Special knowledge or experience applicable to function of board/commission/committee

As a teacher, I have experience in reviewing and selecting textbooks and other teaching/learning resources for our department. I am a member of a small group of teachers that the Curriculum Specialist on Accelerated Programs consults with when it comes to district wide procedures and recommendations for the International Baccalaureate Program.

Other community involvement

I organized the Haines City International Baccalaureate Creativity-Action-Service (CAS) Club whose main objective is to enhance students' creativity, leadership skills, and civic mindedness. The club does volunteer work for Bok Tower Gardens and works with Habitat for Humanity in building houses not only in Lake Wales but in neighboring cities as well. I spearhead food and toy drives and the Lake Wales Care Center is one of the recipients of these drives.

I understand that I may be required to complete a Financial Disclosure Form in accordance with the requirements of Florida Law for every year during which I serve as an appointee. I further understand that refusal to file a required Financial Disclosure will result in my removal from the board/commission/committee to which I have been appointed.
