Nancy,  
I added 2 8" fittings and 4 12" fittings. I just added the new pdf to the FTP site. Let me know if you have additional questions.  
Ron will be by later today (before closing) to provide the hardcopies.

Thank you!

Jennifer,

Are there cost items I should be concerned about?

I sent the plans out to 4 contractors yesterday for pricing, so I want to be sure there aren't significant cost changes I need to make them aware of.

Do you recommend I resend the updated plans?

I look forward to hearing from you.

Jennifer,

I do not have it; I checked junk mail.  
Can you upload it to our FTP site, please?  
I need to get it out for quotes.

Copy the below link and paste it to a explorer window (see red arrow below)

<ftp://usb.cityoflakewales.com/utility/>

Username: guestutil  
Password: Colw2015

<image005.jpg>

Once the window opens you can drag the plan into the folder.  
If you have a dropbox I can download it from there if that is easier, just send it over.

We sent pdf's of the "for bidding" set yesterday 3/4/2020 and Tuesday 3/3/2020. Please confirm by looking in your junk email if it's not in your inbox. The file is only 8 Mb. The 5 hardcopy sets were mailed on Tuesday 3/3/2020. You should receive them either today or tomorrow.
