

The Terms and Conditions of this contract allow for modification via contract amendment as provided for in Section 1.23. The effective dates of the contract term for FSA23-EQU21.0 are October 1, 2023, through September 30, 2025. Per Contract Terms and Conditions, Section 3.05, the contract may be renewed by mutual agreement, initiated at the discretion of the FSA (Florida Sheriffs Association), for up to two additional one-year terms on a year-to-year basis. The Florida Sheriffs Association Cooperative Purchasing Program seeks to renew FSA23-EQU21.0 for a one-year term. The contract term will extend from October 1, 2025, through September 30, 2026.

Please sign and return this contract renewal acknowledgment prior to May 31, 2025.

Any vendor not in agreement may opt out of the extra contract term before September 30, 2025.

For questions regarding this contract extension, please email Sarrah Carroll at scarroll@flsheriffs.org.

October 1, 2025, through September 30, 2026

The Terms and Conditions of this contract allow for modification via contract amendment as provided for in Section 1.23. The effective dates of the contract term for FSA23-EQU21.0 are October 1, 2023, through September 30, 2025. Per Contract Terms and Conditions, Section 3.05, the contract may be renewed by mutual agreement, initiated at the discretion of the FSA (Florida Sheriffs Association), for up to two additional one-year terms on a year-to-year basis. The Florida Sheriffs Association Cooperative Purchasing Program seeks to renew FSA23-EQU21.0 for a one-year term. The contract term will extend from October 1, 2025, through September 30, 2026.

Please sign and return this contract renewal acknowledgment prior to May 31, 2025.

Any vendor not in agreement may opt out of the extra contract term before September 30, 2025.

For questions regarding this contract extension, please email Sarrah Carroll at scarroll@flsheriffs.org.

Contract Amendment FSA23-EQU21.0: Equipment Addition of Repair and Replacement Parts

The Terms and Conditions of this Contract allow for modification via contract amendment as provided for in Section 1.23. Per Contract Terms and Conditions, Section 3.04, the FSA CPP reserves the right to add or delete any items from the contract when deemed to be in the best interest of FSA and purchasers, at its discretion.

FSA is amending the original contract to add a new section to Section 3.0 – General Conditions:

3.26 – REPAIR AND REPLACEMENT PARTS

FSA authorizes awarded vendors to sell repair and replacement parts. Parts and components pricing must include the administrative fee. If a vendor wishes to offer parts under this contract, the vendor must provide a price list to FSA and offer a discount below MSRP or list price for parts and components.

Vendors may provide pricing by submitting a parts pricing sheet to cpp@flsheriffs.org. Vendors are encouraged, but not required to use the template.

Items listed below are required for the submission of the pricing sheet:

- *Description*
- *MSRP or List Price discount percentage*
- *Exceptions to discount provided*
- *Quantity discounts*

Please sign and return this Contract Amendment along with a completed pricing sheet. Awarded vendors who do not respond will not be authorized to sell parts until FSA CPP receives a completed Contract Amendment Acknowledgement and a parts pricing sheet.

For questions regarding this contract amendment, please email Hugh Oliver at holiver@flsheriffs.org.

☒ Yes, we wish to offer parts. Please see our completed pricing sheet.

☐ No, we do not wish to offer parts.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

1.0 GENERAL CONDITIONS

1.01 BID CORRESPONDENCE

All correspondence regarding this bid should be directed to the Florida Sheriffs Association, "FSA". Please be sure to reference the bid number and title and provide your contact information. Communication for this Invitation to Bid should be identified by contract number and title and directed to:

Florida Sheriffs Association
Attn: Cooperative Purchasing Program Coordinator
2617 Mahan Drive
Tallahassee, FL 32308
E-mail: CPP@flsheriffs.org

1.02 PURPOSE

The Florida Sheriffs Association invites interested Bidders, including manufacturers and dealers or authorized representatives to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish contracts with manufacturers and manufacturer's authorized dealers for contract terms specified under Section 1.03 for the purchase of items on a "no trade-in basis."

1.03 TERM OF CONTRACT

The term for Contracts FSA23-VEL31.0 Pursuit, Administrative and Other Vehicles and FSA23-VEH21.0 Heavy Trucks and Buses shall remain in effect for one year from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of these contracts begins October 1, 2023, and ends September 30, 2024.

The term for Contract FSA23-EQU21.0 Equipment shall remain in effect for two years from date of contract execution by the FSA, and may be extended by mutual agreement, at the sole option and discretion of the FSA. The initial term of this contract begins October 1, 2023, and ends September 30, 2025.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 JURISDICTION

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. Venue shall lie in the appropriate court in and for Leon County, Florida.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

The Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any Bidder in responding to this solicitation.

1.06 FUNDING

In the case of certain purchasers, including state agencies, funds expended for the purposes of the contract must be appropriated by the Florida Legislature, the individual participating agency or the agency's appropriating authority for each fiscal year included within the contract period. For such agencies, their performances and obligations to pay for products or services under any resulting contract, or purchase order, are contingent upon such an annual appropriation by the Legislature, individual agency or by the appropriating authority. Therefore, any contract or purchase order with such an agency shall automatically terminate without penalty or termination costs in the event of non-appropriation.

1.07 CURRENCY

All transaction amounts, bids, quotes, provisions, payments or any part of this contract relating to currency are to be made in United States Dollars.

1.08 GENERAL DEFINITIONS

The terms used in this contract are defined as the following:

- A. **Base Specification:** Written descriptions of the minimum requirements for each item or item group developed by the FSA CPP for Bidders to bid on. These item requirements may be unique to FSA CPP and require additional components to the manufacturer's standard item.
- B. **Bid System:** The online forum used for the submission of bids and review of bid results for the specifications connected to this Invitation to Bid. VendorLink is the software used for this bid.
- C. **Bidder:** A bidder or enterprise that submits a formal bid to the Florida Sheriffs Association Cooperative Purchasing Program in accordance with the Florida Sheriffs Association Cooperative Purchasing Program Terms and Conditions. A bidder, that is not the manufacturer, must be authorized by the manufacturer to market and sell an item for which they are bidding.
- D. **Build sheet:** A document from the Bidder that confirms that the item submitted by Bidders meets or exceeds the FSA CPP Base Specification. Build sheets include, but are not limited to, the factory options list and door data plate information for vehicles that include details such as engine size and transmission, paint codes, production date, axle code, etc.
- E. **Dealer:** An enterprise authorized by the manufacturer to market, sell, provide, and service the items for the Florida Sheriffs Association Cooperative Purchasing Program. Dealers may be Vendor-owned and controlled, in whole or in part, or independently owned and controlled.
- F. **End User:** A term used to distinguish the person who ultimately uses or is intended to use a product or for whom a product is designed for use.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

- G. **Factory:** Refers to the manufacturer produced products.
- H. **Fleet Advisory Committee (committee):** An employee of a sheriff's office or other local governmental agency, or person who FSA CPP identifies as a subject matter expert who assists with the development of bid specifications and evaluation of bid responses. The committee makes recommendations to the FSA CPP and is not responsible for final awards.
- I. **Florida Sheriffs Association Cooperative Purchasing Program (FSA CPP):** The entity that administers the Invitation to Bid and contract administration functions for the resulting contract(s).
- J. **Invitation to Bid:** A competitive solicitation and award process established through the issuance of an invitation to Bidders, vendors, dealers and manufacturers to submit a price offer on a specific product to be provided. This term shall include the Bid Specifications available to Bidders on the Bid System and references to solicitation documents. The term shall not include requests for proposals, requests for quotes, requests for letters of interest, or the solicitation of purchase orders based on oral or written quotations.
- K. **Manufacturer:** The original producer or provider of items offered on this contract.
- L. **Manufacturer's Suggested Retail Price (MSRP):** Manufacturer's Suggested Retail Price (MSRP) represents the Manufacturer's recommended retail selling price, list price, published list price, or other usual and customary price that would be paid by the purchaser. The following are acceptable sources of current MSRPs and MSRP Lists for use in submission of the bid solicitation and the resulting contract:
 - a. Manufacturer's Computer Printouts
 - b. Chrome Systems, Inc.'s PC Carbook Plus and PC Carbook Fleet Edition
 - c. Manufacturer's Annual U.S. Price Book
 - d. Manufacturer's official website
- M. **Non-Scheduled Option:** Any optional new or unused component, feature or configuration that is not included or listed in the Base Specifications or options provided by the Vendor.
- N. **Production Cutoff:** A date used by manufacturers to notify vendors and dealers that the manufacturer has reached maximum capacity for orders or are discontinuing the production of an item. Vehicle manufacturers use this term when referring to any given model year for production.
- O. **Published List Price:** A standard "quantity of one" price currently available to government and educational purchasers, excluding cooperative or volume discounts.
- P. **Purchase Order:** A request for order from a purchaser to an awarded Vendor for an item that has been awarded on this contract. Purchase Orders placed using this contract formalize the terms and conditions of this contract under which a Vendor furnishes items to a purchaser.
- Q. **Purchaser:** A purchaser is an entity that seeks to obtain items awarded on this contract by meeting the eligible user criteria.
- R. **Qualification Packet:** This document contains the required forms, attestations, authorizations, and organizational information needed by Bidders to submit a successful and complete bid.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

- S. Terms & Conditions: This document, which serves as the governing Invitation to Bid and contract for the identified FSA CPP Invitation to Bid and resulting contract(s). Standard regulations, processes, procedures, and compliance requirements are identified herein. Bidders complete a qualification packet during the bid process indicating they agree to comply with the Terms & Conditions, and that this will serve as a contract for both parties, should the Bidder(s) receive award.
- T. Third Party Supplier: Businesses external to a Bidder or Vendor that provide products and services which contribute to the overall finished item in this contract. Third Party Suppliers are contractors under the direction and responsibility of the Bidder or Vendor.
- U. Vendor: The Bidder(s) that receive award, who agree to provide the contract items that meet the requirements and Base Specifications of the contract. The Vendor must agree to the Terms & Conditions, which will serve as the governing contract. If the Vendor is not the manufacturer, the Vendor must be authorized by the manufacturer to market, sell, provide, and service all awarded items.
- V. Vendor Installed: A product or service provided by the Vendor or other third party; not the factory.

1.09 ELIGIBLE PURCHASERS OF CONTRACT

Awarded bid contract prices, will be extended and guaranteed to the Florida Sheriffs Association, any unit of local government, political subdivision or agency of the State of Florida. This includes, but is not limited to counties, municipalities, sheriffs' offices, clerks, property appraisers, tax collectors, supervisors of elections, school boards or districts, water management districts, other special districts, police and fire departments, emergency response units, state universities and colleges, or other state, local or regional government entities within the State of Florida. Eligible purchaser also includes all Eligible Users as defined in F.A.C. 60A-1.001(2).

All purchasers are bound by applicable Federal and State law, local ordinances, rules and regulations for purchases made under this contract. Participating agencies cannot guarantee any order other than those ordered by the individual agency.

In addition, awarded bids can be extended and guaranteed to other entities, which can include out-of-state sales, in accordance with Vendors' individual manufacturers' agreements. Vendors that wish to extend contract pricing to entities other than those defined here are governed by their manufacturers' agreements and must agree to the Terms & Conditions.

1.10 LEGAL REQUIREMENTS

Federal, State, and local laws, ordinances, rules and regulations, including any applicable motor vehicle dealer laws, that in any manner affect the items covered herein apply. Lack of knowledge by the Bidder of applicable legal requirements will in no way be a cause for relief from responsibility.

Bidders have the option to certify that they are willing to accept purchase orders funded in whole or in part with federal funds. By opting in, Bidders certify that they are willing to comply with the requirements outlined in Appendix D upon receipt of a federally funded purchase order. This is not a requirement of the Invitation to Bid or contract. Bidders are not required to opt-in; however, they are required to indicate whether they will opt-in or opt-out of receiving federally funded purchase orders. FSA CPP has taken actions to provide and develop information, materials, and resources for Bidders, Vendors and purchasers that will assist in the use of federal funding with this

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

contract. It is the responsibility of the purchaser to determine compliance for each Vendor, if they wish to use federal funds for purchase or intend to request reimbursements using federal funds.

1.11 PATENTS & ROYALTIES

The Bidder/Vendor, without exception, shall indemnify and hold harmless the Florida Sheriffs Association (FSA) and its employees from liability of any nature or kind, including costs and expenses for, or on account of, any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the FSA or a purchaser.

If the Bidder/Vendor uses any design, device or materials covered by letters, patent, or copyright, it is mutually understood and agreed, without exception, that the bid prices shall include all royalties or costs in any way arising, directly or indirectly, from the use of such design, device, or materials in any way involved in the work.

1.12 FEDERAL AND STATE STANDARDS

It is the intent of FSA CPP that all specifications herein are in full and complete compliance with all Federal and State of Florida laws, requirements, and regulations applicable to the type and class of commodities and contractual services being provided.

In addition, any applicable Federal or State legal or regulatory requirements that become effective during the term of the Terms & Conditions, regarding the items and services specifications, safety, and environmental requirements shall immediately become a part of the Terms & Conditions. The Vendor shall meet or exceed any such requirements of the laws and regulations. If an apparent conflict exists, the Vendor shall contact the FSA CPP immediately.

1.13 UNDERWRITERS' LABORATORIES

Unless otherwise stipulated in the bid, all manufactured items and fabricated assemblies shall be Underwriters' Laboratories, or U.L., listed or re-examination listing where such has been established by U.L. for the item(s) offered and furnished.

1.14 AMERICANS WITH DISABILITIES ACT

To request this material in accessible format, sign language interpreters, information on access for persons with disabilities, or any accommodation to review any document or participate in any FSA sponsored proceeding, please contact FSA Human Resources at (850) 877-2165 five business days in advance to initiate your request. TTY users may also call the Florida Relay Service at 711.

1.15 REASONABLE ACCOMMODATION

In accordance with the Title II of the Americans with Disabilities Act, any person requiring an accommodation because of a disability at the bid opening must contact the FSA Human Resources at (850) 877-2165.

1.16 DISADVANTAGED BUSINESSES

As part of the solicitation process FSA CPP makes information publicly available to potentially qualified entities, and conducts additional outreach to qualified:

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

- Small businesses,
- Minority-owned small businesses,
- Women-owned small business enterprises, and
- Disadvantaged business enterprises.

FSA CPP takes necessary affirmative steps to ensure that minority businesses, women's business enterprises, and labor surplus area firms are used, when possible, as recommended by 2 C.F.R. § 200.321. FSA CPP will:

- Evaluate whether small, minority, and women's businesses are potential sources,
- Place those qualified small and minority businesses and women's business enterprises on solicitation lists, and
- Search the Small Business Administration, Minority Business Development Agency, and Labor Surplus Area reports for additional potential sources.

Bidders self-certify in the qualification packet whether they meet the state and federal definitions of a small business, minority-owned small business, women-owned small business enterprise, and disadvantaged business.

1.17 ANTI-DISCRIMINATION

The Bidder certifies that they are in compliance as applicable by federal or state law with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375, relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin.

1.18 BEST COMMERCIAL PRACTICES

The apparent silence or omission of any description from the specifications shall be regarded as meaning that only the best commercial practices, size, and design are to be used. All workmanship is to be first quality. All interpretations of this specification shall be upon the basis of this statement.

1.19 PUBLIC ENTITY CRIMES (PEC)

In accordance with the Public Entity Crimes Act, Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list maintained by the State of Florida Department of Management Services following a conviction for public entity crimes may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a vendor, supplier, sub-vendor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.20 TAX EXEMPTION

Purchasers making a purchase pursuant to the awarded bid are generally exempt from Federal Excise and State Sales Tax. It is the responsibility of the Vendor to verify that the purchaser is exempt by obtaining the purchaser's Federal Excise and State Taxes and Use Certificate Number.

The Florida Sheriffs Association is a 501(c)3 organization and is exempt from all Federal Excise and State Taxes. The FSA State Sales Tax and Use Certificate Number is 85-8012646919C-3.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

1.21 ORDER OF PRECEDENCE IN THE EVENT OF CONFLICT

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

- Addenda to Contract Terms & Conditions, if issued
- Contract Conditions
- General Conditions
- Addenda to Bid Specifications, if issued
- Bid Specifications
- Bidder Instructions

1.22 COMMUNICATIONS

Communications between a Bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the FSA CPP Staff.

Bidders should not rely on representations, statements, or explanations other than those made in this Invitation to Bid or in any written addendum to this Invitation to Bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or eligible users.

1.23 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA CPP by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA CPP website on the date indicated on the Bid Calendar. Questions received during the cone of silence date listed on the bid calendar will not be addressed, except as provided herein.

Interpretation of the specifications or any solicitation documents will **not** be made to the Bidder verbally, and if any verbal clarifications are provided, they are without legal effect. FSA CPP will make every attempt to e-mail updates to registered Bidders. However, posting to the FSA CPP website or the Bid System constitutes proper notice of addenda.

The FSA CPP shall issue a Formal Addendum if substantial changes that impact the submission of bids are required. Any such addenda shall be binding on the Bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent Formal Addenda shall govern over prior Formal Addenda only to the extent specified. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a Formal Addendum.

The bid submission constitutes acknowledgment of addenda to the Bid Specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, the FSA CPP may waive this requirement when in its best interest.

After the start of the contract term, FSA CPP will notify all Vendors of any addenda and will require acknowledgement of the new terms and conditions. If the Vendor does not agree to the new terms and conditions, the Vendor's award can be removed or replaced by another Vendor or qualified responsive bidder.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

1.24 SIGNED BID CONSIDERED AN OFFER

The signed bid shall be considered an offer on the part of the Bidder, which offer shall be deemed accepted upon approval by the FSA CPP. The bid submission must be signed by an authorized representative. Submission of a bid in the FSA CPP Bid System constitutes a signed bid for purposes of bid evaluation. An electronic signature may be used and shall have the same force and effect as a written signature.

1.25 ASSIGNMENT OF CONTRACT

No right or interest in this contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA CPP.

If the original Vendor sells or transfers all assets or the entire portion of the assets used to perform this contract, a successor-in-interest must perform all obligations under this contract. FSA CPP reserves the right to reject the acquiring entity as Vendor. A change of name agreement will not change the contractual obligations of the Vendor.

In the event a manufacturer reassigns the product line to an alternate company, the Vendor is required to notify the FSA CPP in writing of the change within 10 business days of the reassignment. If the Vendor is not already an approved FSA CPP Vendor, the alternate company is required to submit a Qualifications Packet to the FSA CPP to become an approved Vendor prior to conducting any qualified sales. FSA CPP may approve such assignments of existing or new vendors at its discretion. The Vendor is required to honor the contract pricing and all of the applicable Terms & Conditions throughout the remaining term of the contract.

1.26 TERMINATION OF PRODUCT LINE

If a Vendor terminates a product line (manufacturer or brand), the Vendor is required to notify the FSA CPP within 10 business days of the decision not to retain the product line. FSA CPP may remove the terminated products from the contract.

1.27 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well-established company in line with the best business practices in the industry and as determined by the FSA CPP.

The FSA CPP may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance with the FSA CPP in making the award.

FSA CPP may inspect the Bidder's facility prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services described in this Invitation to Bid.

Information submitted in the bid may not be plagiarized and, except in the case of materials quoted from this solicitation or developed by the manufacturer, must be the original work of the individual or company that submits the bid for evaluation.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

1.28 VENDOR ABILITY TO PERFORM

The FSA CPP may require Bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier, which is the actual source of supply. In these instances, the FSA CPP may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

During the contract period, FSA CPP may review the Vendor's record of performance and may require submission of supporting documentation to ensure that the Vendor is providing sufficient financial support, equipment and organization.

If the FSA CPP determines that the Vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the contract.

By responding to this Invitation to Bid, the Vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Vendor's ability to satisfy the obligations of a resulting contract. The Vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. The Vendor shall immediately notify the FSA CPP and purchaser in writing if its ability to perform is compromised in any manner during the term of the contract.

1.29 FINANCIAL RESPONSIBILITY

Bidder affirms by the submission of the bid and by signature on the contract signature form that the Bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid and has adequate facilities and personnel to fulfill such requirements.
- Accepts the financial responsibility associated with this bid and declares that they have the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award.
- Has assessed the financial responsibility required to serve the contract as bid, including such details as the obligations to perform all items bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.30 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest-grade workmanship that meet or exceed federal safety standards.

Items requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the Vendor must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

1.31 NONCONFORMANCE

Items may be tested for conformance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the Vendor's expense.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with Vendor.

1.32 GRATUITIES

Bidders shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid. Bidders shall disclose in writing any conflicts of interest to FSA prior to any award, or as soon as practicable after learning of any such conflict, including any contractual or employment relationships with FSA or potential purchasers of Bidders' products or services.

1.33 TIE BIDS

FSA CPP has the right to award multiple Bidders the primary or alternate award in the event of a tie. In the event the FSA CPP desires to break tie bids, and businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder within the State of Florida
- Vendors' performance record with purchasers
- Coin Toss

1.34 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA CPP to readily identify Vendor's sales. FSA CPP and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this contract, including all government sales and eligible user information, whether kept by or under the control of the Vendor, including, but not limited to those kept by its employees, agents, assigns, successors, sub-vendors, or third-party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to purchase orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful Bidders, bid recaps, etc.);
- Original estimates, quotes, or work sheets;
- Contract amendments and change order files;
- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this contract and for a period of three (3) years after the completion of this contract. At the Vendor's expense and upon written notice from FSA CPP, the Vendor shall provide such records for inspection and audit by FSA CPP or its authorized representatives. Such records shall be made available to FSA CPP during normal business hours within three business days of receipt of the written notice. FSA CPP may select the Vendor's place of business or offsite location for the audit. The FSA CPP may also request the Vendor provide requested records via e-mail.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assigns, successors, and third-party suppliers, and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA.

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies underreporting, overpricing or overcharges (of any nature) by the Vendor to FSA or a purchaser in excess of three percent (3%) of the total contract billings, the Vendor shall reimburse FSA for the total costs of the audit not to exceed \$5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the Vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the Vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to Vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.35 LICENSES AND PERMITS

The Bidder shall obtain and pay for all licenses, permits and inspection fees for this bid submission and any resulting contract. Where Vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the Vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance.

The Bidder must, by the time of award, be registered to do business in the State of Florida on SunBiz.gov.

1.36 PERFORMANCE BONDS

Purchasers may request a performance bond from a Vendor. Performance bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.37 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or Bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.38 INDEPENDENT PREPARATION

A Bidder shall not, directly or indirectly, collude, consult, communicate or agree with any other Bidder as to any matter related to the bid each is submitting. Additionally, a Bidder shall not induce any other Bidder to modify, withdraw, submit, or not submit a bid.

Bidders or Vendors who are found to have engaged in these acts will be considered nonresponsive and will be suspended or barred from bid participation. Any contract award resulting from these acts may be terminated for

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

default. Further, any such acts detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without violating this provision if the bid submitted is not from the same manufacturer and product line. Dealers that share the same ownership may submit multiple bids without violating this provision if the Bidders are not in the same region featuring the same manufacturer and product line.

1.39 DEFAULT

In case of default on the part of Vendor, the FSA CPP may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest ranked Bidder or from other sources. A defaulting Vendor may be held liable for costs incurred by the FSA in procuring replacement products.

1.40 PROTESTS AND ARBITRATION

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA CPP within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Options are for informational purposes only and will not serve as a basis for protest. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any Bidder who files an action protesting a decision or intended decision pertaining to this contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the item being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA CPP will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful Bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA CPP within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA CPP provided at the time of filing the initial protest. Failure to provide written notice to FSA CPP, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement, the Bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.41 NONPERFORMANCE

By virtue of the bid submission, Bidder acknowledges its obligation to sell items in all zones for which it is awarded. Upon award, failure of the Vendor to comply with these requirements may result in the imposition of liquidated damages of up to \$1,000 per item, which amount the Vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA CPP's discretion.

The Vendor shall at all times during the contract term remain responsive and responsible. In determining Vendor's responsibility, the FSA CPP shall consider all information or evidence that demonstrates the Vendor's ability or willingness to fully satisfy the requirements of the Terms & Conditions.

Vendors that are not in compliance with any of the provisions of this contract can be assessed liquidated damages, suspended or terminated from the contract. The FSA CPP at its sole discretion may remove a noncompliant Vendor from future competitive bid solicitations; or take other actions including suspension from the contract until compliance issues are resolved, limit current or future vendor participation by items or zones, or other actions as determined by FSA CPP at its sole discretion.

At FSA CPP's discretion, Vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result termination from the existing contract and future competitive bid solicitations at the discretion of the FSA CPP.

In situations where there is evidence that the Vendor has engaged in egregious breaches of the contract with respect to either the FSA CPP and/or the purchaser, the contract can be terminated and the Vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA CPP.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or Vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the contract.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

Any Vendor presented with a valid Purchase Order consistent with Vendor bid quotes or other agreed upon terms and pricing is required by this contract to accept such purchase order and deliver the product. Purchase Orders must be fulfilled whether or not the Purchase Order includes options. The Vendor must deliver this product in accordance with the Terms & Conditions – regardless of whether doing so will provide the Vendor with a profit or loss.

Failure to deliver the item may result in the purchaser seeking damages for the difference of cost to issue a new Purchase Order with another Vendor plus any legal fees and damages that may be incurred in the process to facilitate a completed order. Additionally, FSA CPP may seek damages for nonpayment of administrative fees, to which FSA CPP is entitled, according to Section 3.28, and any attorney's fees incurred in the recovery of these damages.

1.42 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract, which shall remain in full force and effect and enforceable in accordance with its terms.

1.43 TERMINATION FOR CAUSE

If through any cause within the reasonable control of the Vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA CPP shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the Vendor and unless the deficiencies are corrected within 10 business days, the contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA CPP, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In the event of a termination for cause, the purchaser shall compensate the successful Bidder in accordance with the contract for all services performed by the successful Bidder prior to termination, net of any costs incurred by the purchaser and FSA as a consequence of the default.

Notwithstanding the above, the Vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the Vendor, and the FSA CPP may reasonably withhold payments to the Vendor for the purposes of offset until such time as the exact amount of damages due the FSA from the Vendor is determined.

1.44 TERMINATION WITHOUT CAUSE

The FSA CPP can terminate the contract in whole or part without cause by giving written notice to the Vendor of such termination, which shall become effective 30 calendar days following receipt by Vendor of such notice.

In the event of a termination without cause, all finished or unfinished documents and other materials shall be properly delivered to the FSA CPP.

The Vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The Vendor shall not be entitled to recover any lost profits that the Vendor expected to earn on the balance of the contract or cancellation charges.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

Any payments to the Vendor shall be only to the total extent of the purchaser liability for goods or services delivered prior to the date of notice to terminate the contract.

1.45 CONTRACT ADVERTISEMENT AND USE OF FSA LOGO

The FSA logo is an official logo of the Florida Sheriffs Association designed to promote the program. The logo may be used by Vendors in accordance with this policy. Use of the logo is limited to the original version received from the FSA. Modifications are not permitted.

Methods of use include, but are not limited to:

- Electronic mediums such as websites, digital marketing campaigns, social media and e-mail; or
- Print media such as forms, marketing campaigns, business cards, posters, banners, brochures, flyers and postcards.

Vendors may request use of the logo by contacting cpp@flsheriffs.org, and should include a brief description of how the Vendor intends to use the logo. The official FSA sheriff's star and wreath logo may not be used without prior written permission.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

2.0 BIDDER INSTRUCTIONS

2.01 QUALIFICATION

Bidders are required to complete the qualification packet as part of the bid submission. A Bidder becomes a qualified bidder if they comply with this section and Section 2.11, Mandatory Pre-Bid Meeting.

Qualification Packet information required for bid qualification include:

- Qualification form
 - Contact Information
 - Business Profile
 - References
 - Disqualifications & Defaults
 - Warranty Service Plan Attestation
 - Emergency Technician Attestation
- Compliance Attestations
 - E-Verify
 - Drug-Free Workplace
 - Workers Compensation
 - Compliance with Applicable Federal, State, and Local Laws and Ordinances
- Federal Compliance
- If willing to comply with the requirements applicable to federally funded purchase orders, Federal Compliance Certifications
 - Certification Regarding Debarment and Suspension
 - Certification Regarding Lobbying
- Contract Signature Form
- Insurance Checklist
 - Certificates of Insurance due five days prior to award

The qualification packet is located on the Bid System.

2.02 LICENSING AND FACILITIES

Bidders are required to obtain all required licenses, including any applicable motor vehicle dealer licenses, and registrations, and comply with all applicable Federal, State, and local laws and ordinances, including any applicable motor vehicle dealer laws, in order to bid on any motor vehicle.

Bidders must maintain a repair facility within the State of Florida to provide warranty service for the items bid. If Bidders do not have a facility, the Bidder must be able to assist purchasers in obtaining warranty work as authorized by the manufacturer.

If a Bidder does not maintain a facility within the State of Florida, the Bidder must have a plan as to how the Bidder would service Florida purchasers if awarded the contract. This warranty service plan must demonstrate that the warranty work will be timely and satisfactorily performed and should include:

- Whether the warranty service provider is approved by the manufacturer;
- If the Bidder plans to contract out for service, a copy of the service agreement; and
- Zone specific service plans to include:
 - Response time to initial call from purchaser,

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

- Number of personnel available to service the contract,
- Qualifications of personnel providing warranty work, and
- Any additional information that would detail how warranty service would be provided.

The sufficiency of the Warranty Service Plan may be evaluated by the FSA CPP. The FSA CPP reserves the right to request additional information from a Bidder regarding the facility during the solicitation and the term of the contract, if awarded. The FSA CPP may also exercise discretion in examining such facility as deemed necessary.

2.03 INSURANCE AND INDEMNIFICATION

Bidder/Vendor shall be fully liable for the actions of its agents, employees, partners, or third party suppliers and shall fully indemnify, defend, and hold harmless the Florida Sheriffs Association, the participating agencies, and their officers, agents, and employees from suits, actions, damages, and costs of every name and description, including legal counsels' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Bidder/Vendor, its agents, employees, partners, or third party suppliers; provided, however, that the Bidder/Vendor shall not indemnify for that portion of any loss or damages resulting directly from the negligent acts or omissions of the Florida Sheriffs Association and participating agencies or proximately caused by intentional wrongful acts or omissions of the Florida Sheriffs Association and participating agencies.

The Florida Sheriffs Association and/or participating agencies shall give the Bidder/Vendor (2) the opportunity to take over and settle or defend any such action at Bidder's/Vendor's sole expense. When reasonable, the Florida Sheriffs Association will give the Bidder/Vendor written notice of an action or threatened action. Bidder/Vendor shall not be liable for any unreasonable cost, expense or compromise incurred by the Florida Sheriffs Association, or participating agencies, in any legal action without Bidder's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed.

The Insurance Checklist summarizes the Bidder's/Vendor's insurance coverage obligations, if awarded. Certificates of Insurance, evidencing such coverages and endorsements as required herein, shall be provided no later than five (5) business days prior to the contract award date. The Vendor may not begin performance under the contract until such Certificates have been approved by the FSA CPP.

The certificate must state Bid Number and Title. FSA must be named as an additional insured for the duration of the contract.

The Vendor shall maintain comprehensive general liability insurance and general aggregate insurance in the amount and coverage levels specified on the Insurance Checklist.

The Vendor shall specifically and distinctly assume, and does so assume, all risks of damage or injury to property or persons used or employed on or in connection with the work and of all damage or injury to any person or property wherever located, resulting from any action or operation under the contract or in connection with the work. It is understood and agreed that at all times the Vendor is acting as an independent contractor. The Vendor shall be responsible for the work and every part thereof, and for all materials, tools, appliances and property of every description, used in connection with this particular contract. The Vendor at all times during the full duration of work under this contract, including extra work in connection with this contract, shall meet the requirements of this section.

The Vendor shall maintain automobile liability insurance including property damage covering all owned, non-owned, hired and scheduled automobiles, when used in connection with the delivery or service of this contract.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

The Vendor shall maintain insurance to cover garage operations in the amount specified on the Insurance Checklist when the garage is used to complete work on this contract.

All insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida and these companies must have a rating of B+ or better per the AM Best Rating.

FSA CPP required insurance coverages must be maintained through the duration of the contract. Upon expiration of the required insurance, the Vendor must email updated certificates of insurance for as long a period as any work is still in progress. No change or cancellation in insurance shall be made without 30 calendar days written notice to the FSA CPP.

It is understood and agreed that all policies of insurance provided by the Vendor are primary coverage to any insurance or self-insurance the FSA possesses that may apply to a loss resulting from the work performed in this contract. All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

The Vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries to the public and for all damages to the property per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the Vendor, his agents, servants, or employees, or through the mere existence of the project under contract.

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The Vendor will notify the insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The Vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The Vendor will secure and maintain policies of third-party suppliers. All policies shall be made available to the FSA upon demand. Compliance by the Vendor and all third-party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the Vendor and all third-party suppliers of their liabilities and obligations under any section or provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the third-party suppliers and of persons employed by them as they are for acts and omissions of persons directly employed by the Vendor.

The FSA can request, and the Vendor shall furnish proof of insurance within seven (7) calendar days of receipt of the written request from FSA. Should the Vendor fail to provide acceptable evidence of current insurance during the contract term, the FSA CPP shall have the right to consider the contract breached and justifying the

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

termination thereof. If Bidder does not meet the insurance requirements; the FSA may consider alternate insurance coverage.

2.04 SPECIFICATIONS

All items covered by this Invitation to Bid and any resulting contract, and the specifications shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the Bid System or FSA CPP item group specification.

The Base Item Specifications are contained in the FSA CPP Bid System, may be requested from FSA CPP, and are retained within FSA CPP's archive. As part of the bid submission, Bidders will be required to provide confirmation that the item bid meets the FSA CPP Base Specification. FSA CPP may reject bids that fail to provide confirmation that the item(s) bid meet the FSA CPP Bid Specifications.

FSA CPP develops the specifications with subject matter experts and publicly available information. However, FSA CPP does not have access to full details from the manufacturer and relies on Bidders to assist in this process. Bidders should immediately notify the FSA CPP of any inaccuracies in the specifications. All notifications of inaccuracies must be in writing.

If awarded a contract, Vendor(s) must offer and supply an item that either meets or exceeds all the requirements included in the applicable Bid Specifications, unless a purchaser specifically issues a Purchase Order for a base item and Option that differs from the Base Specifications. Failure of a Bidder to comply with these provisions will result in Bidders being held responsible for all costs required to bring the item into compliance with the contract specifications.

2.05 SEALED BIDS

For purposes of this solicitation, a sealed bid is considered a bid submitted using the FSA CPP Bid System.

2.06 MISTAKES

Bidders are expected to examine the Base Item specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the Bidder's risk.

2.07 EXCEPTIONS

Any requested exceptions, deviations, or contingencies a Bidder may have to the Terms & Conditions must be documented in Bidder's submission. Exceptions to the Base Specifications at the time of the bid submission shall reference the item number, make and model. FSA CPP has the discretion to grant or deny, in whole or in part, the Bidder's requested exception, deviation or contingency to the specifications or Terms & Conditions. Bidder acknowledges that the bid may be disqualified if FSA CPP rejects the proposed exceptions.

2.08 EQUIVALENTS

Prior to the opening of the Bid System, Bidders may request item equivalents. The Bidder must submit the manufacturer name and model number (or product identifier) of each equivalent requested to FSA CPP. Complete,

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

descriptive, technical literature should demonstrate that the equivalent conforms with specification. If a bid uses equivalents without prior approval, the bid may be disqualified.

2.09 MANDATORY PRE-BID MEETING

Prospective Bidders are required to attend or participate in the mandatory Pre-Bid Meeting. The Pre-Bid Meeting is designed for vendors, the Fleet Advisory Committee and the FSA CPP to clarify questions on the Terms & Conditions and to confirm all Base Item specifications. Questions relating to the items, specifications, the bid process, or award can be asked at the Pre-Bid Meeting. Bidders have the opportunity to suggest technical modifications or corrections before the Base Item specifications are finalized.

FSA CPP reserves the right to grant attendance exceptions to the mandatory meeting if the Bidder has requested authorization, agrees in writing to meet all the Terms & Conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.10 PRICES QUOTED – HEAVY TRUCKS AND BUSES AND EQUIPMENT INVITATIONS TO BID

Items and options should reflect the most complete price and be below MSRP and at a minimum should cover the cost of the item or option bid.

Prices quoted in the bid submission should reflect the final amount the Bidder can expect to receive for payment for the items bid for the duration of the contract, unless otherwise provided in the contract. Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening.

Each item, make, and model must be priced and bid separately. Prices must be inclusive of all the components included in the Base Specification.

Prices bid must include the administrative fee FSA CPP charges to administer the contract, as outlined in these Terms & Conditions. The administrative fee is three quarters of one percent (.0075).

Prices bid must be at least cost, be Free On Board (FOB) destination, and must include delivery to the purchaser.

Upon award, the Vendor has the authority to offer additional discounts based on prompt payment, quantity, as well as additional manufacturer or vendor discounts.

2.11 PRICES QUOTED – PURSUIT, ADMINISTRATIVE AND OTHER VEHICLES INVITATION TO BID

Due to the changing market conditions, the FSA CPP has temporarily moved to a percent above cost, or “cost-plus”, model for the Pursuit, Administrative and Other Vehicles Contract. The cost-plus model allows for Vendors to sell items immediately when order windows open up for next year’s model, when the manufacturer changes price during the contract term, or when new items come to market.

Bidders shall provide a Bid Price and a Percent for each item bid. The Bid Price will be used to evaluate the lowest, responsive and responsible Bidder for each item and zone. The Percent will be used under an awarded contract to determine the cost-plus pricing for new year’s models, when the manufacturer changes price during the contract

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

term, or when new items come to market. The FSA CPP will use the percent feature of the Bid System as the field to capture the percent above cost that the Vendor can expect to receive from the purchaser for the purchase of an awarded item.

The FSA CPP has the discretion to disqualify Bidders if the proposed Percent is excessive. In order to determine if Percent is excessive, FSA will compare the Percents proposed by Bidders for each item in each zone.

Prices and Percents bid for items and options should reflect the most complete item price, be below MSRP, and at a minimum should at least cover the cost of the item or option bid.

Prices and Percents bid must be at least "Item Cost", be Free On Board (FOB) destination, and must include delivery to the purchaser.

As used in this provision, "Item Cost" is defined as the factory invoice price for the item, the Original Equipment Manufacturer (OEM) destination and delivery to dealer, and the FSA Administrative fee, minus the OEM government pricing concessions specific to this bid, all manufacturer incentives, discounts, rebates, concessions and holdbacks.

As used in this provision, "Total Cost" is defined as the Item Cost, plus costs of dealer's floorplan estimated operational expense, and costs of dealer for preparation, cleaning, and assembling, gas, and delivery to zone.

As used in this provision, "Bid Price" is defined as the Total Cost and profit.

As used in this provision, "Percent" is defined as the markup over Item Cost.

Bid Prices will be used as the initial publish pricing for awarded items. As windows open up for next year's model, the manufacturer changes price during the contract term, or as new items come to market, FSA CPP will work with Vendors to update the published pricing for such items based on the awarded Percent, within a reasonable period of time. Vendors may accept Purchase Orders for such items in accordance with these Terms & Conditions before submitting updated published pricing to FSA CPP.

2.12 PURSUIT, ADMINISTRATIVE, AND OTHER VEHICLES CONTRACT COST-PLUS-PERCENT PRICING

Due to the changing market conditions, the FSA CPP has temporarily moved to a percent above cost, or "cost-plus", model for the Pursuit, Administrative and Other Vehicles Contract. The cost-plus model allows for Vendors to sell items immediately when order windows open up for next year's model, when the manufacturer changes price during the contract term, or when new items come to market.

The Bid System provides each Vendors' percent above cost at which the Vendor will sell such items. The Percent provided in the Bid System does not provide a percent discount for items bid.

If Vendor fulfills a Purchase Order at other than published pricing, at purchasers' request, Vendor must provide documentation substantiating the Item Cost, as defined in section 2.11.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

2.13 OPTION PRICING – EQUIPMENT INVITATION TO BID

The Bidder shall offer discount below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for any factory options included in the bid submission and quotes to purchasers, if awarded. FSA CPP requests Vendors include most frequently purchased scheduled, factory and aftermarket options in the bid.

Options are intended to add or delete equipment or features from the Base Specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms & Conditions by a purchaser. Bidders shall NOT use options to create equipment that is entirely different than the FSA CPP Base Specification or are available as another specification bid on this Invitation to Bid.

Bidder must use proper factory codes for all factory options. Options available through the factory may be bid and supplied to purchaser as "factory" options, unless otherwise requested in writing by the purchaser.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive or if options listed are not available for the item bid. In order to determine if pricing is excessive, Bidders agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the contract term. This information is for comparison purposes only when determining if pricing is excessive and will not be published.

Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately within the bid. For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet upload in the Bid System. Section 2.15 contains specific instructions and exceptions for Emergency Lights and Sirens.

If a Bidder will offer registration and title services as a fee for service, the Bidder must include the administrative fee as a separate option (i.e., line item) for each item bid. See Section 3.21 for additional details. Government imposed fees should not be included in this option pricing.

No other additional charges or fees are admissible.

If options are not available as a stand-alone option, the Bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part or dependent of another option. Factory package options are allowable under this contract. Factory package options must be included in the options within the bid document and detailed specifically as to what components the package includes.

When calculating the price for a manufacturer's option requested in this bid that is not listed as an option in the manufacturer's order guide (i.e., model or engine upgrade), the Bidder must calculate the option price as the net difference between vendor cost on the representative base vehicle and the total MSRP of the requested option modifying the vehicle. A Bidder may bid less than this price, but at no time charge more than the calculation provided here.

The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the written Base Specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP.

Example: Bidder CANNOT include option upgrades that result in the selling of a vehicle or truck on one specification that is offered as a separate specification in

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

the Invitation to Bid. For example, a Vendor who is awarded the bid for 25,500 lb. GVWR Cab & Chassis cannot upgrade this item through an add option to a 30,000 lb. GVWR Cab & Chassis in order to circumvent the bid award winner for the 30,000 lb. GVWR Cab & Chassis.

Purchasers are encouraged to negotiate option pricing with Vendors. Discounts can be provided beyond option prices listed in the contract. The additional discounts for each add option shall be decided by the Vendor.

The options will correspond to the specification or item number. Multiple options may be listed for each specification or item number bid. Therefore, Bidders that do not indicate the correct item number with the option information bid will not have options displayed for the item bid. If option pricing is not uploaded correctly, FSA CPP may require Bidders to correct the formatting of the options, but pricing may not be modified. Failure of the Bidder to make corrections may cause the bid to be rejected.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA CPP Base Specification, the Bidder should include the word "Credit" at the beginning of the description and continue to describe the option being credited. For example, "Credit: one key fob" that corresponds with the price the Bidder will credit the purchaser.

Loose Equipment can be bid as an option and made available to purchasers for items originally purchased from this contract. For purposes of this provision, "Loose Equipment" is any item of equipment that attaches to the heavy equipment item(s) included in the awarded bid, such as different sized blades. Loose Equipment does not include accessories, such as additional keys.

2.14 OPTION PRICING – HEAVY TRUCKS AND BUSES AND PURSUIT, ADMINISTRATIVE AND OTHER VEHICLES INVITATIONS TO BID

FSA CPP requests Bidders include most frequently purchased options in the Bid System. Option pricing must include the administrative fee. Bidders must provide a price for each option in addition to a percent below MSRP for factory-installed options or a percent above cost for other options.

The FSA CPP has the discretion to disqualify Bidders if the option pricing is excessive. In order to determine if pricing is excessive, Bidders agree to provide documentation to FSA CPP to verify cost at any time during the solicitation process or during the contract term. This information is for comparison purposes and will not be published.

Options are intended to add or delete equipment or features from the Base Specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Options may only provide a downgrade to a manufacturer's model when specifically requested in a Purchase Order issued in accordance with the Terms & Conditions by a purchaser. Bidders shall NOT use options to create an item that is available as another item bid on this Invitation to Bid. The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the Base Specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA CPP. Bidders must disclose which options require the purchase of other options or are dependent on another option in their bid submission. Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately.

Bidder must use proper manufacturer codes for factory options. Options available through the factory should be bid and supplied to purchaser as factory options, unless otherwise requested in writing by the purchaser. Factory

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

package options are permitted under this contract. Factory package options included in the bid submission must detail what components the package includes.

If a Bidder will offer registration and title services as a fee for service, government-imposed fees should be listed at the exact cost and shall not include the FSA administrative fee.

If the Bidder wishes to offer credit to the purchaser for an option that is standard on the FSA CPP Base Specification, the Bidder should include the word "Credit" at the beginning of the description field and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the Bidder will credit the purchaser.

For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet and option upload in the Bid System. Section 2.15 contains specific instructions and exceptions for Emergency Lights and Sirens.

2.15 EMERGENCY LIGHTS AND SIRENS

Under Florida Statute 316.003(1), authorized emergency vehicles are defined as:

Vehicles of the fire department (fire patrol), police vehicles, and such ambulances and emergency vehicles of municipal departments, public service corporations operated by private corporations, the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, the Department of Health, the Department of Transportation, and the Department of Corrections as are designated or authorized by their respective departments or the chief of police of an incorporated city or any sheriff of any of the various counties.

Bidders that will provide or contract to provide emergency light and siren installation must only use installers that possess a current Emergency Vehicle Technician Certification, or an approved equivalent. FSA CPP may request certificates for a Vendor's installers at any time during the contract term. Labor may be charged for the installation of emergency lights and sirens. Labor rates must be disclosed as part of the bid submission. Bidders may not charge for labor for vehicles that are manufactured with emergency lights and sirens, including motorcycles. Prices submitted for emergency lights and sirens shall include all applicable government-imposed fees.

Bidders that install emergency lights and sirens are required to provide and install products that are Society of Automotive Engineers (SAE) certified. SAE Certifications must include Class 1, Class 2 and Class 3 in order to be eligible for participation in the contract. If a lighting or siren product installed on an emergency vehicle is not SAE Certified, the Vendor can be found in default of the contract.

Bid Submission of Emergency Lights and Sirens

If offering emergency lights and sirens, Bidders will be asked to provide pricing by submitting a pricing sheet. An emergency vehicle lights and siren option pricing template is offered in the Bid System. Bidders are encouraged, but not required to use the template. If item or specification group is helpful to display light and siren options, Bidders may categorize the pricing sheet by item group.

Items listed below are required for the submission of the pricing sheet:

- Order code
- Description
- Price (part only)

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

- Estimated labor hours
- Labor cost per hour

2.16 BID SUBMISSION

Bidders must submit a bid electronically using the Bid System. Bid submissions include a price for each item and option bid in accordance with Section 2.10, 2.11, 2.13, 2.14, and 2.15. Each Bidder must submit a qualifications package for each bid. The bid must be received by the date and time specified on the Bid Calendar in Appendix B. Failure to meet all submission requirements by the date indicated on the Bid Calendar will result in rejection of the bid.

Bid System: VendorLink

The Bid System is located at <https://www.myvendorlink.com>. Bidders are encouraged to participate in training provided. Usernames and passwords will be issued to Bidders after registering in the Bid System. Contact VendorLink at support@evendorlink.com if technical issues arise during bid submission.

Prices are to be rounded to the nearest whole dollar. If a Bidder submits bid pricing using cents, the following formula will be applied to round the bid pricing to the nearest whole dollar: \$.01-.49 will be rounded down to the dollar bid (e.g., \$50.49 = \$50) and \$.50-.99 will be rounded to the next dollar (e.g., \$50.50 = \$51).

Bid Submission

To ensure correct bid submittal and formatting, Bidders shall:

- For the Heavy Trucks and Buses Invitation to Bid, insert a:
 - Price for each item bid by zone
- For the Pursuit, Administrative and Other Vehicles Invitation to Bid, insert a:
 - Bid Price for each item bid by zone, as defined in Section 2.11
 - Percent for each item bid by zone, as defined in Section 2.11
- For the Equipment Invitation to Bid, insert a:
 - Price for each item by zone
- Upload files as instructed in the Bid System; files requested will be in Excel or .pdf.
- Follow all instructions outlined in this Invitation to Bid and provide all requested information.

The bid shall include the following documents:

- Executed Qualifications Packet.
- Build sheet for each item bid as a single .pdf
- Pricing Sheet for Emergency Vehicle Lights and Sirens, if applicable.
- Any requested exceptions or equivalents.

Option Upload

An option sheet should be submitted for each item bid. The Bid System will accept option information for each item through a .pdf file upload. Each option sheet should include a header to identify the FSA CPP contract title and number, the Bidder name, item number, make and model. Each option sheet should include:

- Option
- Description
- Manufacturer order code or identifying code
- Price

For the Heavy Trucks and Buses and Pursuit, Administrative, and Other Vehicles Invitations to Bid, the option sheet should also include:

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

- Cost plus percent for all items not installed at the factory
- Percent below MSRP for factory installed options

FSA CPP may ask awarded Bidders to supply one hard copy set with digital signatures and original compliance forms, prior to the contract execution. Hard copy bids should not be submitted unless specifically requested by FSA CPP. FSA is not responsible for Bidder's improper use of the Bid System. Exceptions will be granted to this section should any Bid System malfunctions occur.

2.17 ZONE BIDDING

Bidders may bid in one or more geographic zones. Bidders must submit pricing for each zone they wish to be evaluated. The zone map is included in Appendix A. The geographic zones are in place to assist Bidders in estimating costs of delivery, which must be included in the price bid and quoted to the purchaser. For the Pursuit, Administrative and Other Vehicles Contract, the cost of delivery must be included in the Percent.

2.18 EXECUTION OF BID

By submitting a response to this Invitation to Bid, the Bidder agrees to the Terms & Conditions and to be bound by such Terms & Conditions if selected for award. The Bidder must submit the Contract Signature Form with the signature of an authorized representative no later than the bid submittal due date. All Terms & Conditions are applicable throughout the term of the awarded contract and are not specific to any given year, make or model.

2.19 MODIFICATION OR WITHDRAWALS OF BIDS

A Bidder may submit a modified bid to replace all or any portion of a previously submitted bid until the due date and time of the bid submission listed in the Bid Calendar. Modifications received after the bid due date and time will not be considered.

Bids can be withdrawn in writing prior to the contract award. If a Bidder must withdraw the bid, the Bidder must contact FSA CPP immediately. Bid withdrawals are handled on a case-by-case basis and can result in a limitation of participation in future bids.

2.20 LATE BIDS

The responsibility for submitting a bid before the due date and time on the bid calendar is solely and strictly the responsibility of the Bidder. The FSA is not responsible for delays caused by technical problems, any internet outages or delays incurred by electronic delivery, or any other occurrence. Any reference to time will be based on Eastern Time.

2.21 BID OPENING

Bids shall be opened on the date and time specified on the Bid Calendar. The bid opening may occur at the Florida Sheriffs Association, 2617 Mahan Drive, Tallahassee, Florida, or may be offered online.

FSA CPP will provide a bid inspection period for Bidders following the bid opening. The date, time and duration will be announced prior to the bid opening.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

2.22 DETERMINATION OF RESPONSIVENESS

Determination of responsiveness will take place at the time of bid opening and evaluation. In order to be deemed a responsive bidder, the bid must conform in all material respects to the requirements stated in the Invitation to Bid. As set forth in Section 2.26, FSA CPP reserves the right to waive or allow a Bidder to correct minor irregularities.

2.23 RESPONSIBLE BIDDER CRITERIA

Bids will be evaluated to determine if qualifications and contract requirements are met. Responses that do not meet all requirements of this Invitation to Bid or fail to provide all required information, documents or materials may be rejected as nonresponsive. The FSA CPP will not request documentation or consider a Bidder's social, political or ideological interests in determining if the Bidder is a responsible bidder. FSA CPP will not give preference to a Bidder based on the Bidder's social, political, or ideological interests.

Bidders whose responses, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the contract may be rejected as non-responsible. In determining a responsible Bidder, the following factors may be considered:

- Adequacy of facilities, staffing, and financial resources;
- Previous experience with FSA contract or other similar government contracts;
- Ability to provide excellent customer service, including on previous FSA contracts; and
- Any other information relevant to the responsibility of a Bidder of which FSA CPP is aware.

In addition to the requirements set forth by these Terms & Conditions, FSA CPP reserves the right to request staffing, performance and financial information from any Bidder during the evaluation process.

FSA CPP reserves the right to determine which responses meet the requirements, specifications, Terms & Conditions of the solicitation, and which Bidders are responsive and responsible.

FSA CPP further reserves the right to limit participation of Bidders who, in FSA CPP's sole discretion, are determined to present responsibility concerns that call into question the Bidder's ability to perform but that do not rise to the level of requiring rejection of the Bidder as non-responsible.

2.24 BASIS FOR AWARD

For the Heavy Trucks and Buses, and Equipment Invitations to Bid, the FSA CPP shall make awards to the qualified, responsive and responsible Bidder(s) who submitted the lowest priced bid by item, manufacturer, and zone. Awards may also be made to subsequent lowest responsive and responsible Bidders by item, manufacturer, and zone, when determined to be in the best interest of the FSA and the purchaser(s). FSA CPP has the discretion to consider option pricing in making the award and to disqualify Bidders for proposing excessive option pricing.

For the Pursuit, Administrative and Other Vehicles Invitation to Bid, the FSA CPP shall make award to the qualified, responsive and responsible Bidder(s) who submitted the lowest Bid Price by item, manufacturer, and zone. Awards may also be made to subsequent lowest responsive and responsible Bidders by item, manufacturer, and zone, when determined to be in the best interest of the FSA and the purchaser(s). FSA CPP has the discretion to consider Percent and option pricing in making the award and to disqualify bidders for proposing excessive Percent(s) or option pricing.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

Awards will not be given to any parties listed on the government wide exclusion in the System for Award Management.

FSA CPP reserves the right to accept or reject any and all bids, and to waive any minor irregularity, technicality or omission if it determines that doing so will serve the purchaser's best interest. FSA CPP reserves the right to make multiple awards for each item, if determined to be in the best interest of the FSA and the purchasers.

Awards will be posted on the FSA CPP website according to the date posted in the bid calendar.

2.25 BID TABULATIONS

The Bid Tabulation report will be posted on the FSA CPP website after the bid submission closes.

If there is a delay in posting the bid tabulation results, FSA CPP will post a notice of the delay and a revised date for posting of results.

2.26 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA CPP has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA CPP determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the Terms & Conditions of this procurement that does not affect the price of the bid or give the Bidder a substantial advantage over other Bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA CPP may allow a Bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA CPP may request a Bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA CPP will not request, and a Bidder may not provide the FSA CPP with additional materials that affect the price of the bid or give the Bidder an advantage or benefit not enjoyed by other Bidders.

The FSA CPP may also reject any bids not submitted in the manner specified in this document.

2.27 CONE OF SILENCE

This Invitation to Bid is subject to the Cone of Silence that begins the date the bid submission opens through the intent to award date as indicated in the Bid Calendar. During this period, all communications regarding this solicitation between FSA and Bidder will cease, except for procedural questions, questions regarding problems incurred in the use of the Bid System, or communications initiated by the FSA CPP. All permitted communications during this period shall be made in writing to the contacts identified in Section 1.01 of this Invitation to Bid.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

3.0 CONTRACT CONDITIONS

3.01 GENERAL REQUIREMENTS

Once the bid has been awarded, the terms and conditions of this document become the contract between the FSA CPP and the awarded Vendor. The Terms & Conditions apply to all items purchased from this contract.

3.02 STATEMENT OF AUTHORITY

Each person signing the contract warrants that they are duly authorized to do so and binds the respective party to the contract.

3.03 VENDOR CONTACT INFORMATION

The Vendor shall maintain current contact information with FSA CPP at all times for sales and submission of purchase orders, quarterly reports and administrative fee payments. If a change occurs during the contract, the Vendor must notify FSA CPP immediately.

3.04 ADDITIONS OR DELETIONS

FSA CPP reserves the right to add or delete any items from this bid or resulting contract when deemed to be in the best interest of FSA and purchasers, at its discretion. This decision to take action may be based upon and not limited to few or no sales, product recalls and other safety issues, Vendor or manufacturer performance, or the product's lack of relevance.

For items that come to market during the contract term, FSA CPP may authorize qualified and awarded Vendors to offer the new item under the existing contract terms and conditions, if the manufacturer authorizes a Vendor to sell the item. FSA CPP will request awarded Vendors submit pricing and will evaluate the responses prior to authorizing awarded Vendors to offer the new item.

3.05 CONTRACT EXTENSION

Contract Extension

The contract may be extended by mutual agreement for up to two (2) additional years, on a year-to-year basis. FSA CPP reserves the right to execute a contract extension or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of FSA.

The Vendor may request price adjustments for contract extensions as provided for herein. If no request is received from the Vendor, the FSA CPP will assume that the Vendor has agreed that the optional term may be exercised without a price adjustment. Any adjustment request received after the execution of an extension may not be considered unless otherwise provided for in this contract.

Month-to-Month Continuation

In the event a new contract is not active at the time of this contract's expiration, this contract's terms and conditions shall extend on a month-to-month basis and shall not constitute an implied extension of the contract. Such a month-to-month continuation shall be upon the compensation and payment provided herein.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

3.06 PRICE ADJUSTMENT

In addition to the cost-plus-percent pricing adjustments available for the Pursuit, Administrative, and Other Vehicles contract, the Terms & Conditions provide the following options for price adjustments:

- Annual Price Adjustments
- Changes to Manufacturer Production or Design
- Manufacturer Certified Adjustments
- Equitable Adjustments

Price adjustment requests must clearly substantiate a need to increase or decrease the price. Price adjustments will not be considered if Vendors are delinquent on administrative fee payments or have outstanding quarterly reports.

Annual Price Adjustment

The FSA CPP may consider annual price adjustments due to:

- Changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics (BLS); or
- As a result of changes to national or state standards that require substantial price adjustments.

FSA CPP may consider other documentation related to the change to national or state standards but is not obligated to grant price changes without literature from the manufacturer. The FSA CPP will consider the request and will make a final determination on the change in price.

Changes to Manufacturer Production or Design

Significant changes by the manufacturer to the production of and specification design may initiate a price adjustment request. FSA CPP will consider order dates, production factors, model year, or other conditions, as well as the replacement or complete redesign of items. Vendors must provide documentation from the manufacturer.

Manufacturer Certified Adjustments

Vendors must provide documentation from the manufacturer to FSA CPP that shows the additional costs or price adjustments imposed by the manufacturer and substantiate the need for a related price adjustment for this contract.

Equitable Adjustments

The FSA CPP may make an equitable adjustment to the contract terms or pricing at its discretion.

3.07 CONDITIONS

It is understood and agreed that any item offered or shipped as a result of this contract shall be the most current model offered.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

3.08 PRODUCTION CUTOFF

Vendors shall notify the FSA CPP in writing no less than sixty (60) calendar days prior to the close of final order date by the manufacturer when the final order date is during the term of the contract. Purchase Orders received by the Vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer. Purchase Orders issued and received after the production cutoff date will be subject to availability. In this case, the Vendor and manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the contract term. If the manufacturer cutoff date is during the term of the contract and will affect the purchaser's ability to obtain the items, FSA CPP may consider substitutions from the same manufacturer.

3.09 FACILITIES

The FSA CPP reserves the right to inspect the Vendor's facilities at any time with prior notice.

3.10 PURSUIT RATED VEHICLES & MOTORCYCLES

Vehicles in this category have been reviewed by one or more of the nationally recognized authorities on Police Vehicle Testing Program/Evaluation. These evaluations are not designed to recommend a particular product, but to serve as a resource for vehicles which are currently being offered for law enforcement service. To see the full detailed report, click or copy the links below. At the time of the bid there were two nationally recognized authorities:

[State of Michigan, Vehicle Test Team of the Michigan State Police \(MSP\) Precision Driving Unit](#)

[Los Angeles County Sheriff's Department Law Enforcement Vehicle Test and Evaluation Program Vehicles:](#)

3.11 SPECIAL SERVICE VEHICLES

Vehicles in this category have been reviewed by one or more of the nationally recognized authorities on pursuit vehicle testing program/evaluation. These vehicles are labeled as Special Service Vehicle (SSV) and often used in public safety applications and other areas of government. Refer to manufacturers published information for detailed information regarding these vehicles.

3.12 CAB AND CHASSIS PURCHASES

Vendors performing upfitting of cab and chassis should be licensed and certified to perform such work. Vendors are responsible for tag and title work if the chassis is completed by the Vendor or the Vendor's contracted third-party supplier. The requirements of Florida Statute 319.21 related to the manufacturer statement of origin apply to cab and chassis purchases.

Cab and chassis may be purchased from the Vendor without any required additional upfitting by the Vendor. Vendors are not responsible for tag and title if an incomplete chassis is requested and sold to the purchaser.

3.13 FACTORY-INSTALLED OPTIONS

All options specified as factory-installed are to be installed on the item at the primary site of assembly and are to

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

be the manufacturer's standard assembly-line product. Aftermarket and vendor-installed equipment will not be accepted as factory-installed. Vendors found supplying aftermarket or vendor-installed equipment where factory-installed are specified shall be required to retrieve all delivered items and supply new items meeting the specifications.

All factory-ordered options are to be original equipment manufacturer (OEM) and installed at the primary site of assembly unless otherwise noted by the Vendor and acknowledged in writing by the purchaser. Verbal agreements will not be recognized.

3.14 VENDOR-INSTALLED OPTIONS

All vendor-installed accessories, equipment, or options shall be installed according to the manufacturer's specifications. All vendor-installed options must be manufactured by an established manufacturer of the product provided. Vendors are required to disclose make and model of product being offered, design, and model must be approved by the purchaser prior to installation. Prior to any purchase, the Vendor must also disclose the warranty of any accessory, equipment or option that is less than or exceeds the factory or equipment warranty coverage. Any Vendor that violates this provision will be considered in default of the contract. FSA CPP may terminate the contract in accordance with these terms & conditions.

3.15 NON-SCHEDULED OPTIONS

A non-scheduled option is an option not listed on the FSA CPP published award. Vendors may provide non-scheduled options at less than MSRP or the Published List Price. Non-scheduled options should be identified and listed as a separate line item with the price and discount on the purchase order. Non-scheduled options are covered under these terms and conditions.

3.16 FORCE MAJEURE

A Vendor shall not be penalized for a delay resulting from the Vendor's failure to comply with delivery requirements if neither the fault nor the negligence of the Vendor or its employees contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Vendor's control, or for any of the foregoing that third party suppliers if no alternate source of supply is available to the Vendor.

3.17 PURCHASE ORDERS

To initiate a purchase, a purchase order must be issued to the Vendor, which includes:

- FSA CPP contract title and number;
- FSA CPP item number, and the make and model or item description; and
- Purchaser name, phone number and email address.

The Vendor's acceptance of a purchaser's order will indicate that the Vendor agrees to deliver an awarded item that will be fully compatible with all of its options. Production schedules and delivery dates should be discussed at the time the quote is provided to the purchaser, or if no quote is provided, when the purchase order is delivered to the Vendor. Vendor shall place the order with the manufacturer within 10 business days of receipt of the purchase order. The Vendor shall assure that all orders are placed in full compliance with the specifications and the terms and conditions of the contract and the purchase order. Any changes that are required to bring an item into compliance with the various options due to an incorrect order will be accomplished at the Vendor's expense.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

A Confirmation of Order form shall be completed by the Vendor and provided to the purchaser and FSA CPP fifteen (15) calendar days from receipt of purchase order without request by the purchaser. Any additional information needed to complete this form should be obtained by the Vendor from the purchaser.

While it is recommended that an agency purchase from the zone which is closest to their location, it is not mandatory to do so. If the purchaser determines that a Vendor in another zone can better serve the purchaser's needs, the purchaser may order from a Vendor in another zone. Vendors that provide awarded items outside of an awarded zone may upon mutual agreement between the Vendor and the purchaser charge a delivery fee.

If a Vendor receives a purchase order for an item for which they were not awarded, the Vendor must notify the purchaser and return the purchase order to the purchaser within three (3) business days.

The Vendor must submit electronic copies of Purchase Orders within fifteen (15) calendar days of the Purchase Order issue date. Emails shall be sent to coop@flsheriffs.org. Purchase orders received by the Vendor after this deadline must be submitted to FSA CPP as soon as possible with the date received by the Vendor and cause for the delay. Purchase Orders should contain the following required information:

- Purchaser name,
- Purchase order number,
- Purchase order issue date,
- FSA CPP contract title and number,
- Item number,
- Item make and model, or item description,
- Item price,
- Options by item, and
- Estimated delivery date.

Purchase orders vary in format and information provided. If a purchase order does not include the required information, the Vendor must submit supplemental documentation to FSA CPP at the same time the purchase order is due. Such information may be in bid quotes, equipment proposals, confirmation of orders, or other documents. If a purchaser does not use purchase orders, written communication from the purchaser to the Vendor will be provided to FSA CPP.

3.18 REGISTRATION, TAG, AND TITLE

Title items shall be the responsibility of the Vendor. If the purchaser is a government agency, the purchaser has the right to choose to register and title the item. Costs of registration, tag and title shall not exceed the statutory rates. FSA administrative fee does not apply to the cost of registration, tag and title.

3.19 DELIVERY

Vendors are to inspect the item to confirm the item meets or exceeds the FSA CPP Base Specification, manufacturer specification, and purchase order. Deliveries not complying with these requirements may be rejected and will have to be redelivered at Vendor's expense.

Delivery shall be within the normal working hours of the user, Monday through Friday, excluding holidays. Delivery schedules shall be agreed to by the purchaser and the Vendor. Vendor shall notify the purchaser no less than twenty-four (24) hours prior to delivery of the time and location, which shall reflect the mutually agreed upon

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

delivery details. The Vendor shall be responsible for delivering items that are properly serviced, clean and in first class operating condition. Items shall be delivered with each of the following documents completed or included:

1. Copy of the Purchase Order.
2. Copy of the FSA CPP Base Specification.
3. Copy of manufacturer's Invoice, price sheet, build sheet or other documentation that verifies what components are included on the item being delivered
4. Copy of the pre-delivery service report
5. Registration warranty certification
6. Owner's manual
7. Registration, tag and title or an application for the registration, as applicable

All items with fuel tanks of thirty-five (35) gallons or less must contain no less than one quarter (1/4) tank of fuel as indicated by the fuel gauge at the time of delivery. For items that have more than thirty-five (35) gallons, a minimum of one eighth (1/8) of a tank of fuel must be provided. All electric vehicles must be delivered with a minimum charge level of 10 percent. The purchaser has the option to reject a vehicle with more than 350 odometer miles or may deduct \$0.51 cents per mile in excess of 350 miles from the invoice, unless distance above 350 miles was previously approved by the purchaser. Deliveries of less than 350 miles may be accomplished by driving the vehicle. Any delivery accomplished by driving the vehicle must be supervised and the driver must comply with manufacturer's break-in requirements and all applicable traffic laws. Any delivery accomplished by driving a pursuit-rated vehicle must use an "OUT OF SERVICE" cover on light bars. Deliveries in excess of 350 miles shall be made by transport, or otherwise approved by the purchaser, however, this requirement shall not apply to incomplete chassis.

Items with hour meters must be delivered with fewer than five (5) hours on the hour meter or may be rejected by the purchaser. The purchaser may choose to negotiate a lower purchase price when the item exceeds five (5) hours.

When items require service or adjustments upon delivery, the Vendor shall either remedy the defect, or be responsible for reimbursing the manufacturer's local authorized representative or other service provider to remedy the defect. Such service or adjustments shall be initiated by the Vendor within 48 hours after notification by a purchaser, not to include weekends and holidays. Delivery will not be considered complete until all services or adjustments are satisfactory, and the item is redelivered or repaired. The cost of any transportation required to address the defect shall be the responsibility of the Vendor until the items are satisfactory and accepted by the purchaser.

3.20 INSPECTION AND ACCEPTANCE

Final acceptance shall be given only after the purchaser inspects or confirms the item meets contract specifications. Delivery of an item to a purchaser does not constitute acceptance for the purpose of payment. Inspection and acceptance will be at the purchaser's destination unless otherwise previously agreed upon location was provided in the purchase order. Should the delivered items differ in any respect from the Base Item specifications, payment can be withheld until such time as the Vendor completes the necessary corrective action.

3.21 INVOICING AND PAYMENTS

Invoicing and payments shall be the responsibility of the Vendor and purchaser placing orders using this contract. Vendors must invoice each purchaser independently. The Vendor shall be paid upon submission of invoices to the purchaser after satisfactory delivery and acceptance of the items. While the Local Government Prompt Payment

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

Act applies to ensure timely payment of Vendor invoices, the FSA CPP encourages purchasers to make payment within 30 days of acceptance of the item. The Local Government Prompt Payment Act is defined in Sections 218.70–218.79 of Florida Statutes.

3.22 WARRANTY

All warranties shall begin at the time of delivery and final acceptance by the purchaser. The purchaser's warranty should not be active for incomplete items and items delivered to a third-party supplier before final delivery.

3.23 QUARTERLY REPORTS

Quarterly reports are the contractual responsibility of each Vendor. Quarterly reports must be completed and submitted electronically. All quarterly reports shall be sent to reports@flsheriffs.org. The quarterly report template shall be submitted using an Excel workbook provided by FSA CPP. Quarterly reports which do not adhere to the required format or are not complete of all purchase orders received and/or deliveries made during the quarter will be returned to the reporting Vendor for correction.

Quarterly reports are due no later than the 15th day of the month following the end of the quarter. Quarterly reports shall follow the schedule below for the duration of the contract. If a contract extension is executed, the quarterly reports will maintain the same schedule for future reporting periods.

Contract Year: October 1, 2022 – September 30, 2023

Year 1 Quarter 1:	October 1 – December 31	Q1 Report Due:	January 15
Year 1 Quarter 2:	January 1 – March 31	Q2 Report Due:	April 15
Year 1 Quarter 3:	April 1 – June 30	Q3 Report Due:	July 15
Year 1 Quarter 4:	July 1 – September 30	Q4 Report Due:	October 15

Quarterly reports must be submitted even if there are no sales or no deliveries in a quarter. If a Vendor has no sales within a quarter, the Vendor shall indicate "No sales this quarter" on the top row of the sales worksheet. If the Vendor has no deliveries in a given quarter, the Vendor shall indicate "No deliveries this quarter" on the top row of the delivery worksheet.

FSA CPP reserves the right to modify the procedure for submitting quarterly reports during the term of the contract. Such a change shall not materially modify the substance of the information to be reported but may change the method by which future quarterly reports are to be submitted. In the event of such a change, FSA CPP will provide written notice to all Vendors of the method by which future quarterly reports are to be submitted.

3.24 ADMINISTRATIVE FEE

The FSA CPP charges three quarters of one percent (.0075) to procure, process and administer the contract. The administrative fees are the contractual responsibility of each awarded Vendor.

After receipt of payment from contract purchases, the Vendor shall remit all administrative fees to the FSA CPP no later than 15 calendar days after the end of each quarter. All fees payable to the FSA CPP during any given quarter will be accompanied and supported by a quarterly report.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

The administrative fee will remain payable to FSA CPP and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a Vendor fails to incorporate the administrative fee in its bid pricing. The administrative fee should never be listed as a separate line item on any purchase order or invoice.

The administrative fee is based on the total purchase order amount of new items. This fee excludes any value given to purchasers for trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The ACH form for electronic payment or wiring of funds is included in Appendix C. It is the preference of FSA CPP that all payments be electronically paid and submitted. If ACH is not available, checks for the administrative fee can be sent to:

Florida Sheriffs Association
Cooperative Purchasing Program
2617 Mahan Drive
Tallahassee, FL 32308

3.25 LIQUIDATED DAMAGES

The Vendor warrants that the item supplied to the purchaser shall conform in all respects to the standards set forth and the failure to comply with this condition will be considered as a breach of contract. Any liquidated damages levied because of inadequacies or failures to comply with these requirements shall be borne solely by the Vendor responsible for same.

Failure to submit the administrative fee with accompanying quarterly reports to FSA CPP within 15 calendar days following the end of each quarter may result in the imposition of liquidated damages. Vendors failing to submit administrative fees and/or quarterly reports will incur liquidated damages in the amount of \$25 for each calendar day that fees and reports are past due, beginning on the 16th day following the end of the quarter.

If a civil action is initiated by the FSA to recover administrative fees or liquidated damages as set forth in this section, the prevailing party shall be entitled to its reasonable attorneys' fees and costs incurred in the litigation. The venue shall lie in the Circuit Court for the Second Judicial Circuit in and for Leon County, Florida.

When quarterly reports are late, liquidated damages are to be included in Vendor's Quarterly Report and administrative fee submission. Liquidated damages that remain unpaid beyond 45 calendar days can result in FSA CPP, at its sole discretion, implementing contract compliance actions, including but not limited to, suspension, limited participation by specifications or zones, disqualification from future solicitations, or termination for cause pursuant to the Terms & Conditions.

Schedule of Liquidated Damages

Failure to submit quarterly report on time	\$25 per calendar day
Failure to submit administrative fee on time	\$25 per calendar day
Failure to report a Purchase Order to FSA CPP within 15 calendar days of the purchase order issue date	\$100 per Purchase Order
Failure to Report Sales	.0075 of the sales price plus 1.5% each month following the delivery date.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

Vendor agrees and acknowledges that its failure to take any of the actions specified in the above schedule will result in liquidated damages to this contract. Vendor agrees and acknowledges that these liquidated damages are not intended to be and do not constitute a penalty and that these amounts are reasonably calculated to compensate the FSA for the damages that it will incur as a result of the Vendor's failure to take the specified actions.

Appendix C: ACH Payments

FLORIDA SHERIFFS ASSOCIATION

TO: All Customers of the Florida Sheriffs Association

SUBJECT: Florida Sheriffs Association is going paperless!

Our association is pleased to announce the implementation of accepting electronic payments from customers. If your agency or company is able to pay via ACH, please consider adding the Florida Sheriffs Association to your list of vendors paid via electronic payment.

Florida Sheriffs Association's Banking information is as follows:

Checking Account

Capital City Bank

Routing Number: 063100688

Account Number: 0010867001

Please email any payment remittance information to accounting@flsheriffs.org.

If you choose to make ACH payments to the association, there is no additional charge. However, the information above can be used to pay with a wire transfer. If you choose to pay via wire, there is a charge of \$25 per wire that you will need to add to your payment.

If you have any questions at all, please contact Trish Eldridge at teldridge@flsheriffs.org or call (850) 559-5668.

Sincerely,

Trish Eldridge

Director of Accounting and Finance

Contract Terms and Conditions

Appendix D: Federal Clauses

Applicability of Third-Party Contract Provisions*

(Excluding micro-purchases, except Davis-Bacon requirements apply to construction contracts exceeding \$2,000.)

In addition to other provisions negotiated with purchasers placing federally funded purchase orders, Vendors must comply with the following provisions upon award of a federally funded purchase order:

PROVISION	Professional Services/A&E	Operations/ Management	Construction	Materials & Supplies
Equal Employment Opportunity			All	
Davis-Bacon Act			>\$2,000	
Copeland "Anti-Kickback" Act			>\$2,000	
Contract Work Hours and Safety Standards Act	>\$100,000	>\$100,000	>\$100,000	>\$100,000
Rights to Inventions Made Under a Contract or Agreement	If the purchase order involves performance of experimental, developmental or research work	If the purchase order involves performance of experimental, developmental or research work	If the purchase order involves performance of experimental, developmental or research work	If the purchase order involves performance of experimental, developmental or research work
Clean Air Act	>\$150,000	>\$150,000	>\$150,000	>\$150,000
Federal Water Pollution Control Act	>\$150,000	>\$150,000	>\$150,000	>\$150,000
Debarment and Suspension	All	All	All	All
Byrd Anti-Lobbying Amendment	>\$100,000	>\$100,000	>\$100,000	>\$100,000
Procurement of Recovered Materials	All	All	All	All
Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment	All	All	All	All
Domestic Preferences for Procurements	All	All	All	All

*References to the code of regulations (CFR) or United States Code (USC) were accurate at the time of publication. It is the responsibility of the Bidder to ensure compliance is met of the referenced state and federal laws within the published rules.

EQUAL EMPLOYMENT OPPORTUNITY: Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The clause set forth in 41 CFR 60-1.4(b) is incorporated herein by reference. Vendor must comply with this clause and include this clause in all lower-tier federal assisted construction contracts.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

DAVIS-BACON ACT, as amended (40 U.S.C. 3141-3148): When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. Vendors performing construction must comply with all applicable provisions of the Davis-Bacon Act and include this clause in all lower-tier subcontracts for construction.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C., chapter 37): Vendor shall comply with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C., chapter 37), as supplemented by Department of Labor regulations (29 CFR part 5).

(a) Overtime requirements. Neither Vendor nor any contractor or subcontractor contracting for any part of the purchase order work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(b) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in Paragraph 15(a), Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Vendor or such subcontractor shall be liable to the United States (in the case of work done under the Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 15(a), in the sum of \$29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 15(a) of this section.

(c) Withholding for unpaid wages and liquidated damages. Purchaser shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Vendor or a subcontractor under the purchase order or any other Federal contract with Purchaser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by Purchaser, such sums as may be determined to be necessary to satisfy any liabilities of Vendor or its subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph (a).

(d) Subcontracts. Vendor shall insert in any subcontracts over \$100,000 for construction and other purposes that involve the employment of mechanics or laborers, the clauses set forth in Paragraphs (a) through (d) and also a clause requiring the subcontractors to include these clauses in any lower-tier subcontracts.

RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT: If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. Vendor shall comply with these requirements when performing a purchase order involving experimental, developmental or research work and flowdown this clause to lower-tier subcontractors performing such work.

CLEAN AIR ACT (42 U.S.C. 7401 *et seq.*) and the FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. 1251 *et seq.*), as amended: Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 *et seq.*) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 *et seq.*). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor shall comply with the requirements of Clean Air Act and the Federal Water Pollution Control Act and include this clause in all lower-tier subcontracts with a value over \$150,000.

DEBARMENT AND SUSPENSION (E.O.s 12549 and 12689): By accepting or performing this purchase order, Vendor certifies that it is not identified in the Exclusions area of the System for Award Management as being currently debarred, suspended, proposed for debarment, or otherwise excluded ("SAM Exclusion"). Vendor shall obtain similar certifications from its lower-tier subcontractors for each subcontract in excess of \$25,000 and Vendor shall not award lower-tier subcontracts in excess of \$25,000 to an entity subject to a SAM Exclusion.

LOBBYING RESTRICTIONS (31 U.S.C. 1352): By accepting or performing this purchase order, Vendor certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Vendor shall also disclose to Purchaser any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award or contract. Vendor shall flow down this clause and require this certification for lower-tier subcontractors with a subcontract of \$100,000 or more. Vendor shall provide its disclosure and all disclosures received from lower-tier subcontractors to Purchaser.

PROCUREMENT OF RECOVERED MATERIALS: A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Vendor shall comply with this clause and include this clause in all lower-tier subcontracts.

PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT:

(a) Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:

- (1) Procure or obtain;
- (2) Extend or renew a contract to procure or obtain; or
- (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

(b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained.

(c) See Public Law 115-232, section 889 for additional information.

DOMESTIC PREFERENCES FOR PROCUREMENTS:

(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). Vendor agrees to comply with the requirements of this clause and include the requirements of this clause in all subawards including all contracts and purchase orders for work or products under this award.

(b) For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

All Terrain & Utility Vehicles: All Terrain Vehicles (Quad)

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Manufacturer's gas or diesel engine, air cooled, overhead valve, keyed electronic ignition, 20 hp minimum
- Transmission: Manufacturer's standard automatic transmission
- Chassis: Standard front bumper
- Tires and Wheels: Front and rear all terrain tires, must match drive train

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

All Terrain & Utility Vehicles: Utility Vehicles (Side-by-Side)

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following

FSA Base Specification

- Engine: Manufacturer's gas or diesel engine, air cooled, overhead valve, keyed electronic ignition, 20 hp minimum
- Transmission: Manufacturer's standard automatic transmission
- Chassis: Standard front bumper
- Tires and Wheels: Front and rear all terrain tires, must match drive train

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

All Terrain & Utility Vehicles: Electric Utility Vehicles (Side-by-Side)

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- FSA Base Vehicle Requirements: 2 programmed keys and fobs if available, full-size spare tire if available
- Dimensions (Approximate): Length- 115", height- 51", width- 56", wheel base- 79", curb weight- 1,500 lbs., GVW- 2,900 lbs.
- Power: 7 hp electric motor, 8-6 volt heavy duty batteries, 48 volt
- Transmission/Axle: Enclosed internally lubricated differential/transaxle, 2-wheel drive
- Chassis/Steering/Suspension: 1,250 lbs. towing capacity, 2,900 lbs. GVW, frame type chassis, suspension matched for GVW of vehicle
- Tires And Wheels: Off/on road type tires, wheels rated for GVW of vehicle, tires to be traction type rated for GVW of vehicle
- Performance: 45 mile range, 19 mph minimum
- Brakes: Manual parking brake, disc or drum type, 2 or 4 wheel breaks
- Body: Rear mounted hitch for towing 2", pick-up type box with sides and tailgate, 2 passenger seating

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Boat: Aquatic Weed Cutter Workboat

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- General Dimensions: Height- 8', width- 7'3", length- 15', height from waterline- 48", boat draft- 4" to 6", weight- 2,285 lbs.
- Engine: 3-cylinder diesel engine, liquid cooled electric start, and charging system
- Hydraulics: Triple pump design, 27 gpm, eco-friendly hydraulic fluid
- Propulsion: Twin hydraulic outdrives, weed and mud design propellers
- Vessel Hull: Fiberglass/kevlar design, deck mounted cutter and loader
- Boom Cutter: Hydraulic drive, full articulation to cut 5' below waterline
- Front End Loader: Marine-type vegetation bucket
- Operator Station: All hydraulic function/propulsion function controls
- Trailer: Trailer to be designed specifically for this workboat. Must meet all federal, state, and local laws for a trailer operated on the highway.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Bulldozer: 180hp

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 6-cylinder 180 hp diesel engine
- Transmission: Power shift (3 forward, 1 reverse minimum) or hydrostatic drive (variable)
- Undercarriage: 7 rollers each side minimum, top roller each side minimum, manufacturer's standard length track, manufacturer's standard track width, 24" grouser width
- Dozer Blade: Width- 128", height- 48", 2.5 cubic yd. blade capacity, PAT type blade, power angle and tilt, hydraulically controlled
- Weight: Minimum operating weight- 43,000 lbs.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Bulldozer: 70hp

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 4-cylinder 70 net hp
- Transmission: Hydrostatic, infinitely variable speed, constantly variable
- Undercarriage: Minimum 5 rollers, standard grouser minimum of 16", top roller each side
- Dozer: Minimum width- 96", minimum height- 32", minimum 1.88 cubic yd. blade capacity, power angle tilt (PAT) type blade

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Bulldozer: 90hp

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 4-cylinder 90 net hp
- Transmission: Hydrostatic, infinitely variable speed, constantly variable
- Undercarriage: Minimum 6 rollers, standard grouser minimum of 18", top roller each side
- Dozer: Minimum width- 104", minimum height- 36", minimum 2.5 cubic yd. blade capacity, power angle tilt (PAT) type blade

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Chipper: Brush Chipper

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions: Weight- 6,800 lbs., width- 72", height- 100"; length- 176", 15" chipping capacity
- Engine: 122 hp diesel engine, over center type clutch, heavy duty air cleaner, spin on type filters
- Chassis: Main frame constructed of rectangular tubing or in.zin. section, 7,000 lbs. axle torsion type, electric brakes with breakaway switch, ST 235/80R16 tires load range E, steel wheels, drop leg jack, 2 1/2" diameter lunette or 2 5/16" ball hitch, adjustable height hitch, safety chains, 6-way light connector, all wiring in conduit to lights, four function rear lights
- Feed System: Infeed throat opening- 20" x 15", serrated infeed rollers, feed rollers hydraulically driven, feed table height- 27", feed table length- 30", safety control bar around infeed opening for emergency stop
- Chipper Drum Or Disc: Drum type- 22" diameter x 22" width, 2 knife pockets 180 degrees apart, dual edge reversible knives, extreme duty bearings, adjustable bedknife (reversible), disc type: 37" x 2" diameter disc, 4 knives reversible
- Chipper Housing: Easy access door for knife changes, drop down door for anvil adjustment or clean out, chipper housing to be constructed for maximum safety and operator protection
- Discharge Chute: Rotation of 360 degrees, adjustable chip deflector locking pin for chute rotation
- Miscellaneous: 26 gal fuel tank, engine shutdown system, locking tool box, vandalism protection

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Compactor: 80,000 lbs. Landfill Compactor

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight- 80,000 lbs.
- Engine: Turbocharged diesel engine 400 hp minimum, spin on type filters
- Transmission/Hydraulic System: Mechanical or hydrostatic drive will be acceptable (2 speeds forward and 2 speeds reverse minimum), spin on type hydraulic filters
- Operating Station: Enclosed sound suppressed cab, air filtration system, air conditioned, heater and defroster, gauges and engine monitoring shutdown system, adjustable suspension seat, outside mirrors, work lights, windshield wipers and washer
- Electrical System: 24 Volt
- Wheels: Compaction wheels- 48" width minimum, wheel diameter- 58" width minimum, chevron chopper blades, weld-on or pin-on teeth type wheels acceptable, anti-wire wrapping device if applicable, cleaner bar if applicable
- Blade: Straight or U type trash blade acceptable, 14' blade minimum, 6' blade height minimum, full width trash screen on top of blade, bolt on cutting edges
- Miscellaneous: Fully shielded engine compartment, removable belly pan, landfill shielding package if applicable

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Compressor: Air Compressor - Trailer Mounted

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Approximate Dimensions: Weight- 1,950 lbs., length- 79", width- 40", height- 47"
- Engine: 49 hp Tier 4 Engine, 12 Volt electrical system, engine protection system, gauge package
- Compressor: 185 cfm @ 100 psi, rotary or reciprocating style compressor, 2 service valves
- Trailer: 3,700 GVW axle rating, manufacturer rated tires, fold up tongue jack
- Enclosure: Fixed weather enclosure over entire engine/compressor, 2 full size tool boxes

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Dump Truck: Articulating Off Road Dump Truck - 50,000 lbs. Payload

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight- 40,000 lbs., minimum gross weight (with payload)- 91,000 lbs.
- Engine: Turbocharged diesel engine 265 hp, 549 cubic in. minimum, spin on type filters, two stage air cleaner
- Transmission: 6 speeds forward, 1 speed reverse, top speed of 31 mph, hydraulic retarder
- Brakes: Disc type service brakes, disc type parking brake
- Axles & Differentials: Differential locks, planetary gear reduction final drives, inter axle differential lock
- Tires: Tubeless, radial off road hauler tires, 23.5 R 25 tire size
- Steering: 45 degree left or right articulation angle, secondary electric steering system for emergency steering, double acting steering cylinders
- Operating Station: Cab to be pressurized, heated, air conditioned and filtered, built in ROPS/FOPS protection, suspension type operators seat with seat belt, cab instrumentation or engine monitoring system with audible alarms, tinted glass windows, sun visor, front and rear intermittent windshield wipers, work lights, headlights, stop, tail and turn signal lights, left and right mirrors
- Body: Dump body tipping angle 70 degrees, mud flaps, two single stage double acting body hoist cylinders, 18 yd. heaped capacity, body rise time maximum 12 seconds
- Miscellaneous: 95 gal fuel tank minimum, guard or shielding package

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: All Terrain Walking Excavator

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: 15,873 lbs. 2x4, 17,196 lbs. 4x4 Option
- Engine/Cab: Diesel engine, minimum 95 net hp, roll over enclosed cab air conditioned and heated, hinged quick release side window for emergency exit (operational at all boom positions), hinged front window opening outward for safety (not inward reducing operator head room), gauges or warning indicators for fuel level, engine oil, hydraulic oil and coolant, mirrors, air suspension operators ft. seat, full size cab (width of machine)
- Travel System: Minimum high-speed travel- 5 mph, minimum grade-ability 70%, four tires
- Hydraulic System: Digging depth- 15'4", auxiliary hydraulic circuit and controls plumbed to the end of stick with disconnect to allow the use of hydro-mechanical work tools, hydraulic swing system, stabilizers to be individually controlled in the vertical and horizontal positions
- Electrical System: Work lights
- Bucket: 4' wide grading bucket

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Hydraulic Excavator - 15,590 lbs. Operating Weight

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight- 15,590 lbs.
- Engine: 53 hp diesel engine, fuel capacity 26 gal
- Travel System: Minimum high-speed travel of 3.0 mph
- Undercarriage: Overall track length 9' 1", overall track width 11' minimum 7' 6", shoe width 17.7" minimum
- Operating Station: ROPS Cab to be air conditioned, heated and pressurized filtration system, opening front windshield, adjustable suspension type seat with safety belt, tinted safety glass, engine monitoring system with audible alarms, work lights
- Stick, Boom, Bucket: Boom and stick combination to allow minimum reach at ground level of 20' 11", bucket to be general purpose bucket, appropriately sized for machine and included
- Swing System: Swing radius 5' approximate, swing speed 9.0 rpm

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Hydraulic Excavator - 38,000 lbs. Operating Weight

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight- 38,000 lbs.
- Engine: Turbocharged diesel engine 113 hp
- Travel System: Travel speed of 3.2 mph
- Hydraulic System: Standard auxiliary hydraulic valve, main hydraulic system flow 72 gpm minimum
- Undercarriage: Overall track length 12' 10" minimum, overall track width 8' 5" minimum, shoe width 24"
- Operating Station: ROPS Cab to be air conditioned, heated and pressurized filtration system, intermittent windshield wipers, opening front windshield, adjustable suspension type operator seat with safety belt, work lights

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Hydraulic Excavator - 76,550 lbs. Operating Weight

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight- 76,550 lbs.
- Engine: Turbocharged diesel engine 257 hp, fuel capacity 145 gal
- Travel System: Travel speed of 2.9 mph
- Hydraulic System: Standard auxiliary hydraulic valve, main hydraulic system flow 144 gpm minimum
- Undercarriage: Overall track length 16' 2", overall track width 10' 6", shoe width 24"
- Operating Station: ROPS cab to be air conditioned, heated and pressurized filtration system, intermittent windshield wipers, opening front windshield, adjustable suspension type operator seat with safety belt, tinted safety glass, engine monitoring system with audible alarm, work lights
- Stick, Boom, Bucket: Boom and stick combination to allow minimum reach at ground level of 35' 6", bucket to be a general-purpose bucket, appropriately sized for machine and include
- Swing System: Swing radius 12, Swing speed 9.2 rpm

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Mini Hydraulic Excavator - 7,105 lbs. Operating Weight

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: 7,105 lbs. minimum
- Engine/Cab: Diesel engine, minimum 23 hp, ROPS canopy, gauges or warning indicators for fuel level, engine oil, hydraulic oil and coolant
- Travel System: Minimum high-speed travel 2.3 mph, minimum gradeability, 20 degrees, 11" wide rubber belt tracks
- Hydraulic System: Digging depth 9' minimum, auxiliary hydraulic circuit and controls plummed to the end of stick with disconnect to allow the use of hydro-mechanical work tools, backfill blade, hydraulic swing system.
- Electrical System: Work lights

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Telescopic Excavator - 45,000 lbs. Operating Weight - Tracked Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight 45,000 lbs.
- Engine: 4-cylinder turbocharged diesel, 170 hp at 2200 rpm, spin on type filters, two stage air cleaner, 12 volt 100 amp alternator, 90 gal fuel capacity
- Track Drive: 2-speed automatic with manual override, high torque piston motors each track, planetary drives, travel speed high 3.4 mph, low 1.9 mph, automatic parking brake, individual track control
- Tracks: 23.6 pad size
- Operator Station: Acoustical lined, adjustable seat, tinted safety glass, filtered fresh air, heater, air conditioned, and defroster, wipers and washers, skylight, work lights
- Operator Station Controls: Electric engine monitoring system, auto idle, electronic joysticks on adjustable pedestals, pedals for travel and steering, low/high travel switch, engine speed control
- Safety Items: Electric horn, movement alarm, fire extinguisher, mirrors, right and left side
- Hydraulic System: Hydraulic oil cooler, 120 hp track drive motors (each), 64 hp swing motor, electronic hydraulic system monitor, spin on hydraulic filters, swing speed 7.0 rpm, automatic swing brake
- Boom: Telescopic boom, 180 degree boom rotation, 30' reach at ground level from center pivot to buck cutting edge
- Bucket: 60" ditching bucket provided with machine, quick attach type 1
- Weight: Minimum operating weight- 47,000 lbs.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Telescopic Excavator - 47,000 lbs. Operating Weight - 6x6 Wheeled Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight 47,000 lbs.
- Carrier: 6-cylinder turbocharged diesel engine, 250 hp at 2200 rpm, spin on type filters, two stage air cleaner, 24 volt 70 amp alternator, 6-speed automatic transmission, 1 to 1 transfer case with front axle disconnect, one person carrier cab, air ride seat, heater, air condition, and defroster, 2-speed windshield wipers, tinted glass, isolated and acoustic lined, gauges to monitor engine functions, frame sized for GVW and stress of mounted upper structure, bolt on front bumper, desiccant type, spin on type, air dryer, fuel tank 50 gal minimum,
- Safety: Electric horn, west coast mirrors with convex spot mirrors, tow hooks, fire extinguisher, backup alarm
- Front Axle: 16,000 front drive axle, leaf spring suspension, 16.5"x5" "S" cam brakes, automatic slack adjuster, integral power steering, hydraulic axle lockouts, 425/65R22.5 on/off road tires
- Rear Axle: Tandem axles 40,000 lbs. rated, Hendrickson rear suspension, 16.5"x7" "S" cam brakes, automatic slack adjusters, 11R 24.5 traction type tires
- Upper Structure: Hydraulic system- 80 hp drive motor, 44 hp swing motor, automatic swing park brake, 50 gal oil reservoir, spin on hydraulic filters, swing speed 8 rpm, hydraulic remote control- travel and steering controls in upper structure cab, automatic brakes and axle lockouts, movement alarm, upper structure cab- isolated and acoustic lined, tinted safety glass, adjustable operators seat, heater, air condition, and defroster, work lights, wipers and washers, mirrors on left and right, skylight upper structure control-electronic joysticks on adjustable pedestals, engine monitoring lights or gauge with audible warning or automatic shutdown, pedals for steering and travel, low/high travel switch, electric horn, engine speed control bucket- quick attach type, 60" ditching bucket provided with machine, boom- telescopic boom, 180 degree boom rotation, 30' reach at round level from upper structure pivot to bucket cutting edge

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Vacuum Excavator - Trailer Mounted

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: 14,000 lbs. GVWR
- Engine: 36 hp diesel engine, water cooled, fully enclosed sound attenuated engine enclosure (including vacuum pump and high-pressure water pump), 15 gal fuel tank
- Vacuum Pump: 580 cfm at 15" of mercury, mounted inside engine enclosure, washable filtration cylinders, reverse pressure (to clear hose and offload liquids)
- High Pressure Water System: 400 psi at 4 gpm water pump, low water automatic shutdown, two 100 gal poly water tanks, 50' high pressure water hose on hose reel, 5' and 3' wand and control handle
- Controls: Lockable and waterproof, curbside located, oil pressure, water temperature, fuel and vacuum gauge, electronic throttle
- Tank: Full open rear door, door hydraulically opened, twin dump cylinders, 6" stainless steel portal shutoff, 800 gal debris tank capacity
- Boom: 4" pickup hose, hydraulically powered in/out and up/down, boom cradle, 360 degree movement, 2 dielectric 3" suction wands, 33' rubber suction hose
- Trailer: 7,000 lbs. dexter torsion axles, 14,000 lbs. GVWR, 10,000 lbs. jack stand, I beam construction, Pintle hitch, electric brakes with safety breakaway, LT235/85R16 tires, Stop/tail/turn lights

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Excavator: Wheeled Hydraulic Excavator - 42,000 lbs. Operating Weight

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight- 42,000 lbs.
- Engine: Turbocharged diesel engine 140 hp, spin on type filters, two stage air cleaner
- Travel System: Travel speed of 21 mph
- Hydraulic System: Standard auxiliary hydraulic valve, hydraulic system flow 99 gpm minimum
- Wheel Drive: Wheelbase 8' minimum, tire size 10:00x20, ground clearance 13" minimum, gradeability 61 percent
- Operating Station: Cab to be air conditioned, heated, and pressurized filtration system, intermittent windshield wipers, opening front windshield, vibration dampening cab mounts, adjustable suspension type operator seat with safety belt, tinted safety glass, engine monitoring system with audible alarms, work lights, stop/tail/turn and emergency flashers
- Stick, Boom, Bucket: Boom and stick combination to allow minimum reach at ground level of 30' minimum, bucket to be a general purpose bucket, appropriately sized for machine and included
- Swing System: Swing radius 7' approximate, swing speed 9.5 rpm minimum
- Miscellaneous: Fuel capacity of 77 gal minimum
- Blade/Outriggers: Front blade with 8' minimum, rear outriggers FLO

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Forklift: Cushion Tire - 4,000 lbs. Capacity

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 50 hp LP gas engine
- Transmission: Powershift type, inching pedal, 1 speed forward, 1 speed reverse
- Hydraulic System: 19.0 gpm at 2250 psi
- Chassis: Wheelbase- 46", tread width- 33" (with standard tires), ground clearance at lowest point- 3"
- Tire size: Front- 18.0 x 7 x 12 cushion tire, rear- 14.0 x 5 x 10 cushion tire, steering radius- 72"
- Brakes: Hydraulic service brakes, mechanical parking brake
- Lift: Two stage lift mast, Lift height minimum - 130", Lift capacity- 4,000 lbs., fork spacing- 7" to 32" minimum, tilt- 5 degrees forward, 10 degrees backward
- Miscellaneous: FOPS protection, work lights, seat belts

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Forklift: Rough Terrain Forklift - 5,000 lbs. Minimum Capacity

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Lift Capacity: 5,000 lbs. minimum capacity
- Lift Height: Minimum of 14'
- Weight: 12,800 lbs.
- Front Tire Track Width: 80"
- Turning Radius: 13'
- Engine: 70 hp diesel, 24 gal fuel tank
- Transmission: Fwd/rev shuttle shift, 4WD
- Tires: Front 16.9-24, rear 12-16.5 lug type tires
- Mast: 3 stage, side shift, fwd/backward tilt, load cushioning
- Operator Station: Adjustable seat, seat belt, FOP overhead guard, b/u alarm , ANSI safety compliant

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Forklift: Telescopic Tool Carrier/Telehandler

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Approximate Dimensions: Length- 196", width- 90", height w/cab- 93", wheelbase- 113", weight: 17,155 lbs.
- Engine: Diesel Tier 4 100 hp, Turbocharged, heavy duty cooling system
- Powertrain: Hydrostatic drive, 2 travel speeds low speed 3.0 mph, high speed 18 mph, all wheel drive, 3 steering modes- all wheel, crab, and front wheel, industrial lug type tires
- Comfort, Convenience And Safety: Certified ROPS cab with air conditioning and heat, suspension seat w/ seat belt, work lights, safety lights, and warning beacon, attachment controls in cab, engine gauge instrumentation
- Hydraulic System: Lift capacity 7,700 lbs., max lift 22', boom breakout force- 8,000 lbs.

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Generator: 60kW Stationary

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Generator Requirements: Standby duty rated equal to the kW rating of the item group bid, 60kW, 75 kVA, 0.8 power factor, 480 volts 3 phase, 60 Hz, 1,800 rpm, directly connected to the engine flywheel housing with flex coupling, generator shall meet performance class G3 of IEC, unit shall be in compliance with and be UL 2200 labeled
- Engine: Water cooled diesel engine, sized for generator set, emission compliant engine
- Controls: Solid state, microprocessor-based generator controls, controls shall provide all operating, monitoring and control functions for generator set
- Enclosure/Silencer: Complete diesel engine generator set including control panel, engine starting batteries shall be enclosed in a factory assembled water protective, sound attenuated enclosure, critical grade silencer, companion flanges, flexible stainless-steel exhaust
- Fuel Tank: Double wall sub-base tank integral to enclosure, 24-hour capacity at 100% at full load, rupture basin with 110% capacity, locking fuel caps, mechanical fuel level gauge, low fuel level alarm contact, fuel tank rupture alarm contact, must meet UL 142, must meet FDEP standards as applicable
- Battery Charger: Current limiting battery charger to automatically charge batteries, charger shall be dual charge rate with automatic switching to boost rate when required, charger shall be mounted on genset package
- Startup And Testing: Vendor must coordinate all startup and testing activities with the engineer and owner, after installation is completed by others and normal power is available, the vendor must perform a one (1) day startup including the use of building load, the startup technician will instruct all necessary personnel how to operate and maintain the equipment in accordance to the manufacturer's requirements
- Conditions: In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacture for this model and shall include but not be limited to the following necessary items- initial filling of oil and antifreeze (fuel provided by others), shrink wrap applied to the product to ensure a clean finish, during the startup, the technician shall record the following information and provide to the owner for his records- record Operating Voltage, Hz, Ph, and connected load (Amperage), package information consisting of make of generator, model, serial number of complete package, and startup date, record engine and generator serial numbers, one complete set of operation and maintenance manuals, two (2) year or 1500-hour standard standby generator warranty, labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Generator: 125kW Stationary

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Generator Requirements: Standby duty rated at 125.0 kW, 156.3 kVA, 8 power factor, 480 volts, 3 phase, 60 Hz, 1,800 rpm, directly connected to the engine flywheel housing with flex coupling, generator shall meet performance class G3 of IEC, unit shall be in compliance with and be UL 2200 labeled
- Engine: Water cooled diesel engine, sized for generator set, emission compliant engine
- Controls: Solid state, microprocessor-based generator controls, controls shall provide all operating, monitoring and control functions for generator set
- Enclosure/Silencer: Complete diesel engine generator set including control panel, engine starting batteries and fuel oil tank shall be enclosed in a factory assembled water protective, sound attenuated enclosure, critical grade silencer, companion flanges, flexible stainless-steel exhaust
- Fuel Tank: Double wall sub-base tank integral to enclosure, 24-hour capacity at 100% at full load, rupture basin with 110% capacity, locking fuel caps, mechanical fuel level gauge, low fuel level alarm contact, fuel tank rupture alarm contact, must meet UL 142 and FDEP standards
- Battery Charger: Current limiting battery charger to automatically charge batteries, charger shall be dual charge rate with automatic switching to boost rate when required, charger shall be mounted on genset package
- Startup And Testing: Vendor must coordinate all startup and testing activities with the engineer and owner, after installation is completed by others and normal power is available, the vendor must perform a one (1) day startup including the use of building load, the startup technician will instruct all necessary personnel how to operate and maintain the equipment in accordance to the manufacturer's requirements
- Conditions: In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacture for this model and shall include but not be limited to the following necessary items- initial filling of oil and antifreeze (fuel provided by others), shrink wrap applied to the product to ensure a clean finish, during the startup, the technician shall record the following information and provide to the owner for his records- record Operating Voltage, Hz, Ph, and connected load (Amperage), package information consisting of make of generator, model, serial number of complete package, and startup date, record engine and generator serial numbers, one complete set of operation and maintenance manuals, two (2) year or 1,500-hour standard standby generator warranty, labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Generator: 150kW Mobile

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Generator Requirements: Standby duty rated at 150 kWe, 187 kVA, 8 power factor, prime power duty rating 135 kWe, 168 kVA, 0.8 power factor, main breaker shall be equipped with shunt trip, generator end shall be direct coupled to the engine flywheel with a flexible coupling, generator shall meet performance class G3 of IEC, jacket water heater
- Engine: 6-cylinder, water cooled, 1,800 rpm, diesel engine, current emission compliant diesel engine, spin on fuel and oil filters
- Voltage Change Over Switch & Distribution: Manual 3-position voltage change over switch to select each voltage as specified when the unit is not running, 1 Ph 120/240, 3 Ph 120/240, 3 Ph 120/208, and 3 Ph 277/480, a five-point connection shall be provided for ease of connection of load leads, one 50 amp, 120/240 vac, 1 Ph, twist lock receptacle, one 30 amp, 120/240 vac, 1 Ph, RV type receptacle, two 20 amp, 120/240vac, 1 Ph, duplex receptacle, two 20 amp, 120/240 vac, 1Ph, duplex GFI receptacle, each receptacle shall be protected by a individual circuit breaker, a receptacle shall be provided to power both the jacket water heater and on-board battery charger, two thumb screw type connection points shall be provided for remote auto start.
- Controls: Solid state, microprocessor-based generator controls, controls shall provide all operating, monitoring and control functions for the generator set, controls shall provide for auto start/stop functions, a emergency stop push button will be installed, a voltage adjustment shall be provided in the panel to adjust voltage in all voltage positions, a switch shall be provided in the panel to turn all power off in the panel if not being used
- Enclosure: Complete diesel engine generator set including control panel, engine starting batteries and fuel tank shall be enclosed in a factory assembled weather protective, sound attenuated enclosure, the sound attenuated enclosure noise level is not to exceed 73-75 dba @ 21', oil and water drain lines shall be provided and extend to the enclosure wall with valves for easy service, critical grade silencer, companion flanges, flexible exhaust-flex, keyed alike lockable doors
- Startup & Commissioning: One (1) day startup including operational test of equipment showing proper connection of cables with safety issues performed by a factory trained technician, the startup technician will instruct personnel how to operate and maintain the equipment in accordance with the manufacturer's requirements
- Conditions: In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacturer for this model and shall include but not be limited to the following items- all product shall be new and of current design, initial filling of oil and antifreeze (diesel fuel by others), during startup, the technician shall record the

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

following information and provide to owner for his records- Operating Voltage, Hz, Ph, and connected load (Amperage) [if any], package information consisting of make of generator, model, serial number of complete package, and startup date, written information consisting of make, model, serial number, and startup date, record engine and generator serial numbers, one complete set of operation and maintenance manuals, two (2) year or 1500-hour standard mobile generator warranty will apply, generator to be transported to authorized servicing dealer for warranty repair during normal business hours

- Trailer: The trailer must have a VIN and a certificate of origin

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Generator: 500kW Mobile

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Generator Requirements: Standby duty rated at 500 kW, 625 kVA, 0.8 power factor, prime power duty rating 450 kW, 563 kVA, 0.8 power factor, main breaker shall be equipped with shunt trip, generator end shall be direct coupled to the engine flywheel with a flexible coupling, generator shall meet performance class G3 of IEC, jacket water heater with service valves to ensure coolant does not need to be drained if heater needs service
- Engine: 6-cylinder, water cooled, 1800 rpm, diesel engine, current emission compliant diesel engine, spin on fuel and oil filters, 120 vac, 1 Ph, 60 Hz input 10 amp, 24 vdc, output automatic battery charger, standard 4D lead acid batteries with battery rack and cables
- Voltage Change Over Switch And Distribution: Manual 2 position voltage change over switch to select each voltage as specified when the unit is not running 3 Ph 120/208, and 3 Ph 277/480, load leads shall be attached to the generator using two (2) forms and shall be rated for 2000 amps, generator will be equipped with both, five (5) compression lugs per phase rated for 400 amps each, 20 amp, 120 vac, 1 Ph, male receptacle shall be provided to power the jacket water heater, a 20 amp, 120 vac, 1 Ph, male receptacle shall be provided to power the battery charger, two thumb screw type connection points shall be provided for remote auto start
- Controls: Solid state, microprocessor-based generator controls, controls shall provide all operating, monitoring and control functions for the generator set, controls shall provide for auto start/stop functions, an emergency stop push button will be installed, a voltage adjustment shall be provided in the panel to adjust voltage in all voltage positions, a switch shall be provided in the panel to turn all power off in the panel if not being used, a front face mounted circuit breaker shall be provided to protect the panel from any D.C. spikes
- Enclosure: Complete diesel engine generator set including control panel, engine starting batteries and fuel tank shall be enclosed in a factory assembled weather protective, sound attenuated enclosure, the sound attenuated enclosure noise level is not to exceed 80 dba @ 21', enclosure shall be constructed from aluminum, preferably out of .125 thickness and 5,058 marine grade aluminum, oil and water drain lines shall be provided and extend to the enclosure wall with brass ball valves for easy service, critical grade silencer (25 db reduction), companion flanges, flexible exhaust-flex, keyed-alike lockable doors
- In Base Fuel Tank Trailer: Trailer shall be DOT approved with proper serial number data plate indicating weight capacity minimum of 20,000 lbs., trailer will have dual axles with torque springs to reduce overall height of package, standard 7 pin vehicle wiring connector to be supplied, trailer will have two rear level jacks with sand shoes and front leveling jack, trailer will have hydraulic brakes, trailer will have all necessary safety equipment to include, but not

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

be limited to, an adjustable and removable pintle hitch, 36" safety chains, fenders, lights per DOT, and break away cable, tires will be minimum load range type "D" (8 ply rating) with matching steel rims, rims are to be finish painted, minimum 8-hour capacity at 75% load rating to determine single wall tank size, a mechanical fuel gauge will be provided, locking fuel cap, low fuel level alarm, all necessary vents and caps will be provided along with suction, return, and drain points

- **Battery Charger:** Battery will be installed in holding container with battery cables, current limiting battery charger to automatically charge batteries, charger shall be dual charge rate with automatic switching to boost rate when required, charger mounted inside generator set package, fully charged battery will be provided at time of delivery and startup, 120-volt shore power connector for battery charger
- **Startup And Commissioning:** One (1) day startup including operational test of equipment showing proper connection of cables with safety issues performed by a factory trained technician, the startup technician will instruct personnel how to operate and maintain the equipment in accordance with the manufacturer's requirements
- **Conditions:** In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacturer for this model and shall include, but not be limited to, the following items- all product shall be new and of current design, initial filling of oil and antifreeze (diesel fuel by others), during startup, the technician shall record the following information and provide to owner for his records- Operating Voltage, Hz, Ph, and connected load (Amperage-if any), written Information consisting of make, model, serial number, and startup date, record engine and generator serial numbers, one complete set of operation and maintenance manuals, two (2) years or 1,000 hours standard mobile generator warranty will apply, whichever occurs first, generator to be transported to authorized servicing dealer for warranty repair during normal business hours
- **Trailer:** The trailer must have a VIN and a certificate of origin

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Generator: 500kW Stationary

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Generator Requirements: Standby duty rated at 500 kW, 625 kVA, 0.8 power factor, 480 volts, voltage options are- 120/240, 120/208 or 277/480 3 Ph, directly connected to the engine flywheel housing with a flex coupling, generator shall meet performance class G3 of IEC, unit shall be compliance with UL 2200 specifications
- Engine: 6-cylinder, water cooled, 1800rpm, diesel engine, emission compliant engine to stationary standby regulations.
- Controls: Solid state, microprocessor-based generator controls, controls shall provide all operating, monitoring and control functions for the generator set, control panel is NFPA110 compliant
- Enclosure/Silencer: Complete diesel engine generator set including control panel, engine starting batteries and fuel oil tank shall be enclosed in a factory assembled weather protective, sound attenuated enclosure with oil and water drain lines, enclosure shall be constructed from aluminum, preferably out of .125 thickness and 5,058 marine grade aluminum, critical grade silencer (25DB Reduction), companion flanges, flexible stainless-steel exhausts flex
- Fuel Tanks: Double wall sub-base diesel fuel tank shall be integral to the enclosure, 24-hour capacity at 75% load rating, rupture basin will be of 110% capacity, locking fuel caps, all necessary vents and caps will be provided, mechanical fuel level gauge, low fuel level alarm contact, fuel tank rupture basin alarm contact, must meet UL 142 and FDEP standards
- Battery Charger: Current limiting battery charger to automatically charge batteries, charger shall be dual charge rate with automatic switching to boost rate when required, charger shall be mounted on genset package.
- Startup And Commissioning: Vendor must coordinate all startup and testing activities with the engineer and owner, after installation has been completed, approved by the local electrical inspector, and normal power is available, the vendor will perform a one (1) day startup including the use of building load, the startup technician will instruct all necessary personnel how to operate and maintain the equipment in accordance to the manufacturer's requirements
- Conditions: In addition to equipment specified, each generator shall be equipped with all standard equipment as specified by the manufacture for this model and shall include but not be limited to the following necessary items- initial filling of oil and antifreeze, shrink wrap applied to the product to ensure a clean finish, during the startup, the technician shall record the following information and provide to the owner for his records- record operating voltage, Hz, Ph, and connected load (Amperage), package information consisting of make, model, serial number, and startup date, record engine and generator serial numbers, one complete set of

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

operation and maintenance manuals, two (2) years or 1,500 hours standard standby generator warranty, whichever occurs first, labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Horizontal Directional Drill

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Width: 89"
- Height: 76"
- Weight: 20,700 lbs.
- Length: 20'
- Engine: 125 hp, liquid cooled diesel, meeting current emission level, 44 gal fuel capacity
- Operational: Thrust/pullback 28,000 lbs., carriage speed 240 fpm, spindle torque 4200' lbs., rotational speed 270 rpm, bore diameter 4", ground speed 3.0 mph, drill rack angle 14-21 degrees
- Controls: Touchscreen guidance display
- Drill System: Hydraulic vise, stakedown system , strike alert, remote lockout, work lights
- Drill Pipe: Rod diameter- 2.38", length- 10', weight- 73 lbs., bend radius- 108'
- Color: Manufacturers standard color
- Fluid System: Mixing

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Leaf Collector: Trailer Mounted

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Motor: 74 hp diesel engine, liquid cooled, current level emission compliant, 50 gal fuel capacity
- Fan: 27" fan, direct drive
- Pickup Hose: 16" diameter, 3 function hydraulically controlled arm, safety interlock
- Collection Body: 30 cubic yd. capacity w/ tailgate, scissor hoist, hydraulic dump
- Ride On Operator Station: All machine controls to be located at operator station, seat belt, emergency shutdown
- Dust Control: Dust control system, pump, 3 nozzles, 90 gal water tank
- Trailer: Frame, axles, tires, electric brakes will be sized for GVWR of unit, DOT compliant marking and lighting, pintle hitch, yellow flashers, tongue jack
- Color: Manufacturers standard color

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Lift: Scissor Lift - Self Propelled

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions (approximate): 64" x 29" platform, 36" extension deck, 25' working height (raised), 18' platform height (raised), lift capacity 500 lbs.
- Power: 24 volt, 4-6 volt batteries, on board charging system, dual front wheel drive
- Brakes: 2 or 4 wheel brakes
- Platform: Fixed rails, 36" extension deck, AC power to platform, lanyard attachment points
- Safety: Manual platform lowering, emergency stop on platform and ground control, descent alarm, hour meter, horn, pothole guards, on board diagnostic system, tilt lever sensor with alarm, scissor maintenance prop

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Light Tower: Hybrid Light Tower

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions (approximate): length- 174", width- solar panels retracted 69", height- 72", mast deployed height- 30', weight- 1,850 lbs.
- Generator: Perkins 403.F.11-10 kW Tier 4, 2 20A/120 v receptacles, electric start 12-30 gal fuel tank, auto mode- automatic start for low battery hybrid systems automatically switches between solar battery, generator, or standard household current
- Trailer: Axle 2000 lbs., 13in" wheels, hitch 3 position adjustable ball, stabilizers- 2 extendable outriggers, 1 trailer jack, top mounted fork pockets and single lifting eye, powder coated DOT rated trailer with lights, trailer weight- 1,850 lbs.
- Mast: 30' extendable mast in 3 stages wind stability to 40 mph rotates 90 degrees
- Lights: 4 quick connect 320 watt each, LED lights, dimmer control, instant on/off, 365 day programmable timer for lights, on/off, lens patten spread of 150 degrees, meets DOT anti-glare regulations
- Solar Panels: 5 100 watt panels, operating temperature- 40c to 46c 7
- Batteries: 4 deep cycle batteries, optional lithium cells, 12 volt, 220 amp hours

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Light Tower: Light Tower - Trailer Mounted

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions (Approximate): Length- 170", width- 51", height- 74", mast deployed height- 30', weight- 1,610 lbs.
- Engine: 3-cylinder diesel engine, 12 hp at 1800 rpm, engine protection shutdown system
- Generator: Wattage output 7,000 watt max, 6000 watt continuous, brushless type, 120/240 volts at 60 hz +/- 6% regulated, amps at 120/240v 50/25, insulation class
- FUEL TANK: 30 gal capacity, run time (approx.) 64 hours
- Trailer: Axle 1,800 lbs., 13" tire size, hitch 2" ball, leaf spring suspension, tongue jack, 4 outrigger jacks
- Control Panel: Individual breakers for lights, hour meter, cabinet lights, external receptacles- 1-30 amp 120/240 volt, twist lock, 1 GFCI, 15 amp 120 volt
- Mast: 32' extendable mast, 4 each metal halide light heads, 440,000 lumens, 360-degree mast rotation, fold down for transport, winch for mast extension

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Loader: Loader Backhoe - 4x4

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 87 hp diesel engine, dry type, radial seal air cleaner and pre-cleaner unit, spin on type engine oil filter
- Transmission: 4-speed power shift or power shuttle transmission
- Operator Environment: OSHA approved ROPS canopy shall be integral, two front and two rear work and driving lights Stop and turn signals with flashing hazard lamps Instrument panel with a complete set of gauges or an electronic monitoring device Standard horn and audible back-up alarm
- Brakes: Brakes shall be oil immersed, hydraulically actuated, multiple disc on final drive input shaft Brakes shall be completely enclosed and sealed, fully self-adjusting
- Loader (Single Tilt Cylinder): Loader shall be equipped with a return to dig mechanism, loader shall have positive down pressure sufficient to lift the tractor front end off level ground, loader bucket SAE heaped capacity of minimum 1.3 yd. with replaceable bolt on edge
- Backhoe: Fixed length dipper stick digging depth approximately 14', reach from swing center, approximately 18', dump height, approximately 11' 3", digging force approximately 8,000 lbs., bucket dig force, approximately 11,990 lbs., 24" general purpose bucket with replaceable teeth

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Loader: Skid Steer - 1,850 lbs. Operating Capacity - Wheeled Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 3-cylinder 56 hp diesel
- Transmission: Hydrostatic drive forward, reverse, travel speed controlled by two hand levers
- Engine Equipment: Spin on type filters, dry type air filter
- Operator Environment: OSHA approved ROPS canopy shall be integral, front and rear work lights, hazard lights, engine monitoring system or gauges, with audible alarm, tires 10x16.5 extra walls, horn and backup alarm
- Brakes: Parking brake, hydrostatic main braking
- Loader: Front auxiliary hydraulics, foot or hand controls for bucket, minimum 62" wide construction bucket, operating capacity 1,800 lbs. minimum

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Loader: Skid Steer - 2,800 lbs. Operating Capacity - Wheeled Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 3-cylinder 83 hp diesel
- Transmission: Hydrostatic drive forward, reverse, travel speed controlled by two hand levers
- Engine Equipment: Spin on type filters, dry type air filters
- Operator Environment: OSHA approved ROPS canopy shall be integral, front and rear work lights, hazard lights, engine monitoring system or gauges, with audible alarm, horn and backup alarm, tires 14x17.5 extra wall
- Brakes: Parking brake, hydrostatic braking
- Loader: Front auxiliary hydraulics, foot or hand controls for bucket, minimum 84" wide construction bucket

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Loader: Skid Steer - 3,100 lbs. Operating Capacity - Tracked Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Minimum 3-cylinder 74 hp diesel, spin on type filters, dry type air filters
- Transmission: Hydrostatic drive, forward, reverse, travel speed controlled by two hand levers
- Operator Environment: OSHA approved ROPS canopy shall be integral, front and rear work lights, hazard lights, engine monitoring system or gauges, with audible alarm, horn and backup alarm
- Brakes: Parking brake, hydrostatic braking
- Bucket: Minimum 66" construction bucket, bolt on, replaceable cutting edge for bucket, operating capacity 3,100 lbs. minimum

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Loader: Wheel Loader - 1.5 cubic yd.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine/Cab: 6-cylinder diesel engine, liquid cooled, minimum 77 hp, ROPS cab with air conditioning and heat
- Transmission: Power shift transmission with torque converter or hydrostatic drive, minimum of 4 forward and 3 reverse speeds
- Drivetrain: Four wheel drive, 15.5-25 bias ply tires mounted on multi piece rims
- Loader: 1.5 cubic yd. general purpose bucket with bolt on cutting edge, bucket position indicator, automatic return to dig, rear drawbar, gauges and indicators- visual hydraulic oil level indicator, electronic monitor display of all fluid levels and temperatures, deluxe suspension seat with foam padding and backrest, articulated steering, clearance circle 34' .02", wheelbase of at least 7', minimum operating weight of 12,727 lbs.
- Electrical: Manual battery disconnect switch, driving lights, front and rear work lights, stop lights, warning lights and taillights

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Loader: Wheel Loader - 3.0 cubic yd.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine/Cab: 6-cylinder diesel engine, liquid cooled, minimum 140 hp, ROPS cab with air conditioning and heat
- Transmission: Power shift transmission with torque converter or hydrostatic drive, minimum of 4 forward and 3 reverse speeds
- Drivetrain: Four wheel drive, 20.5-25 radial tires mounted on multi piece rims
- Loader: 3.0 cubic yd. general purpose bucket with bolt on cutting edge, bucket position indicator, automatic return to dig, rear drawbar, gauges and indicators- visual hydraulic oil level indicator, electronic monitor display of all fluid levels and temperatures; deluxe suspension seat with foam padding and backrest, articulated steering, 40 degrees minimum each direction, wheelbase of at 9' 4" minimum, minimum operating weight of 26,000 lbs.
- Electrical: Manual battery disconnect switch, driving lights, front and rear work lights, stop lights, warning lights and taillights

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Loader: Wheel Loader - 5.75 cubic yd.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine/Cab: 6-cylinder diesel engine, liquid cooled, minimum 280 hp, ROPS Cab with air conditioning and heat
- Transmission: Power shift transmission with torque converter or hydrostatic drive, minimum of 4 forward and 3 reverse speeds
- Drivetrain: Four wheel drive, manufacturer's standard axle, 26.5-R25 radial tires mounted on multi piece rims
- Loader: 5.75 cubic yd. general purpose bucket with bolt on cutting edge, bucket position indicator, automatic return to dig, rear drawbar, gauges and indicators- visual hydraulic oil level indicator, electronic monitor display of all fluid levels and temperatures, deluxe suspension seat with foam padding and backrest, articulated steering, 40 degrees minimum each direction, wheelbase of 11' 4" minimum, minimum operating weight of 53,674 lbs.
- Electrical: Manual battery disconnect switch, driving lights, front and rear work lights, stop lights, warning lights and tail lights

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Low Speed Vehicle: Electric Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Classification: These vehicles are primarily used to transport people and limited cargo in the State of Florida on typical federal, state, county and city highways and roads that are posted for 35 mph or less and shall be designed to operate under typical environmental conditions, vehicles must conform to Federal Motor Vehicle Safety Standards, State of Florida Vehicle Safety Laws, regulations, specifications, standards, and requirements in effect as of the date of manufacture
- Engine: 5.5 hp 4 kW electric motor, 48 volt lead acid batteries (8 batteries x 6v), 110v eagle on board charger, 50 miles per charge, max forward speed 25mph, digital speedometer and dashboard
- Dimensions (approximate): Length- 96", height- 76", width- 48", wheel base- 66.9", ground clearance- 5", body- plastic body and fiberglass roof, DOT windshield with wiper
- Comfort Items: 4 person seating with flip rear seat for cargo
- Chassis/Steering/Suspension: 10' turning radius, steel frame type chassis, 500lbs. GVW capacity
- Tires And Wheels: 205/50-10 tires, 10" aluminum rims
- Brakes: 4 wheel hydraulic, hand brake
- Safety Items: 100% Electric with zero emissions, 12v headlights and indicators, voltmeter, turn signals, side and rear-view mirrors, reverse alarm, non-slip flooring, neutral switch when vehicle is standing still, horn

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Motor Grader: Large

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Liquid cooled 6-cylinder diesel with minimum of 140 net hp @ 1900 rpm
- Transmission: Power shift with direct drive, minimum 8 forward and 4 reverse speeds Brakes: Wet multiple disc
- Steering & Articulation: Front steer plus articulated, minimum articulation 20 degrees
- Moldboard: Minimum 12' long
- Operator Environment: Low profile cab, cloth adjustable seats, gauges including hour meter, fuel, articulation, engine coolant temperature
- Tires: Minimum 13.0-24 10 PR 9" single piece rim

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Motor Grader: Small

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions (approximate): Length- 21', width- 7', height with cab- 10' 4", weight- 15,200 lbs.
- Engine: Diesel, turbocharged 110 hp, 39 gal fuel tank
- Drive Train: Hydrostatic drive or power shift, 2-speed gear box
- Brakes: Fail safe brake system
- Steering/Articulation: 18 degree articulation left or right, front wheel lean
- Moldboard/Blade: 10' sliding/tilting moldboard, 10' blade, circle side shift, scarifier- center mount, front mount or rear mount acceptable, adjustable turn table, blade float control
- Operators Station: Enclosed cab, front and rear windshield wipers, suspension seat, air conditioned and heated cab, gauge package work lights

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Mower: 15ft. Flex Wing Rotary Mower

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Deck: Mower shall be rotary, flex wing style, 10 gauge steel minimum, replaceable full-length skid shoes, shall be easy clean style
- Blade Carrier & Blades: 7 gauge steel minimum, 1" thick cross bar weldment, "Stump Jumper" pan design, 2 free swinging updraft cutting blades ½" thick, heat treated alloy steel minimum, blades shall overlap a minimum of 6" for uniform cut, blade spindles shall be 1 ¼" diameter minimum
- Wheels/Tires: 6 replaceable puncture resistant foam filled airplane tailwheels
- Power Distribution: Main driveline shall be CAT 5, slip clutch protection shall be featured, gears shall be straight bevel with tapered roller bearings, a power divider shall have a rating of 190 hp minimum, center and wing gearboxes shall have a minimum rating of 190 hp
- General Features: Mower shall attach to the rear of the tractor using a self-level-lift hitch, front and rear chain deflectors, tongue shall have a jack stand

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Mower: Remote Controlled Brush Mower

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Approximate Dimensions: Length- 57", width- 59", height- 33", weight- 990 lbs.
- Engine: 24 hp 2-cylinder gas, pressurized oiling system, electric start w/ 16v, 16 a alternator 5 gal fuel capacity
- Track Drive System: Two 48v electric motors, infinitely variable gear reduction transmissions, multi lug type tracks, neoprene rollers
- Mower Deck: Twin spindle deck, 10 gage mower deck, blade bar 2x22" with 4 free swinging blades, electric clutch assembly w/ integral safety brake, mowing height range- 2 to 7"
- Remote Control: Remote control to control mower functions- travel speed, cutting height, hours, radio signal strengt state of charge of remote control battery, and mower on/off, remote control working range 328', max range 984', auto stop feature for loss of radio signal, rechargeable lithium ion batteries
- Safety: One touch emergency shut off switch

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Mower: Electric Zero Turn Radius Mower

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Electric Power: 36 hp gas equivalent, electric power
- Battery: 22 kWh battery w/ charger, 7 hours of mowing time
- Deck: 60" deck, 1.5-5.5" height adjustment, side discharge
- Wheels: 24x12 drive wheels, solid deck wheels
- Operator Station: Suspension seat, all controls, ROPS bar
- Mowing Speed: 11mph (approximate)

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Mower: Zero Turn Radius Mower

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 25 hp gas engine, positive feed oil system with spin on filter, electric start
- Drive Train/Axles: Spin on hydraulic filters
- Deck: 60" heavy duty mower deck, 3 blade spindles, manual deck lift, 1" to 5" cutting height, deck engagement electric clutch
- Wheels: Front wheels- 13x6-6 ribbed, minimum, Rear wheels- 24x11.5-12 turf
- Comfort & Convenience: High back full suspension seat, ROPS bar
- Approximate Machine Dimensions: Length- 82", height- 72" with ROPS, width- 63" without chute

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Pallet Jack: Electric 4,500 lbs. Capacity

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: 900 lbs.
- Wheelbase: 51"
- Turning Radius: 58"
- Lift Capacity: 4,500 lbs.
- Travel Speed: 3.7 mph
- Turning Radius: 59"
- Gradeability: 8% (loaded)
- Drive: 1.3 kW drive AC motor, polyurethane drive wheels, electric brake, lift motor 1.2 kW
- Battery System: 150 Ah battery, integrated on board charger
- Controls: Tiller type control, multi-function control on tiller handle

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Pipe Inspection: Battery Operated Pipe Crawler Inspection System

Note: Due to the complexity of this type of equipment, it is suggested that the purchaser contact the vendor to ensure the item ordered is a complete, ready to work unit and is compatible with the end user's software/hardware requirements and performance expectations.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Width: 6"
- Height: 5.5"
- Length: 28"
- Weight: 65 lbs.
- Depth Rating: 160'
- Pipe Range: 8" to 12"
- Speed: 12m/min maximum
- Pull Force: 130 lbs.
- Sensors: Incline, roll, leak, pan/tilt, distance
- Tether Reel: Motorized reel, 1,000' tether capacity, 1,600 lbs. break strength
- Battery Power: 19.2 VDC, 5 hour battery life, capable of optional hybrid power
- Lighting: 900 LM
- Controller: Weatherproof, splashproof, joystick type controls, battery powered
- Camera: 360 degree pan, 1080p/2mp resolution, tilt 280 degrees, zoom 10x optical 120x digital, focus auto or manual, exposure auto or manual

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Pump: Mobile Pump

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Design Requirements: Discharge size- 6", suction size- 6", capable of 1,750 gpm minimum, capable of 160' Total Dynamic Head (TDH) minimum, Duty Point, maximum- 1,000 gpm minimum at 120' Total Dynamic Head (TDH), solids handling capability size, minimum size- 3"
- Engine: Diesel engine, appropriate to pump size at continuous duty, emission compliant engine, industrial grade exhaust muffler and rain cap, oil and coolant drain lines with ball valves, low water level shutdown switch, 12 VDC system with battery rack and cables, 50 gal minimum fuel tank with low fuel level alarm and shutdown
- Pump: Check valve, self-priming system
- Controls: Solid state, microprocessor-based pump controls, controls shall provide all operating, monitoring and control functions for the pump set, controller will also provide 2 fully programmable contacts for input and output signals accordingly, controller will provide remote start stop control with adjustable ramp (speed) time control, UL 508 R and CSA C22.2 No. 14 approved
- Trailer: The manufacturer shall mount the diesel engine and pump unit with the above 50 gal subbase tank on a street legal DOT approved trailer, this trailer will be able to be rated for a safe travel at speeds of 60 mph and not be limited to the following specifications- trailer design shall be such that the county/city may easily remove the entire engine, fuel tank and pump from the trailer, 12 VDC electric system, lunette or military type towing ring with safety chains, single point lifting bar, license plate bracket, sand shoe type support stands front and rear, torque spring axles to meet load of trailer, the trailer must have a VIN and a certificate of origin
- Startup And Commissionsing: Vendor must coordinate all startup and testing activities with the engineer/owner, after field delivery of the pump and trailer, an authorized factory representative shall perform the initial startup and field testing of the pump and trailer, if conditions permit, a site will be determined where connection will be made by the county/city to test the pump package, if a site cannot be prepared a standard operational test will be performed, at the same time the startup test is performed, the factory representative will provide all necessary operation, field maintenance and minor repair training as necessary, this will also include safety procedures and hazard assessment

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Roadway Advisory Board: Mobile Message Board

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Display Panel: Minimum panel size 72"x48"
- Expected Power: Solar and battery with battery charger, meets manufacturer requirements
- Trailer: 2" minimum ball coupler, meets manufacturer and highway safety requirements

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Roadway Advisory Board: Mobile Speed Board

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Display Panel: Amber or red LED, 12" minimum speed limit sign
- Radar Speed Unit: Miles per hour, directional radar
- Data Collection: Data and analysis software included
- Expected Power: Solar and battery with battery charger, meets manufacturer requirements
- Trailer: 2" minimum ball coupler, meets manufacturer and highway safety requirements

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Roadway Advisory Board: Mobile Speed Board/Automatic Licence Plate Reader

Note: Due to the complexity of this type of equipment, purchaser should research and verify the unit bid will meet their desired performance expectations and is compatible with their hardware/software requirements. It is recommended the vendor be contacted to assist with determining these factors prior to purchase.

Unit bid will be ready to work with batteries, carrying cases, technical manuals, etc.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Power System: 3 AGM type batteries, integral 120v charger, 5 to 7 day runtime, solar panel
- License Plate Reader: 2 cameras, tablet processor, software, automated hotlist alerting, plate search and vehicle filtering
- Digital Speed Display: 12" digital display, configurable, flashing excessive speed message capability
- Radar: Radar included
- Posted Speed Limit Sign: Metal sign included
- Connectivity: Cellular connectivity
- Trailer: DOT approved trailer, all weather protection, maximum vandal protection

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Roadway Advisory Board: Mobile Traffic Advisory/Directional Signal Board

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Display: 15 lamps minimum, 48"x96" panel size
- Expected Power: Solar and battery with battery charger, meets manufacturer requirements
- Trailer: 2" minimum ball coupler, meets manufacturer and highway safety requirements

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Roller: Compaction Roller 30,000 lbs. - Single Drum

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight with open rops 15,200 lbs.
- Drum/Vibratory System: Maximum compaction shall not be less than 30,000 lbs., drum shall have a compaction width of not less than 66", drum shall be smooth and not be less than 48" in diameter, vibratory system shall be hydraulically driven and have two amplitude settings, drum shall be equipped with an adjustable cleaning device, drum and vibratory pack shall be isolated from the machine during normal operation
- Engine/Cab: Turbocharged diesel engine, minimum 74 hp operator station shall be mounted to the frame with rubber mounts to further isolate the operation and controls from machine vibration during operation, gauges or warning indicators for fuel level, engine oil, hydraulic oil and coolant temperature with an alert sounding device activated whenever a warning indicator is illuminated, a backup alarm shall emit an audible alarm whenever the propel lever is moved into reverse
- Travel System: A machine must be hydrostatic driven for the rear axle and the drum drive motor
- Electrical System: 12 or 24 volt electric system, maintenance free battery supplying 750 cold cranking amps, wiring harness protected with nylon-braided wrap

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Roller: Large 22,000 lbs. - Double Drum Roller - 70in. Width

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight 22,000 lbs.
- Drum/Vibratory System: Drum compaction width on both drums no less than 70", drum shall be smooth and not less than 48" in diameter, vibratory system shall be hydraulically driven, drum shall be equipped with scrapers both front and rear of both drums, drum shall be hydraulically driven and have two (2) amplitude settings
- Engine: Diesel engine of not less than 100 hp, reverse alarm for reverse operations
- Travel System: The machine shall be hydrostatically driven, steering shall be center articulated and oscillated
- Miscellaneous: Unit shall be equipped with pressurized water for both drums, electrical system shall be 12 or 24 volt

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Roller: Small 5,400 lbs. - Double Drum Roller - 47in. Width

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight 5,423 lbs.
- Drum/Vibratory System: Drum compactor width on both drums no less than 47", drum shall be smooth and not less than 27.5" in diameter, vibratory system shall be hydraulically driven, drum shall be equipped with scrapers both front and rear of both drums, drum shall be hydraulically driven and have two amplitude settings
- Engine: Diesel engine of not less than 25 hp, reverse alarm for reverse operations
- Travel System: The machine shall be hydrostatically driven, steering shall be centered articulated and oscillated
- Miscellaneous: Unit shall be equipped with a pressurized water system for both drums, electrical system shall be 12 or 24 Volt

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Sewer Cleaner: Combination Sewer Cleaning/Vacuum Machine Body - 10 cubic yd.

Note: Incomplete unit. This is a bid award on a combination sewer cleaning/vacuum unit to be mounted on an appropriately sized cab & chassis truck. Agencies purchasing this unit will need to provide a cab & chassis truck of appropriate size, GVW, and options necessary to have the selected combination sewer cleaner/vacuuming unit mounted on or have the truck provider assist in ordering the correctly outfitted truck. All items factory installed unless otherwise noted.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Air/Vacuum System: Positive displacement vacuum pump or centrifugal compressor, 3,500 CFM @ 14.5" of mercury minimum, muffler, vacuum relief valves, centrifugal separator with clean out, PTO or hydrostatic drive
- Debris Tank: 10 cubic yd. capacity, 45 degree hydraulic dump, top hinged, hydraulic door locks, sight glass or indicator, drain valve with hose, check ball system or vacuum breaker
- Boom Assembly: 270 degree boom working area, hydraulic up/down, clean out port, transport cradle, 8" boom hose, pendant control
- Water Pump: 2,500 psi, 80 gpm, pressure relief valve, wash down gun with relief valve
- Water Tank: 1,000 gal capacity, curb side fill, level indicators
- Hose Reel: 800' of 1" hose capacity, 400' of 1", 2,500 psi hose supplied, power in/out, reel speed control system, position lock system, engine and hose reel controls, level wind
- Drive System: Hydrostatic transfer case, split PTO, or auxiliary engine or transfer case

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Sewer Cleaner: Trailer Mounted Sewer Cleaner

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 60 hp diesel engine, water cooled, engine enclosure, 15 gal fuel tank
- High Pressure Water Pump: 4,000 psi at 18 gpm, pressure relief valve, triplex type pump, low water shutdown, multi-flow type system (pressure change without changes to engine rpm)
- Controls: Located next to hose reel, ignition, throttle, gauge package (tachometer, hour meter, oil pressure, volts, and low oil/high temp shutdown), water control valve
- Water Tank: 700 gal capacity, high density polyethylene with baffles, sight gauge 2 ½" overhead tank fill, anti siphon, air gap type, strainer, tank drain
- Hose Reel: 800' capacity of ½" high pressure sewer hose, hydraulic power in and out
- Hose Reel Drive Hydraulic System: Hydraulic pump 8 gpm, 15 gal hydraulic reservoir, spin on type hydraulic filter
- Trailer: 12,000 lbs. GVW, 6"x3/16" frame, tandem axle 2 5/16" hitch, tongue jack, 235/80 r 16" tires, fenders, breakaway switch, lighting as required by Federal and State laws, reflective striping, toolbox with locking system, LED directional arrowstick, warning beacon (tank mounted)
- Equipment Furnished: 500' of ½" high pressure sewer hose, 100' of ¼" hose and nozzle for small pipe, washdown gun and 25' of hose with quick disconnects, tiger tail hose protector, nozzles to be furnished, 15 degree, 35 degree, chisel point, grenade flushing type, skid assembly, and rotator nozzle

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Shop Tools & Equipment

Due to the complexity of this type of equipment, there are no base unit specifications. Purchaser should research and verify the model offered will meet their desired performance expectations. It is recommended the vendor be contacted to assist with determining needs, prior to purchase.

Units bid must be ready to work, with all necessary components and user manuals.

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Shredder: Mobile Shredder

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Approximate Dimensions: Weight- 27,000 kg, length-15 740mm, width- 2 520mm, material feeding height- 3 395mm, belt discharge height- 4 030mm
- Engine: Diesel, 540 hp @ 2100 rpm, Turbocharged w/ intercooler, 750 li fuel tank
- Powertrain: Hydro-static drive w/ auto speed control, variable displacement drive motors, axial piston pumps, variable displacement
- Rotor: Rotor diameter 920mm, rotor 30 max rpm, rotor shredding length 3,000 mm, rotor knives 33, reversible type, counter knives 23, adjustable rotor screen
- Controls: Gauge package, w/ engine protection shutdown, shredder control unit to protect from overloading, overheating and damage of the powertrain
- Conveyor: Hydraulic driven conveyor, raised and lowered by hydraulics
- Trailer: Trailer to be constructed and sized for the installed unit, and will meet all local, state, and federal laws for use on highway, hydraulic support legs

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Solid Waste Material Handler: Wheeled Type

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Tier IV final diesel engine, 132 hp, spin on filters, two stage air cleaner
- Weight: Minimum operating weight 48,000 lbs.
- Travel System: 2 speeds- 0-3.0 mph/0-12.0 mph
- Hydraulic System: Main hydraulic system flow 80 gpm
- Undercarriage: Two axles with all wheel drive, 8- 10:00x20 solid tires
- Operating Station: Cab to be climate controlled with pressurized filtration, hydraulic elevating cab, sliding door window and tilt out front window, tinted windows with safety glass, adjustable suspension seat with safety belt and seat heater, catwalk with handrail, fire extinguisher, rear view and right view camera system, halogen work lights on roof cap
- Working Equipment: Purpose built material handling boom and stick, safety check valves on boom and stick cylinders

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Stump Cutter

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 35 hp gasoline engine, 6 gal fuel tank, positive feed oil system with spin on filter, heavy duty air filter, 12 volt starting/charging system
- Ground Drive: Hydraulic ground drive, 2-speed travel, hydraulic brake system, hydraulic steering system, hydraulic system spin on filter, 4 gal hydraulic reservoir
- Cutter Drive: Electric drive clutch, adjustable V belt drive
- Cutter Wheel: 17" diameter, 16 dual cutting edge teeth, teeth pocket mounted, cutter wheel guard
- Controls: Hour meter, low-oil shutdown, boom swing left and right, boom up and down, travel forward and reverse, steering, operator presence shutdown
- Approximate Dimensions: Weight- 1,320 lbs., length- 110", width- 49", height- 53"
- Cutting Dimensions: Above ground- 24", below ground- 15"

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Sweeper: 3-Wheel Mechanical or Regenerative Air Sweeper

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 4-cylinder diesel engine, 74 hp minimum, 120 amp alternator, fuel water separator, 30 gal fuel tank capacity
- Transmission: Hydrostatic drive type, 35 gal reservoir, capable of 20 mph minimum
- Cab: Sealed type cab with filtered intake, tilt and telescoping steering column, tinted glass, sound suppressed, intermittent windshield wipers with washer, full gauge and warning lights for engine monitoring, climate controlled cab, heater, defroster and air conditioned, if cab is not center mounted, it must have dual controls for operating on either right or left hand side
- Frame: 116" wheelbase, rail type channel frame
- Safety Items: Dual west coast mirrors with spot mirrors, headlights, turn, brake and hazard lights, worklights for gutter brooms, cab mounted warning strobe light with protective cage, backup alarm, rearview backup camera
- Brakes/Steering: Hydraulic power assisted service brakes, parking brake, turning radius 15' maximum
- Debris Hopper: 3.5 yd. capacity minimum, 9' 6" minimum dump height
- Conveyor: Rubber belt type with flights, hydraulic drive
- Main Broom: 32" diameter minimum, 56" width tube type, hydraulic drive
- Gutter Brooms: Right & left side brooms to have adjustable down pressure located in cab, 36" diameter minimum, segmented type broom, hydraulic drive
- Water Spray System: 220 gal water tank, run dry type water pump, 15' hydrant fill hose, water spray jets adjacent to all brooms, water filter
- Pick Up Head: The following requirements are for the regenerative air system type sweeper, all other requirements are the same for either machine, 72" outside dimension, 12" pressure hose, 12" suction hose, spring type suspension
- Blower: The following requirements are for the regenerative air system type sweeper, all other requirements are the same for either machine, direct hydraulic drive, cast aluminum with abrasion resistant coating, blower housing rubber lined

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Sweeper: Cabover Mechanical Broom Street Sweeper

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Cab Chassis: Engine- 6-cylinder diesel, 200 hp minimum, transmission- automatic transmission to meet the correct engine size and GVW of vehicle, hydrostatic drive is acceptable, engine equipment- alternator- 12V/130 amp, fuel water separator, 50 gal fuel tank, cab- dual operating position type cab to include- steering, controls, etc. for sweeping from either side, rubber floor mats, air ride seating, pressurized cab with heat and air conditioning, instrumentation for truck- oil pressure, water temperatures, voltmeter gauges, instrumentation for sweeper- tachometer, hour meter, oil pressure, coolant temperature gauges, frame- rail type 80,000 psi, size- 10.9" x 3.5" x .34", frame overhang, wheelbase 130" minimum, front steel bumper, safety- Dual West Coast bright finish heated mirrors with LH & RH remote, intermittent windshield wipers, daytime running lights, backup alarm, auto shutdown, axles- front axle- 11,900 lbs. GVW, rear axle- 21,000 lbs. GVW, single speed rear axle, 22.5 x 8.25 steel wheels- disc type, 11R x 22.5 14-ply radial tires, brakes- antilock brakes, front air brakes- 15 x 4 drum, rear air brakes 16.5 x 7 drum, automatic slack adjusters- front and rear, air dryer- frame mounted
- Mounted Sweeper Body (Standard Equipment): Engine- 4 cylinder diesel, 47 hp, governed at 2,800 rpm, spin-on oil filter, alternator- 12V/60 amp, side brooms- right & left side gutter brooms (tilt control in cab), hydraulically raised & lowered, 42" diameter- segment type adjustable down pressure (Manual)- optional down pressure pump, main broom: length- 58" minimum, diameter- 35" minimum, hydraulic motor- direct or chain drive and reversible, full floating trailing arms w/shocks, lift control inside cab, sweeper body- overall height- 10' with strobe, lift capacity- 11,000 lbs. minimum, 4.5 cubic yd. hopper, dump height- 10' minimum. lift design- hydraulic 2-stage scissors, hopper inspection door, work lights- 1 on each gutter broom and one in rear, hydraulic system- hydraulic pump capacity minimum- 24 gpm @ 2,600 rpm, pump- dual tandem gear, reservoir - 21 gal, spin-on 10 micron hydraulic pump, externally mounted reservoir level indicator, water spray system- water tank construction- polyethylene and removable, water tank capacity- 280 gal minimum, fill hose 2 ½" x 16' with NST coupler, diaphragm pump type with run dry capability, pump capacity- 3.0 gpm minimum, minimum of 9 spray nozzles- 2 min per gutter broom, 3 min for main broom, water filter- 80 micron mesh cleanable, conveyor/elevator system- minimum of 9 flights- replaceable, belt material- rubber reinforced fabric, belt speed- variable with auxiliary engine rpm, drive- reversible with direct drive, elevator jam warning light & buzzer in cab, conveyor flush- built in

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Sweeper: Compact Air Sweeper - 2.3 cubic yd.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Operating Weight: 8,800 lbs. GVWR, empty weight- 5,900 lbs.
- Engine/Transmission: 78 hp, hydrostatic drive
- Brakes/Tires: Drum type brakes (power assist), front tire size 6.50 R10, Radial, rear tire size 225/75 R10 Radial
- Sweeper Dimensions: Height- 72", width- 52", length- 162"
- Hopper: 2.3 cubic yd. capacity
- Gutter Brooms: Equipped with left and right side gutter brooms, front mounted 33.5" diameter, overall sweeping width 122"
- Water System: 66 gal recirculation water system capacity, 40 gal clean water system capacity
- Lighting/Safety: Lighting package to enable vehicle to operate on the road, work lights for operation of vehicle at night, amber warning beacon, intermittent wipers
- Comfort Items: Cab to be air conditioned and heated, suspension type operator seat
- Instrumentation: Full instrumentation to monitor operation of vehicle
- Fan Unit: Centrifugal type fan, wear resistant blades

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Sweeper: Regenerative Air Street Sweeper

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Cab & Chassis: Engine- 6-cylinder diesel, 200 hp minimum, transmission- Allison 2000 series, 5-speed automatic, engine equipment- alternator: 12 volt 100 amp, fuel water separator, cab- cab over, with rust preventative coating, dual operating position type cab to include- steering, controls, etc., for sweeping from either side, rubber floor mats, air ride suspension seats, both sides, pressurized cab with heat and air conditioning, instrumentation for truck- oil pressure, water temperature, voltmeter gauges, instrumentation for sweeper- tachometer, hour meter, oil pressure, coolant temperature gauges, frame- wheelbase- 152" minimum, front steel bumper, fuel tank- 50 gal, safety- west coast mirrors with lower mounted convex mirrors, intermittent windshield wipers, daytime running lights, backup alarm, auto shutdown system for sweeper power plant, axles- front axle- 11,900 lbs. GVW, rear axle- 21,000 lbs. GVW, single- speed rear axle, 22.5 x 8.25 steel wheels- disc type, brakes- air dryer
- Mounted Sweeper Body: Engine- 4-cylinder turbocharged diesel, 99 hp minimum, blower- direct belt drive, blower rating- 20,000 cfm, blower housing, pickup head- 90" OD, hose size- 14" pressure, 12" suction, hydraulically raised and lowered, side brooms- right and left side gutter brooms, hydraulically raised and lowered, 42" diameter- segment type, adjustable downward pressure, sweeper body- 7 yd. volume metric capacity, 50 degree dump angle or raker bar, centrifugal dust separator, hopper dump door to hydraulically open/close, lock and unlock, hopper screen- hinged, quick release, hydraulic system- direct drive hydraulic pump, water spray dust control system- water tank construction- polyethylene, 220 gal capacity, fill hose- 16' long, diaphragm pump type with run dry capability, pump capacity- 5 gpm pump pressure- 25 psi, 7 spray nozzles, 4" pickup head, 1" suction tube- 2 on each side of broom, filter- 80 mesh cleanable

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Sweeper: Self-Propelled Hydrostatic Broom

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Weight: Minimum operating weight 5,500 lbs.
- Engine: Diesel engine 74 hp at 2,200 rpm, pre-cleaner 54 clone or equivalent, 27 gal fuel tank
- Travel System: 2-speed hydrostatic drive, high speed travel, 20 mph, 225/75R15 tire size, joystick direction controls, or foot pedal, front or rear wheel steering
- Cab: Roll over and falling object protective structures, enclosed cab with air conditioner, heater and defroster fan, front windshield wiper, gauges or warning indicators for fuel level, engine oil, hydraulic oil and coolant, right and left side doors, right and left side mirrors, shall have safety lighting package and night operating lighting package
- Broom: Minimum 7' 6" poly or poly-steel brush, brush shall have quick charge core system, minimum 150 gal brush watering attachment, shall have variable brush down-pressure control, brush shall be hydraulically driven

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Tactical Vehicle: Skid Steer Mounted (The Rook)

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Vehicle Platform: CAT multi-terrain loader, 84 hp diesel engine, 2-speed powertrain, operating weight 13,000 lbs., fuel tank 26 gal, hydraulic quick coupler, enclosed ROPS cab with air conditioner and heater, dual level suspension undercarriage with self level, advanced machine information and control system
- Cab Armored Protection: Bullet proof glass, NIJ Level IV armor cab reinforcement fabrication
- Armored Deployment Platform: integrated video system, breaching ram, vehicle extraction tool, grapple claw

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Tool Carrier: Hydrostatic Drive

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 90 hp turbo diesel, heavy duty radiator with high flow fan with reversing, clean out valve, canister style air cleaner with pre-cleaner, electric start with engine pre-heat, full engine gauge package, 30 gal fuel tank
- Power Train: Hydrostatic, variable displacement piston transmission pump, two, heavy-duty, 4 wheel drive, steerable axles with parking and service brake, 3 steering modes- 4-wheel round, front wheel and 4-wheel crab, approximately 9,000 lbs. GVW (without attachments)
- Travel Speed: Work mode- variable 0-5 mph, travel mode- variable 0-20 mph
- Comfort, Convenience & Safety: Full air ride, suspension seat, certified ROPS canopy with AC, heat, am/fm radio with Bluetooth, tilt steering column with horn, seat belt with safety switch, turn signals and brake lights, flashing safety lights as well as dot reflector tape
- Attachment Options: Front lift arms with universal skid steer mounting plate for 10 skid steer attachments- broom/sweeper, 90" rotary mower, 88" flail mower, dozier blade, stump grinder, pallet forks, cold planer, big roll sod installer, landscape rake, rotary tiller, right side rotary mower, right side flail mower, right side boom/reach mower, 15' belly mower
- Conditions: In addition to equipment specified, mower will be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA emission standards and all motor vehicle standards as established by the US DOT regarding the manufacturer of motor vehicles

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Tractor: Agriculture Tractor - 4x2

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Liquid cooled diesel with minimum of 75 PTO hp @ 2,200 rpm
- Transmission: Synchroshuttle type with a minimum of 8 forward and 3 reverse speeds
- Fuel Tank: Minimum 23 gal capacity
- Brakes: Oil cooled hydraulic
- Power Take Off: Speeds rpm- 540/1,000
- Hydraulic System: Open center system with standard remotes, standard output @ remote gpm- 10, main pump flow 17 gpm
- 3-Point Hitch: Electronic or mechanical 3-point hitch control, Category II, telescopic stabilizers, SAE lift capacity @ 24" standard lbs.- 3,600, lower draft arm link ends- extendable
- Tires: Not less than 18.4R-28 R1 radials, not less than 7.5L-15, 6-Ply F2

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Tractor: Compact Articulating Tractor - AWD

Note: Incomplete equipment. Unit bid is for the prime mover only, without attachments. Buyer should select attachments needed from the option list to complete the machine. Examples of attachments available are: bucket, grapple and/or forks. This will affect the final price.

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 4,500K- Briggs & Stratton 31 hp Vanguard M54
- Transmission: Manufacturer's standard hydrostatic
- Performance Items: SDLA controls for complete one-handed control of speed, direction, lift & auxiliary functions, weight transfer- transfers weight to front axle for added stability (optional 4,500K)
- Safety Items: Automatic PTO shut-off when weight is removed from seat, standard seatbelt, standard ROPS system, neutral assist
- Tires and Wheels: Manufacturer's standard tires and wheels (optional turf or bar tires)
- Attachment and Accessories: 30 commercial grade attachments for a variety of applications (sold individually, not factory installed), uses Ventrac quick hitch system for quick transition between applications

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Tractor: Small Agriculture Tractor - 4x4

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Liquid cooled diesel with minimum of 29 PTO hp @ 2,200 rpm
- Transmission: Hydrostatic drive or mechanical type transmission, 4WD front axle
- Fuel Tank: Minimum 7 gal capacity
- Brakes: Oil cooled hydraulic wet disc
- Power Take Off: Speeds rpm- 540
- Hydraulic System: Open center system with standard remotes, maximum main pump flow-6.3 gpm
- 3-Point Hitch: Category I, SAE lift capacity @ 24" standard lbs.- 1,435
- Tires: Not less than 11.2 x 24 rear, not less than 5-15 6-ply front

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Tractor: Tractor with Boom Mower - 4x4

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: Liquid cooled diesel with minimum of 95 PTO hp @ 2,200 rpm
- Transmission: Synchroshuttle type with a minimum of 16 forward and 16 reverse speeds, 4WD front axle
- Fuel Tank: Minimum 38 gal capacity
- Brakes: Oil cooled hydraulic
- Power Take Off: Speeds rpm- 540/1000
- Hydraulic System: Closed center system with standard remotes, maximum pressure psi- 2,900, standard output @ remote 17 gpm, total of 29 gpm combined flow
- Point Hitch: Category II, telescopic stabilizers, SAE lift capacity @ 24" standard lbs.- 5,000, lower draft arm link ends- extendable
- Tires: Not less than 13.6R24 R1 rear radials, not less than 18.4R30 6-Ply F2
- Mounted Boom Mower: Minimum 23' boom reach, forward and reverse swing break away, integral frame, separate hydraulic circuit for mower head, 5' rotary cutter head, disc or bar type blade holder

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Deck Over Flatbed Trailer - 16,000 lbs. GVWR

All trailers must In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions: Deck width- 8' 6", overall deck length- 25', dovetail length- 5', GVWR- 16,000 lbs.
- Frame: 5" channel side rails, 3" channel cross members on 16" centers, 4" channel undercarriage, 2" x 3/8" rub rail with stake pockets, pintle hitch
- Deck: 2 x 8 pressure treated deck, Galvanized deck screws, 5' dovetail, spring assist stand up ramps
- Axles: Tandem 8,000 lbs. Dexter oil bath axles (2), electric brakes, breakaway brake system with well cell battery
- Lighting System: Protected turn/stop/tail lights, wiring run in conduit, heavy duty trailer plug
- Miscellaneous: Spare tire and rack, lockable tool box, primed and painted- choice of color, tongue jack rated for GVWR of trailer

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Deck Over Equipment - 40,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Deck: 24' overall, 19' w/ 60" dovetail, 96" width
- Decking: 2" hardwood
- Ramps: 60" fold up ramps, 22" width
- Tiedowns: Heavy duty tiedowns
- Axles: (2) 22,500 lbs. axles, oil lubricated
- Brakes: Air brakes, w/ ABS
- Suspension: Multi-leaf, sized for GVWR of unit
- Tires: (8) 215/75R x 17.5 16 ply Radial
- Lighting: LED, DOT compliant stop, tail, turn and clearance
- Coupler: Adjustable pintle eye
- Jack: 2-speed jack, sized for trailer

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Detachable Neck Lowboy Trailer 100,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Deck: 50' overall, 24' clear deck length, 14' rear over axles, 8'6" deck width, swing out outriggers
- Decking: 1 ½" hardwood decking
- Ramps: Front folding ramps
- Tiedowns: 5 pair heavy duty tiedowns
- Flagholders: 2 pair
- Axles: 3, sized to meet GVWR of unit, oil lubricated
- Brakes: Air brakes, w/ ABS, automatic slack adjusters
- Suspension: Air ride type, sized for GVWR of unit
- Tires: 235/70R 22.5 Radial tires
- Lighting: LED DOT compliant stop/tail/turn, clearance, and mid turn
- Detachable Gooseneck: 48" kingpin height, fixed neck, 96" swing radius, hydraulic lift, hydraulic support, toolbox on neck

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Enclosed Cargo Trailer - 7,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions: Width- 7', length- 16', 7,000 lbs. GVWR
- Frame: Formed angle top and bottom sills, all exposed steel primed and painted, positive lock ball coupler, tongue jack, safety chains- DOT rated
- Floor/Walls/Roof: ¾" exterior grade plywood floor, ¼" plywood interior liner, .030" prefinished aluminum exterior, state colors, smooth galvanized steel or one-piece aluminum roof, fiberglass front cap, extruded aluminum bottom trim, extruded aluminum roof cove with drip rail, double locking door on rear
- Axles: Tandem 3,500 lbs. torflex axles, 15" wheels, 205 x 15 trailer rated tires, electric brakes with breakaway switch
- Lighting System: Protected turn/stop/tail lights, clearance lights, wiring run in conduit, heavy duty trailer plug
- Miscellaneous: Spare wheel and tire

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Trailer: Enclosed Utility Body/Trailer Mounted - 9,900 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Length: 205"
- Width: 89"
- Weight: 4,600 lbs.
- GVWR: 9,900 lbs.
- Frame Construction: I beam type frame, specifically engineered to mount Knapheide KUVCC Body on
- Front Jack: Manual
- Rear Leg Stabilizers: 2 rear leg stabilizers
- Axle: 10,000 lbs. Torflex axle, oil hubs
- Brakes: Electric brakes
- Wheels and Tires: Dual rear wheels, tires sized for GVWR of unit
- Lighting: LED type, stop/turn/tail, backup
- Utility Body: Knaphiede KUVCC body
- Doors: Continuous hinges, rotary latches, adjustable strikers, double panel, duel seals, master lock, hold open springs
- Roof: Cross braced, rotary latches, adjustable strikers
- Rear Cargo Doors: Double panel, hold open shocks, door seals, rotary latches, adjustable strikers
- Interior Lights: LED lighting
- Shelving: 250 lbs. rating, hemmed dividers
- Floor: 1/8" treadplate w/cross sills
- Undercoating: Entire unit to be undercoated
-

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Fixed Neck Lowboy Trailer - 70,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Deck: 43' overall, 27' clear deck length, 4' dovetail
- Decking: 1 ½" hardwood decking
- Ramps: 8' x 3', fold up ramps, hydraulically raised
- Tiedowns: 8 pair heavy duty tiedowns
- Flagholders: 2 pair
- Axles: 2 sized to meet GVWR of unit, oil lubricated
- Brakes: Air brakes, w/ ABS, automatic slack adjusters
- Suspension: Spring type, sized for GVWR of unit
- Tires: 235/75R 17.5 Radial tires
- Lighting: LED DOT compliant stop/tail/turn, clearance, and mid turn
- Gooseneck: 48" kingpin height, fixed neck, 84" swing radius, toolbox on neck
- Landing Gear: 2 speed, 50,000 lbs. capacity

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Hydraulic Drop Deck Trailer - 13,500 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- GVWR: 13,500 lbs.
- Deck: 75" x 14', ground flat loading
- Lift Mechanism: Hydraulic
- Suspension: Rubber or air
- Deck: Steel treadplate
- Brakes: Electric on all axles
- Tires: 235/80R16 LRE Radial
- Lighting: All LED DOT compliant, stop/tail/turn, clearance
- Coupler: A-frame adjustable
- Tie Downs: Heavy duty D-Ring

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Hydraulic Tail Trailer - 70,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions: Deck width- 8' 6", overall length- 48', deck length- 25', hydraulic tail- 12' (8' with 4' fold under)
- GVWR: 70,000 lbs.
- Frame: Cambered "I" beam main frame, 49" kingpin height, 16" kingpin setting, 82" swing clearance, 8' upper deck length
- Deck: 1 ½" apitone or oak decking, 1 ½", floor plate over wheels, traction plate on hydraulic tail
- Hydraulic Tail: 8' main tail, 4' fold under tail, hydraulic actuated with tail lock, 14 degree load angle
- Landing Gear: Pin drop type or 2 speed type
- Axles/Suspension/Tires: 2- 22,500 lbs. axles, oil seal hubs, 6.5 x 17.5 steel wheels, 235/75R x 17.5 radial tires, air brakes with automatic slack adjustors, ABS brake system, air ride suspension with auto and manual controls
- Lighting: LED lighting, wiring in conduit, mid turn signals, lighting as per DOT regulations
- Miscellaneous Equipment: 12,000 lbs. hydraulic winch mounted on upper deck over kingpin, wireless control, toolbox on upper deck, hydraulic tail controls both sides, air ride controls with dump valve

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Leachate Tanker - 6,500 gallons

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Approximate Dimensions: Length: 42', fifth wheel height- 49", capacity- 6,500 gal, operating pressure- 15 psi w/ vacuum relief
- Tank Construction: Stainless steel, external ring, one compartment, 6,500 gal, straight round w/ slope to rear, two baffles , three manways (lug) one located center and one in each baffled section, two manway cleanouts (4 lug) located in front head and rear head at bottom
- Top Walkway: Gripstrut 12" width, extending from rear to front manway, with handrail, and ladder to access walkway
- Discharges, Valves, and Plumbing: Pressure/vacuum relief valve 15 psi in manhole cover, 6" discharge w/ sliding gate valve at rear of tank drain pump, 4" discharge to pump w/ valve, manufacturer's plumbing to allow gravity discharge or pump discharge or filling, gravity discharge at rear of tank to utilize cam lock fittings and caps
- Pump: Hydraulically driven, bi-directional pump, controls at rear, stainless piping for pump hydraulics from pump to front curbside for truck attachment
- Hose Carriers: Located on fenders
- Cabinets: Two cabinets mounted curbside and roadside ahead of suspension
- Trailer Constuction: Stainless steel frame
- Axles: Two axles sized for GVWR of unit, oil lubricated hubs
- Brakes: Air brakes w/ ABS and rollover protection, aluminum air tanks, automatic slack adjusters
- Tires: Radial tires sized for GVWR of unit, aluminum wheels w/ mudflaps
- Landing Gear: Sized for GVWR of unit
- Lights: LED clearance, stop/turn/tail, all wiring run in protective conduit, worklight, w/ switch at rear, all wiring run to junction box at front of trailer
- Color: Stainless Steel

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Livestock Trailer - 7,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- GVWR: 7,000 lbs.
- Stall Size: 76" x 16'
- Interior Height: 6' 6"
- Doors: Side escape door and full swing rear, center cut gate
- Deck: Treated pine
- Axles: (2) 3,500 lbs., quick lubricating
- Brakes: Electric on all axles
- Suspension: Multi-leaf
- Tires: 205/75R15 Radial
- Lighting: All LED DOT compliant, stop/tail/turn, clearance
- Coupler: A-frame ball style
- Jack: 2,000 lbs. heavy duty

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Pull Behind Dump Trailer - 14,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- GVWR: 14,000 lbs.
- Bed: Grease fittings on all hinges, D-ring tie downs
- Bed Size & Frame: Width- 6' 8", length- 14', deck height- 24", tube steel box, 10GA bed floor, rear stabilizers, 12,000 lbs. tongue jack, 20" high sides and tailgate minimum
- Bed Lift: Scissor type hydraulic lift, 12 volt power unit with battery, 15' pendant control
- Axles: Dexter easy lube or equivalent, sized for GVWR of trailer, 4-wheel electric brakes with breakaway
- Miscellaneous: Conspicuity type on sides, tail/stop/turn lights, 7-way trailer plug, tarp system, spare tire, pintle type hitch or ball (customer selected)

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Refrigeration/Freezer Trailer - 7,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- GVWR: 7,000 lbs.
- Cooler Box Size: 72" x 12'
- Interior Height: 6' 5"
- Temperature Range: 0 to 50 degrees F
- Input Voltage: 120V 15A
- Insulation: R-25
- Food Safety: Anti-microbial gel or stainless interior coating
- Doors: 48" rear door with freezer strips
- Floor: ¾" keg duty floor
- Axles: (2) 3,500 lbs., quick lubricating
- Brakes: electric on all axles
- Tires: 205/75R15 Radial tires
- Lighting: All LED DOT compliant, stop/tail/turn, clearance
- Jack: 2,000 lbs. heavy duty
- Coupler: A frame ball type

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Utility/Equipment Trailer - 7,000 lbs. GVWR

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Deck Size: 77" x 16'
- Sidewall Frame Height: 15" minimum
- Ramps: 48" rear folding tailgate
- Tie Downs: Heavy duty tie rings
- Deck: Treated pine
- Axles: (2) 3,500 lbs., quick lubricating
- Brakes: Electric on all axles
- Suspension: Multi-leaf
- Tires: 205/75R15 Radial tires
- Lighting: All LED DOT compliant, stop/tail/turn, clearance
- Coupler: A-frame 2 5/16" ball adjustable 4 hole
- Jack: 2,000 lbs. heavy duty

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trailer: Waste Trailer with Walking Floor

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Dimensions: Length- 48', aluminum width- 102", side height- 100"
- Floor: Keith or Hallco running floor, extreme duty slats with center rib
- Crossmembers: 14" spacing
- Crosstubes: Center and rear crosstubes, bolt in style
- Lights: LED lights, mid turn lights.
- Tarp: Manual roll type- side to side, mesh type tarp
- Tailgate: Side swing- left or right, CAM locking system with safety chain, extreme duty hinges
- Landing Gear: Holland Mark V
- Axles: TP axles or equivalent, same inner and outer bearings, outboard mount hubs
- Suspension: Cast hangers, leaf springs
- Tires and Wheels: Steel disc 22.5 x 8.25, 11R22.5 Radial tires
- Miscellaneous: Tow hooks on rear, air deflector in front

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

Transfer Switch: 600 Amp Automatic Transfer Switch

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Automatic Transfer Switch: Maximum voltage rating of 600 VAC, 60 Hz, 1Ph or 3Ph, open transition (break-before-make) transfer logic, transfer switch must meet the related industry standards: UL 1008- automatic transfer switches for use in emergency systems, CSA- automatic transfer switches, NEMA- industrial control and systems AC transfer switch equipment, IEC- automatic transfer switching equipment
- Rating: 600 amp, 3 pole, 277/480 VAC, 60Hz, enclosure type- NEMA 3r
- Functional: The automatic transfer switch shall automatically transfer the load to the generator supply in the event of a utility supply failure and return the load to the utility supply upon restoration. The automatic transfer switch power switching devices shall be mechanically and electrically interlocked to prevent the utility and generator supplies from being interconnected. All timers should be field adjustable to ensure proper field site compatibility.
- Automatic Sequence Of Operation: When the voltage on any phase of the utility supply is below present levels of rated voltage for a preset time delay, a contact shall close to initiate start of the standby generator. The load shall transfer to the generator supply when the generator voltage and frequency have reached acceptable present levels and the warm up time delay has expired. When the utility supply is restored to the above present levels of rated voltage on all phases, load transfer from generator to utility supply shall be initiated following expiry of the utility return timer. Once the transfer mechanism operates and opens the generator power switching device, the transfer mechanism shall stop in the neutral position (with the both power switching devices open) for the duration of the neutral delay timer setting to allow load voltage to decay prior to reconnecting the utility supply. The load shall be re-connected to the utility supply once the neutral delay timer expires and the transfer mechanism continues operation and closes the utility power switching device. The load shall immediately re-transfer to the utility supply (if within acceptable limits) should the generator supply fail prior to the expiry of the utility transfer delay. The generator set shall continue to operate following a load transfer for a cool down delay period, and then a contact shall open to stop the generator set. An "on load" test mode may be initiated which shall cause a simulated utility failure condition and transfer the load to the generator set. The transfer sequence shall be the same as for a utility power failure except a neutral delay sequence shall occur when transferring from utility to a generator source. The load shall immediately retransfer to the utility supply (if within acceptable limits) should the generator supply fail during an "on load" test mode.

FSA23-EQU21.0: Heavy Equipment Item Group Specifications

- **Factory Testing:** A certified factory test report shall be shipped with each switch at time of shipment. The automatic transfer switch shall be factory tested prior to delivery to the purchaser. The following test shall be conducted by qualified factory personnel: visual inspection, mechanical tests, electrical tests, final inspection.
- **Field Testing and Commissioning:** The automatic transfer switch shall be field tested once installed at the project site to confirm proper operation of the system. Schedule and witness testing activities shall be coordinated with the project engineer, site contractor, and owner as required in advance of the testing date. A qualified local factory-trained field representative shall conduct the necessary test to ensure proper operation of the switch. Visual inspection-electrical and mechanical inspection to verify the installation is correct as recommended by the transfer switch manufacturer and as per National Electric Code (NEC) requirements. Mechanical tests- as a minimum, the following mechanical tests shall be performed on the transfer switch: power conductor torque verification, verification of mechanical interlock, manual ATS mechanism operation, all mechanical fasteners/wire connections tight, confirmations of correct transfer switch voltage, current and withstand ratings as is required for the application, Meggar testing the power cabling to the transfer switch, verification of correct power cabling phasing and phase rotation prior to energization, confirmation of settings for all timers & voltages sensors, full function test-normal operation- 3 complete cycles of failing the utility supply and transfer load to/from the generator set, verification of all test modes operates correctly.
- **Conditions:** In addition to equipment specified, each automatic transfer switch shall be equipped with all necessary equipment as specified by the manufacturer for this model and shall include but not be limited to the following necessary items: shrink wrap applied to the product to ensure a clean finish, one complete set of operation and maintenance manuals, a two (2) year or 1,500 hour from date of standard standby warranty will apply from date of successful startup, labor, materials, and travel for the warranty period repair will be paid by manufacturer during normal business hours.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Trencher: Walk Behind Trencher

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Engine: 25 hp gasoline engine, 7 gal fuel tank, positive feed oil system with spin on filter, 12 volt starting/charging system
- Ground Drive: Hydrostatic, rubber ground tracks, 7" track width, 31" track length on ground
- Trencher Drive: Hydraulic drive, 8 gal hydraulic reservoir, hydraulic system spin on filter
- Trencher Boom: Digging depth- 48", Auger diameter- 18", cutting width minimum- 4"
- Controls: Operator presence safety system, low-oil shutdown system, steering control, trencher controls, travel control, boom controls
- Approximate Dimensions: Weight- 1,550 lbs., length- 79", width- 34", height- 48"

Underground Locating Equipment: Ground Penetrating Radar

Due to the complexity of this type of equipment, there are no base unit specifications. Purchasers should research and verify the unit bid will meet their desired performance expectations and is compatible with their hardware/software, if required. It is recommended the vendor be contacted to assist with determining performance and compatibility needs prior to purchase.

Unit bid must be ready to work with batteries, carrying cases, and technical manuals.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Underground Locating Equipment: Utility Locator

Due to the complexity of this type of equipment, there are no base unit specifications. Purchasers should research and verify the unit bid will meet their desired performance expectations and is compatible with their hardware/software, if required. It is recommended the vendor be contacted to assist with determining performance and compatibility needs prior to purchase.

Unit bid must be ready to work with batteries, carrying cases, and technical manuals.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Vehicle Lift: Mobile - 2 Column, Cabled

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Minimum Lift Capacity: Combined lift capacity of 36,000 lbs., 18,000 lbs. per column minimum
- Dimension: Width- 45" minimum, length- 48" minimum, minimum rise- 67"
- Operation: Weight gage for each column, operating LCD screen, speed- fully lowered to raised not to exceed 80 seconds, fits tire sizes 9"-24"
- Safety: Mechanical safety locks, override to manual operation in the event of power loss, meets all applicable safety standards
- Power: Cabled base, voltage 208-230 3-phase
- Equipment must comply with all applicable federal, state, and local regulations and meet OSHA, UL-201, NEC, and the latest ANSI standard, ANSI/ALI -ALCTV 2006 and IBC 2003, IBC 2006 Chapter 30 section 3001.2. Equipment must be structurally and safety tested, and certified to ANSI/ALI -ALCTV 2006 automotive lift standard. A copy of listing certification shall be supplied as part of the acceptance of the bid. Equipment must be supplied with all ANSI, ALI/ETL safety booklet, ANSI operations, installation, and maintenance booklets, ANSI/ALI aloim-2008 standard and lifting point guides. Equipment must be supplied with all ANSI, ALI/ETL safety decals. Decals must be permanently placed on the lift in clear view for the operator.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Vehicle Lift: Mobile - 2 Column, Wireless

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Minimum Lift Capacity: Combined lift capacity of 36,000 lbs., 18,000 lbs. per column minimum
- Dimension: Width- 45" minimum, length- 48" minimum, minimum rise- 67"
- Operation: Weight gage for each column, operating LCD screen, speed- fully lowered to raised not to exceed 80 seconds, fits tire sizes 9"-24"
- Safety: Mechanical safety locks, override to manual operation in the event of power loss, meets all applicable safety standards, training included with purchase
- Power: Wireless
- Equipment must comply with all applicable federal, state, and local regulations and meet OSHA, UL-201, NEC, and the latest ANSI standard, ANSI/ALI -ALCTV 2006 and IBC 2003, IBC 2006 Chapter 30 section 3001.2. Equipment must be structurally and safety tested, and certified to ANSI/ALI -ALCTV 2006 automotive lift standard. A copy of listing certification shall be supplied as part of the acceptance of the bid. Equipment must be supplied with all ANSI, ALI/ETL safety booklet, ANSI operations, installation, and maintenance booklets, ANSI/ALI aloim-2008 standard and lifting point guides. Equipment must be supplied with all ANSI, ALI/ETL safety decals. Decals must be permanently placed on the lift in clear view for the operator.

**FSA23-EQU21.0: Heavy Equipment
Item Group Specifications**

Vehicle Lift: Mobile - 4 Column, Cabled

In addition to the manufacturer base specification for the item or model number indicated, items in this group must meet the following FSA base specification:

FSA Base Specification

- Minimum Lift Capacity: Combined lift capacity of 72,000 lb. ; 18,000 lb. per column minimum.
- Dimension: Width- 45" minimum, length- 48" minimum, minimum rise- 67"
- Operation: Weight gage for each column, operating LCD screen, speed- fully lowered to raised not to exceed 80 seconds, fits tire sizes 9"-24"
- Safety: Mechanical safety locks, override to manual operation in the event of power loss, meets all applicable safety standards
- Power: Cabled base
- Equipment must comply with all applicable federal, state, and local regulations and meet OSHA, UL-201, NEC, and the latest ANSI standard, ANSI/ALI -ALCTV 2006 and IBC 2003, IBC 2006 Chapter 30 section 3001.2. - Lifting Configuration: Open or closed- front open max, wheelbase- 210", rise height- 78", overall length- 277.25", overall width- 142" front/134.5" rear, inside columns- 120", between columns- 222.5", height of columns- 99.5"/93.5", width of runways- 20", height of runways- 7", width between runways- 43" max, 2-wheel alignment- 194", 4-wheel alignment- 88"-158", air supply required- 90-120 psi, motor/voltage- 2 hp, 208V-230V, 60 Hz, speed or rise- 85 seconds, minimum recommended bay size- 12' x 26', ALI/ETL certified, colors available- red, blue, black

**AGREEMENT TO PIGGYBACK A CONTRACT FOR SERVICES
BID BY ANOTHER GOVERNMENTAL ENTITY**

WHEREAS, Florida Sheriff's Association a Florida corporation (the "Contractor"), entered into an agreement dated October 1, 2025 and ending September 30, 2026 with Container Systems & Equipment Co., Inc., a political subdivision of the State of Florida, for the procurement of a combination Sweeper Vacuum Truck procured pursuant to F.S. §287.057 (the "Contract"),

WHEREAS, the CITY OF LAKE WALES, a Florida municipal corporation (the "City") has the legal authority under Ordinance 2013-17 adopted by the Lake Wales City Commission to "piggyback" onto a contract procured pursuant to F.S. §287.057 by another governmental entity when seeking to utilize the same or similar services provided for in the said contract; and

WHEREAS, the City desires to "piggyback" onto the above referenced Contract between the Contractor and Florida Sheriff's Association for utilization of the same or similar services for Sweeper Vacuum Truck procurement (the "Work") and the Contractor consents to the aforesaid "piggybacking".

NOW THEREFORE, having found it to be in the public interest,

1. The Contractor affirms and ratifies the terms and conditions of the above referenced Contract with Florida Sheriff's Association and agrees to perform the services set forth therein for the City in accordance with the terms of said Contract until the Work is completed. Contractor further agrees that for the purposes of interpretation and enforcement of the subject Contract, the term "City of Lake Wales" shall be substituted for the term "Florida Sheriff's Association".
2. The City agrees to utilize the services of the Contractor in a manner and upon the terms and conditions as set forth in Florida Sheriff's Association Agreement until the Work is completed.

A. Public Records. Contractor acknowledges that it is acting on behalf of a Public agency and that this Agreement is subject to the provisions of §119.0701, Florida Statutes, and that Contractor must comply with the public records laws of the State of Florida.

Contractor shall:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, the Contractor shall provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. The Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

4. The Contractor shall, upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

5. A request to inspect or copy public records relating to a public agency's contract for services must be made directly to the public agency. If the public agency does not possess the requested records, the public agency shall immediately notify the Contractor of the request, and the Contractor must provide the records to the public agency or allow the records to be inspected or copied within a reasonable time.

6. If Contractor does not comply with a public agency's request for records, the public agency shall enforce the contract provisions in accordance with the contract.

7. A Contractor who fails to provide the public records to the public agency within a reasonable time may be subject to penalties under s. 119.10.

8. If a civil action is filed against a Contractor to compel production of public records relating to a public agency's contract for services, the court shall assess and award against the Contractor the reasonable costs of enforcement, including reasonable attorney fees, if:

- (a) The court determines that the Contractor unlawfully refused to comply with the public records request within a reasonable time; and

- (b) At least 8 business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the Contractor has not complied with the request, to the public agency and to the Contractor.

9. A notice complies with subparagraph (8)b if it is sent to the public agency's custodian of public records and to the Contractor at the Contractor's address listed on its contract with the public agency or to the Contractor's registered agent. Such notices must be sent by common carrier delivery service or by registered, Global Express Guaranteed, or certified mail, with postage or shipping paid by the sender and with evidence of delivery, which may be in an electronic format.

10. A Contractor who complies with a public records request within 8 business days after the notice is sent is not liable for the reasonable costs of enforcement.

[THE REST OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK]

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

MEMORANDUM

January 23, 2026

TO: Honorable Mayor and City Commission

VIA: James Slaton, City Manager

FROM: Jonathan Smith, Fire Chief

RE: Ordinance 2026-02, Amending Chapter 10, Fire Prevention, Lake Wales Code of Ordinances – 2nd Reading and Public Hearing

SYNOPSIS

The amendment will update Section 1 of Chapter 10 to achieve compliance with State Statute.

STAFF RECOMMENDATION

It is recommended that the City Commission adopt Ordinance 2026-02 after second reading and public hearing.

BACKGROUND

Section 10-1 previously adopted a specific edition of a fire prevention code as the minimum fire safety standard for the City. Pursuant to Florida Statute 633.025 and Florida Administrative Code 69A-60.002, the Florida Fire Prevention Code, as adopted by the State of Florida, is the minimum fire prevention code deemed adopted by each municipality, county, and special district with fire safety responsibilities. To maintain consistency with state law, eliminate conflicts between local and state requirements, and ensure enforceability at the local level, Section 10-1 must reflect adoption of the same fire prevention code currently adopted and enforced by the State of Florida. Aligning the City's code with the State's adopted code allows for local enforcement and avoids the need for non-compliance matters to be adjudicated solely through the county court system.

OPTIONS

None. Approval of Ordinance 2026-02 will bring the City into compliance with Florida Statute.

ATTACHED

Ordinance 2026-02

ORDINANCE 2026-02

AN ORDINANCE AMENDING CHAPTER 10, FIRE PREVENTION, LAKE WALES CODE OF ORDINANCES, TO ADOPT STANDARDS OF SEC. 10-1 MINIMUM FIRE SAFETY STANDARDS; PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED by the City Commission of the City of Lake Wales, Polk County, Florida.

SECTION 1.

Chapter 10, Fire Prevention, Lake Wales Code of Ordinances is hereby amended to read as follows:

Sec. 10-1. Minimum fire safety standards.

(a)

The city hereby adopts as its minimum fire safety standards the Florida Fire Prevention Code, ~~2010 Edition~~, as currently adopted by the State of Florida, including any future amendments or editions adopted by the state.

(b)

Copies of the city's fire codes will be available for public access in the office of fire prevention during normal office hours, located in the Lake Wales Fire Department main station located at 253 W. Central Ave.

SECTION 2.

If any clause, section or provision of this ordinance shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of said ordinance shall be in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

SECTION 3.

This ordinance shall become effective upon passage by the City Commission.

CERTIFIED AS TO PASSAGE this _____ day of _____, 2026.

*Upload proof of insurance:

Field not completed.

Agreement to Assume Financial Responsibility for Injury or Damage

The Sponsor (hereinafter referred to as "the permittee"), shall indemnify, defend, and hold harmless the City of Lake Wales (hereinafter referred to as "the City"), and all of its elected or appointed officials, officers, agents, and employees from any claim, loss, damage, cost, change, or expense arising out of any acts, actions, neglect, or omission by the Permittee, its agent, employees, or subcontractors during the performance of the permitted event, whether direct or indirect, and whether to any person or property to which the City or said parties may be subject, except that neither the Permittee nor

any of its agents, employees, or subcontractors will be liable under the agreement for damages arising out of the injury or damage to persons directly caused or resulting SOLELY from the negligence of the City or any of its elected or appointed officials, officers, agents, or employees.

Permittee's obligation to indemnify, defend and pay for the defense or at the City's option, to participate and associate with the City in the defense and trial of any damage claim or suit and any related settlement negotiations, shall be initiated by the City's notice of claim for indemnification to Permittee.

Permittee's inability to evaluate liability or its evaluation of liability shall not excuse Permittee's duty to defend and indemnify within seven days after such notice by the City is provided by Certified Mail. Only an adjudication or judgment after highest appeal is exhausted specifically finding the City SOLELY negligent shall excuse performance of this provision by Permittee.

Permittee shall pay all costs and fees related to this obligation and its enforcement by the City. City's failure to notify Permittee of a claim shall not release the Permittee of the above duty to defend.

It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the City's right, title and interest in land to be entered upon and used by the Permittee, and the Permittee will, at all times, assume all risk of and indemnify, defend, and save harmless the City from and against any and all loss, damage, cost, and expense arising in any manner on account of the exercise or attempted exercise by said Permittee of the aforesaid rights and privileges.

During the event, the Permittee shall observe all safety regulations of the City, and the Permittee shall take measures to ensure the safety of the public.

By signing this application, it represents the information provided to be true and correct and signifies a binding agreement to comply with the rules and regulations of the City of Lake Wales. Should the City grant approval and a permit be issued, it is further agreed the Permittee will comply with any other requirements provided by Federal, State, and Local Law.

By execution hereof, the undersigned affirms that he or she is vested with full right and authority to bind the Permittee to the terms of this Agreement.

In case of non-compliance with the City's requirements in effect as of the approved date of the permit resulting from this Agreement, said permit is void.

Do you agree to the terms listed?	Yes

Agreement to Assume Financial Responsibility for Injury or Damage

The Sponsor (hereinafter referred to as "the permittee"), shall indemnify, defend, and hold harmless the City of Lake Wales (hereinafter referred to as "the City"), and all of its elected or appointed officials, officers, agents, and employees from any claim, loss, damage, cost, change, or expense arising out of any acts, actions, neglect, or omission by the Permittee, its agent,

employees, or subcontractors during the performance of the permitted event, whether direct or indirect, and whether to any person or property to which the City or said parties may be subject, except that neither the Permittee nor any of its agents, employees, or subcontractors will be liable under the agreement for damages arising out of the injury or damage to persons directly caused or resulting SOLELY from the negligence of the City or any of its elected or appointed officials, officers, agents, or employees.

Permittee's obligation to indemnify, defend and pay for the defense or at the City's option, to participate and associate with the City in the defense and trial of any damage claim or suit and any related settlement negotiations, shall be initiated by the City's notice of claim for indemnification to Permittee. Permittee's inability to evaluate liability or its evaluation of liability shall not excuse Permittee's duty to defend and indemnify within seven days after such notice by the City is provided by Certified Mail. Only an adjudication or judgment after highest appeal is exhausted specifically finding the City SOLELY negligent shall excuse performance of this provision by Permittee. Permittee shall pay all costs and fees related to this obligation and its enforcement by the City. City's failure to notify Permittee of a claim shall not release the Permittee of the above duty to defend.

It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the City's right, title and interest in land to be entered upon and used by the Permittee, and the Permittee will, at all times, assume all risk of and indemnify, defend, and save harmless the City from and against any and all loss, damage, cost, and expense arising in any manner on account of the exercise or attempted exercise by said Permittee of the aforesaid rights and privileges.

During the event, the Permittee shall observe all safety regulations of the City, and the Permittee shall take measures to ensure the safety of the public.

By signing this application, it represents the information provided to be true and correct and signifies a binding agreement to comply with the rules and regulations of the City of Lake Wales. Should the City grant approval and a permit be issued, it is further agreed the Permittee will comply with any other requirements provided by Federal, State, and Local Law.

By execution hereof, the undersigned affirms that he or she is vested with full right and authority to bind the Permittee to the terms of this Agreement.

In case of non-compliance with the City's requirements in effect as of the

approved date of the permit resulting from this Agreement, said permit is void.

Do you agree to the terms listed?	Yes

Memo Re Clean Campaign Pledge

To: Lake Wales Commission Members

The pledge submitted herewith for your consideration is a slightly revised version of the pledge previously submitted by Vice Mayor Gibson but withdrawn by him before the Commission could act on it. I commend the Vice Mayor for his thoughtful craftsmanship in preparing the pledge and trust that my revision will help to address any concerns raised in our discussion of the original version.

The need for this pledge arose from the extensive use of “dark money” in recent commission elections. Florida law requires that materials distributed by a candidate for public office identify the person or organization publishing the materials, including the candidate’s official campaign organization. This requirement helps to ensure that voters will know what interest groups are helping to elect local candidates so that they can determine whether the candidate may be biased in favor of those special interests. However, if a third party or a political action committee not affiliated with a candidate publishes materials supporting the candidate, only the third party’s name is required. Although the reporting rules for third party PAC’s do require certain financial disclosures, in practice, the information publicly available regarding the funding of these PACs does not disclose the interests that organized the PAC or the individuals who contributed to it. In order to avoid disclosing the true sources of their funding, the PACs adopt ambiguous names such as “Citizens for Good Government,” which may very well be a pseudonym for a special interest group seeking to influence local government by electing candidates sympathetic to their views.

In a town the size of Lake Wales, it is difficult for candidates lacking special interest funding to compete with candidates whose campaigns are heavily funded by third party PACs. An individual who must rely on donations by his or her supporters cannot approach the amount of funding provided by a dark money PAC and therefore cannot nearly match the expenditures made on behalf of candidates supported by the PAC’s. As a result, our elections are not fair but are influenced by the special interests that fund the PAC’s, to the detriment of candidates who lack such funding.

The proposed pledge will not remedy this disparity, but it may cause candidates to be more careful in their actions regarding third party PAC's. My revision to this pledge does not make the candidate responsible for the accuracy of materials distributed by third parties, but only for those published by their own campaigns. The pledge is not legally binding, but by requesting candidates to read and sign it, the pledge will make them aware that in our city, we are serious about holding elections that are fair to all and are not biased in favor of special interests who hope to procure favors from the candidates whom they support. By making this request, we are not trying to get any candidate into trouble, but rather to make all candidates appreciate the important roles that they play in ensuring that Lake Wales elections are fair and responsive to the needs of our citizens rather than to the interests of moneyed groups supporting any one candidate.

PLEDGE
FOR THE CONDUCT OF CLEAN POLITICAL CAMPAIGNS

AS A CANDIDATE for public office in Lake Wales, I realize the importance of conducting a clean campaign to reflect Lake Wales community values and set the tone for occupying political office in an ethical manner for the benefit of the citizens of Lake Wales. Accordingly, and in recognition of the fact that this Pledge is over and above the legal requirements of Florida's campaign finance and ethics regulations,

I PLEDGE to conduct my campaign in compliance with the following clean campaign principles:

- **Focus on Issues.** Commit to focusing campaign discourse on relevant issues, qualifications, and proposed solutions rather than personal attacks or misrepresentations.
- **Transparency in Funding.** Only accept campaign contributions that make full disclosure of the origin of such funds.
- **Respectful Dialogue.** Promote respectful and civil discourse in all campaign communications, including online platforms and public forums.
- **Truthfulness and Accuracy.** Ensure that all campaign statements and materials originated by me are truthful and accurate, with a commitment to promptly correct any errors.
- **Positive Messaging.** Emphasize a positive vision for the community rather than relying on negativity or fear-mongering.
- **Reject Support.** Publicly and effectively reject support from third parties that violate these principles for the conduct of clean political campaigns.

The 2025 Florida Statutes

Title XI	Chapter 163	View Entire Chapter
COUNTY ORGANIZATION AND INTERGOVERNMENTAL RELATIONS	INTERGOVERNMENTAL PROGRAMS	

163.357 Governing body as the community redevelopment agency.—

(1)(a) As an alternative to the appointment of not fewer than five or more than seven members of the agency, the governing body may, at the time of the adoption of a resolution under s. [163.355](#), or at any time thereafter by adoption of a resolution, declare itself to be an agency, in which case all the rights, powers, duties, privileges, and immunities vested by this part in an agency will be vested in the governing body of the county or municipality, subject to all responsibilities and liabilities imposed or incurred.

(b) The members of the governing body shall be the members of the agency, but such members constitute the head of a legal entity, separate, distinct, and independent from the governing body of the county or municipality. If the governing body declares itself to be an agency which already exists, the new agency is subject to all of the responsibilities and liabilities imposed or incurred by the existing agency.

(c) A governing body which consists of five members may appoint two additional persons to act as members of the community redevelopment agency. The terms of office of the additional members shall be for 4 years, except that the first person appointed shall initially serve a term of 2 years. Persons appointed under this section are subject to all provisions of this part relating to appointed members of a community redevelopment agency.

(d) As provided in an interlocal agreement between the governing body that created the agency and one or more taxing authorities, one or more members of the board of commissioners of the agency may be representatives of a taxing authority, including members of that taxing authority's governing body, whose membership on the board of commissioners of the agency would be considered an additional duty of office as a member of the taxing authority governing body.

(2) Nothing in this part prevents the governing body from conferring the rights, powers, privileges, duties, and immunities of a community redevelopment agency upon any entity in existence on July 1, 1977, which has been authorized by law to function as a downtown development board or authority or as any other body the purpose of which is to prevent and eliminate slums and blight through community redevelopment plans. Any entity in existence on July 1, 1977, which has been vested with the rights, powers, privileges, duties, and immunities of a community redevelopment agency is subject to all provisions and responsibilities imposed by this part, notwithstanding any provisions to the contrary in any law or amendment thereto which established the entity. Nothing in this act shall be construed to impair or diminish any powers of any redevelopment agency or other entity as referred to herein in existence on the effective date of this act or to repeal, modify, or amend any law establishing such entity, except as specifically set forth herein.

History.—s. 2, ch. 77-391; s. 75, ch. 79-400; s. 2, ch. 83-231; s. 5, ch. 84-356; s. 3, ch. 2006-307.
