To whom it may concern,

Tucker Paving is proud to present the proposal for the Lake Wales YMCA Parking Lot Renovation.

Our scope of work includes the following:

- 1) Remove existing trees in the parking area
- 2) Demo Islands (per plans) and install base for Asphalt and Demo asphalt for new islands.
- 3) Resurface the parking lot with 1.5" of SP-9.5 Asphalt
- 4) Install new D-curb for islands per plan.
- 5) Install new Wheel Stops
- 6) Restripe Parking Lot per plan
- 7) Install new Signage per plan
