Public Hearing Required - Notice Requirements Have Been Met

RE: Ordinance 2022-30 LDR Updates Chapter 23 Land Development Regulations – 2nd Reading and **public hearing**

SYNOPSIS: *Staff proposes amendments to the following sections of the Land Development Regulations (LDRs) (Chapter 23, Lake Wales Code of Ordinances):*

- a. Section 23-421 Permitted Uses*
- b. Section 23-302 Definitions*

RECOMMENDATION

At a regular meeting on April 26, 2022, the Planning and Zoning Board made a recommendation of approval to City Commission for the proposed changes to the Land Development Regulations. On June 7, 2022, at a regular meeting, City Commission approved the recommendation without section 23-306 Off-Street and Vehicular Access. Staff recommends adoption at second reading, following a public hearing.

Sec. 23-421 Permitted Uses

Background and justification: new amendments to the Permitted Use Chart are proposed in order to strengthen the intent of recent code changes affecting the placement of manufactured and modular homes within the city. The intent of the code is to allow manufactured homes through the PDP approval process only, to prohibit them on infill or individual lots, and to distinguish between housing types.

Section 23-802 Definitions

Background and justification: The proposed definition changes should add clarity to the City’s intent behind distinguishing between dwelling unit construction types.

Definitions are also included to support the Electronic Vehicle parking changes.

Dwelling unit. Quarters, including sleeping, kitchen, and bathroom facilities, for one (1) household. (See also household.)

Accessory dwelling unit means an apartment or guest house incidental to the principal structure on a lot.

Caretaker dwelling unit means an apartment or house incidental to the principal structure and use on a lot and used primarily by a person or persons responsible for the upkeep of the property.

Multi-family dwelling means a building providing quarters for three (3) or more households.

Single-family dwelling means a building providing quarters for one (1) household. For the purpose of this Chapter, a manufactured home, modular home, or shipping container shall not be considered a single-family dwelling.

Two-family dwelling means a building providing separate quarters for two (2) households.

Modular Home shall not mean a manufactured home but refers to a unit partially constructed off-site (such as trusses and wall sections) and assembled at the site as a standard home or building unit, meeting all the Southern Building Standard Code requirements. For the purposes of this Chapter, a modular home shall not be considered a single-family dwelling. ~~Modular homes are indistinguishable from site-built homes.~~

Modular home park or subdivision means a parcel (or contiguous parcels) of land divided into two (2) or more modular home lots for rent or sale.

Electric vehicle means any vehicle that operates, either partially or exclusively, on electrical energy.

Electric vehicle charging facility means a public or private parking space that is served by battery charging equipment for the purpose of charging electric vehicles.

Community Buildings means a place, structure, area, and/or other facility used for and providing religious, fraternal, social, and recreational programs. They are not operated for profit, and neither alcoholic beverages nor meals are normally dispensed or consumed. Also known as amenity centers, these facilities are typically located in manufactured & modular parks and subdivisions.

Community Centers means a building to be used as a place for place of meeting, recreation, or social activity. Community Centers are typically owned or operated by a government agency.

Shipping container means a container with strength suitable to withstand reuse as an article for the intermodal shipment and storage of goods.
