Children and teens do not need to have a phone in their rooms at night after they go to bed.....

Parents need to be checking accounts, running a simple google search on your child's name reveals so much about them which means anyone can see the same information about YOUR CHILD... protect them if you give them access to the internet, just as you would when they start driving.			
"Wow do I feel old! Congratulations to the Schultz family" "Wow following in dads footsteps. You must be very proud"			
"Congratulations Don. You came you saw. Conquered and you are outta of there. Happy Retirement. 😊."
