Other Community Involvement:	Last March when covid hit I started the village. The Village was the entire community and we came together to feed the children. We fed children and adults if requested a hot meal every Wednesday. The Village fed 3000 children and adults last year and 400 this past spring break.
Why do you want to serve on this board?	I want to serve on this board because I feel I would be a great asset to the board.
