

David Price submitted an email on 12/19/2025 with the following:

- A) Review policy for the City to collect fines for developers that cut down trees.  
What is the amount they have to pay?  
How much has the city collected?  
What can those funds be used for?
- B) Overview of the City's tree ordinance as to appropriate tree species to plant.
- C) Cars parking on tree roots in non-designated parking areas.
- D) Requests a brief report on the tree work that has been done by Crossan & Payne in 2025.

Robert Conners submitted an email on 1/2/2026 with the following:

- A) Review how current city codes address maintenance of the required landscaping in shopping centers and other developments.

David Price submitted an email on 1/4/2026 with the following:

- A) By-laws for the committee.
- B) Species list. Are there recommended tree species for planting listed in a planting manual?
- C) Is there a tree management plan – comprehensive plan for the care, preservation, planting, and removal of trees and shrubs?
- D) Minutes from the last meeting.
